stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on **4/10/16**, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**.

On **11/12/16**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat. Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are I'm off curfew in 12 days, when I'm, I am coming for you he shouted further

abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street.

His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his fiat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response, I then telephoned Mr Quinton and left a voice message for him.

07/03/2017:27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his flat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case off Simon Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of and- has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105).

Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis.

She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man.

Mr Cordell then started shouting abuse and threats at Karen.

Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block.

She stated that she and Christine witnessed the incident that happened in September, she stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them.

She is happy to make a statement and will log any further incidents.

Friday 4th Nov 16. And emotional support was provided. At the time he was having problems remembering the timeline of dates pertaining to incidents, said he was quite friendly with Simon Cordell - leading up to current events - and was somewhat perplexed as the sudden change in the attitude of the accused.

Mr Curtis and other alleged residents felt the problem could have something to do with a resident named Miss who has since moved Mr made reference to Simon Cordell boasting in having something to do with her departure.

Mr was trying to recall events and said **it could have been in the month of July**, when Simone Cordell shouted abuse and swore at him and threatened to burn his flat down Mr did not call the housing or police to report the threat. His friend, another resident who did not want his name mentioned, said that it was it was on

DD.

6th July. Mr A| could not quite remember when the second incident occurred but said that it was around mid-September. Simon Cordell approached Mr m outside his flat, when Mr | was on his way to the fields and threatened him. A lady called Karen also a resident of Burncroft witness the threat and asked Mr Cordell to the leave him alone.

With encouragement from other residents - Mr called the police a few days after the threat to make a report.

Mr A|the police a lot of police some with riot gear-entered his flat with officers posted to the front and rear of the building. They managed to coax Mr Cordell out of his flat and arrested him.

The case has since been heard in court and Simone Cordell pleaded not guilty. He has been bailed with conditions - to stay away from Mr | and also not to enter the Burncroft area. Mr is required to stand witness in court on the

EE.

17th Nov 2016. However, Mr is feeling quite anxious and feels there may be reprisals to him giving evidence. I asked Mr if he would like me to attend the hearing in support he said yes, he would not mind. I also visited another resident Christine to get her account of things.

I am writing to confirm that you are required to attend court to give your evidence.

At the hearing on **5th October 2016** at Highbury Comer Magistrates Court, Simon Cordell pleaded "not guilty" to the following offences:

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April **2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

Page: 3 of 3

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

04/10/2016: Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

U

11/12/2016: On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Dear Jean,
We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs. We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own,

that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

11. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

12. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, **I'm gonna take her job just for fun**' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

13. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his

wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/23 December 2016. A file note of this incident is at page 37 of the exhibit bundle.

14. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on 21st January 2017, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

15. On 9th June 2017, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

16. On 16th June 2017, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at 11:55am and said to her that he had her bank and personal

details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

17. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

18. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

19. On **2nd July 2017**, Mr Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has

all their personal details. A report of the incident is at page 40 of the case history.

20. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

21. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

22. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

24. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

25. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

26. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

27. On **12th July 2017**, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat, but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

A. The Defendant is in breach of the following conditions of his tenancy agreement.

B. Condition 10 - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

- G. Condition 53** - "You must keep the inside of the property, the fixtures and fittings and glass in the property in good repair during the tenancy"
- 1.** I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

2. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

3. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

4. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on **04/10/2016**, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**.

On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain

about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble

(07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his

front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

16/12/2016: 11/01/2017:

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 04/10/2016, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/2016, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he

came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters. He stated that he will give a witness statement and will attend court if required to do so.

t/c I spoke with Simon's mother [she is not too well with bad back] because Simon will not talk to me. Simon believes that since he met me, I caused him to be in hospital. Mother informed me that Simon was working at the moment; she said he was doing his own work. Mother informed me that Simon's court case is on 17 Nov 2016. She said that Simon wants to move from current property and will require support from EIP. He believes that if he moves, he will not have the kind of problems he is going through. I advised mother to ask Simon to apply to Housing and I added EIP will be willing give supporting letter.

Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

1. I'm the tenant of Flat 113 Burncroft Avenue, Enfield, EN3 7JQ. My flat is located the next floor above the Defendant's. I have lived at this property **since the 2nd May 2016.**

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment to me and other residents.

BACKGROUND

3. The problems that I have encountered with this tenant have been a regular occurrence since the commencement of my tenancy. The Defendant would come to my flat three or four times a week, on occasion this would occur more frequently whereby he would extend this harassment to not only myself but to my visitors also often following them as they would leave the building. He would often play loud music after which he would become very

argumentative and bang on my door accusing me and my visitors of maliciously making loud noises to annoy him.

4. The Defendant would often make threats to me and on one particular occasion the Defendant said to me, 'he is on a curfew for 12 days, but he would come 'after me' once this is over'.

5. The Defendant had also made accusations claiming that the noises I was allegedly causing had resulted in the sudden death of his child.

6. On another occasion on the **9th October 2016** the Defendant came to my flat banging on the door and when I answered immediately started shouting at me. He then went downstairs and about ten minutes later he approached my moped which was parked outside the building and started smashing it with a wooden stick. The damage that caused was to my vehicle was significant and prevented me from using it for some time and caused me to lose my job through lack of transport which was a requirement of my employment. The damage to the motorcycle was damage to tyres, the side panels, the headlights both front and rear along

with both the breaks and the mirrors. The matter was reported to the Police who attended and arrested the Defendant. A crime reference number was obtained relating to this incident and I will be happy to provide this at the hearing when I attend. I also have a recording of conversation - between the Defendant and I where he admitted having caused damages to my moped. The recording will be provided at the hearing.

7. A further incident occurred with the Defendant around **January 2017** whereby he came to my front door and started shouting and complaining about noise and that he was being wrongfully accused by the Police and accused

myself and other tenants of 'being out to get him'. I asked him to leave but he refused to do this, so I then left my flat to stay at my friends as the Defendants behaviour had scared me. When I returned to the property a couple of days later, superglue had been inserted into the front entrance door lock preventing me from gaining access, this also caused the key to break.

s. This was reported to the council and an order was required to gain entry to my property. This was recorded under works order reference number 1814013/1.

s. Due to the erratic and abusive behaviour of this tenant I have been forced to flee my property because I feel scared and uncomfortable and I have not returned since. As a result of this I have also fallen into arrears, I am now facing homelessness.

Statement of Truth

I believe the facts in this Witness Statement are true.

hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

The Mathiyalagan 117 family keep slamming the dihydrogen Monoxide tap on and off at an unacceptable rate, while stain 111 additionally joins in from his flats kitchen dihydrogen Monoxide supply to daunt me into Moving home and this is causing earnest damage to my health and salubrity while everyone else on the estate can auricularly discern and does nothing to forfend me from them!

I have also had a lot of problems with eating because of what they keep all doing to me!

My dog has eating its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

t/c I rang Simon's mother, Lorraine not her landline 02082457454 to speak with Simon. I could hear him very clearly in the background saying and referring to me "stay away from me; you have ruined my life". He did not wish to speak with me. Lorraine however said that he was fine and that he has been staying with her. I said to Lorraine that I will call at another time and hope to get him in a better mood.

t/c to Lorraine, Simon's mother and I asked if I could speak with him. Lorraine told me that Simon was sleeping but I could clearly hear him say that he did not wish to speak with me. I asked Lorraine about Simon's court case. He was due to report to court for sentencing on 17 and Lorraine did not answer and rather asked if I could get Simon moved from his current accommodation. I said to Lorraine that Simon should contact me to discuss his housing needs. Lorraine then said that Simon agreed to call me tomorrow to discuss his housing. I did not have time and opportunity to ask about Simon's mental state and mood. Or whether or not he is taking medication.

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

Page: 3 of 3

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then

explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

16/12/2016: 11/01/2017:

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on **04/10/2016**, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**.

On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had

enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters. He stated that he will give a witness statement and will attend court if required to do so.

To Whom It May Concern:

I am writing this email to find out who is dealing with my case, I have made phone calls to find out so I can have the paperwork sent to me via this email. I would also like an update as to the bail to return custody record of the 14/08/2016, as it seems the police officer in charge of that case never started the bail to return custody record of the 14/08/2016 but yet I was interviewed for this on the 04/10/2016 and charged at 03:15 hours on the 05/10/2016, this would have been well out of time of the 24 hours' time limit they have as I had already done around 21 hours in custody on the 14/10/2016. I feel them using the new arrest I was arrested for on the 04/10/2016 not to be correct to have interviewed me for the case of the 14/08/2016, I would be most grateful if someone could please get back to me with an update and could all the files be sent to me via this email including the custody records for the 14/08/2016 and the 04/10/2016.

To whom it may concern

Issues of concern:

Local Authorities and Metropolitan Police Consultation that was in Regard to the Applicant

On the 13th of August **2014** the local authority and the police held a consultation meeting in regard to the Appellant and reached a decision to be taken in the matter of a stand-alone Antisocial Behaviour Order (ASBO) order to be placed upon the Appellant Statue of Liberties.

An anti-social behaviour order (ASBO) (2003) is / was a civil order made in the United Kingdom against a person who has been shown, on the balance of evidence, to have engaged in anti-social behaviour.

The order was introduced by Tony Blair in 1998 with the legal framework and protocols to create a successful Antisocial Behaviour Order (ASBO) application. Within the Antisocial Behaviour Order (ASBO) guidance it states Voluntary solutions and other remedies should be considered by the pursuant, prior to the multi-agency working together in Co-Hurst at a statutory conference, regarding any application.

Any of the following voluntary solutions and alternative remedies should have been considered and then implemented, prior to an application for an Antisocial Behaviour Order (ASBO) being considered but was not.

1. Mediation: -
2. Verbal and written warnings from the relevant authorities including Police: -
3. Support Packages: -
4. Diversionary schemes and activities: -
5. Rehabilitation programs: -
6. Criminal investigation: -

The above list is not exhausted to its limits.

At no point of time has the applicant been given any of the above listed opportunities, neither has he been asked to attended any official meetings prior to this Antisocial Behaviour Order (ASBO) application and this should have been the opportunity to talk to him about a pre-warning or other actions that could have been taken.

Please also take note to page number 15 (taking a strategic approach) which clearly states: "The more serious the behaviour, the greater the likelihood that the court will grant a geographically wide order, order's that seek to operate in the whole of England and Wales will not be granted without evidence to the actual or potential geographical extent of the problem. Further detail about further effective prohibitions is given in Chapter 7."

For the applicant legally to have any conditions imposed, of such a wide scale of areas without correct proof to that extent, is another breach of applicant's Human Rights. The Antisocial Behaviour Order (ASBO) that was granted in the lower court upon the applicant is wrongly executed for the whole of the UK.

Section 63 of the Criminal Justice (Raves) Bill and related Act: -

The Criminal Justice and Public Order Act 1994 is an amendment to the Raves Bill and states the following: -

Section 63 Powers to remove persons attending or preparing for a rave.

(1) This section applies to a gathering on land in the open air of 20 or more persons (whether or not trespassers) at which amplified music is played during the night (with or without intermissions) and is such as, by reason of its loudness and duration and the time at which it is played, is likely to cause serious distress to the inhabitants of the locality; and for this purpose: -

(a) Such a gathering continues during intermissions in the music and, where the gathering extends over several days, throughout the period during which amplified music is played at night (with or without intermissions); and

(b) "Music" includes sounds wholly or predominantly characterised by the emission of a succession of repetitive beats.

(1A) this section also applies to a gathering if: -

(a) It is a gathering on land of 20 or more persons who are trespassing on the land; and

(b) It would be a gathering of a kind mentioned in subsection (1) above if it took place on land in the open air.

In Reference to Section 63: -

As noted in the highlighted copy of a Section 63 above and then in reference to take the correct notes about the fundamental basics of the building blocks of the Antisocial Behaviour Order (ASBO) application that has now been brought against the Appellant, will in fact reveal that all incidents that are sighted within the case bundle are of incidents when a person(s) personal living quarters, was or is contained in a building otherwise known as a place of residence, this key element mentioned and noted does play a vital factor in the on goings of the case at present, as for sure trespass must be present for a gathering to amerce in a building this must also be inclusive of 20 or more persons, so for any officer or official person(s) to be confident of their evidence supporting the incident's in question, so for them incidents to constitutes to the word rave.

Within the respondent's bundle, that is representing an Antisocial Behaviour Order (ASBO) order, no police officers chose to follow the true lines of investigation that is needed to fulfil the key elements to obtain such an act, against the Appellants statue of liberty's when using section 63 of the criminal and justice act 1994 and therefore the word rave cannot and should not be met to the criminal standards needed to obtain a Proven verdict.

The investigating police officers had ample opportunity to achieve such goals, but never did and therefore it must be agreed to the quoted, this case does not meet the criteria for the incidents accused within its context and supported evidence.

This clearly leads to the Fraud Act 2006 by abuse of position: -

(1) A person is in breach of this section if he—

(a) Occupies a position, in which he is expected to safeguard, or not to act against, the financial interests of another person,

(b) Dishonestly abuses that position, and

(c) Intends, by means of the abuse of that position—

- (I) To make a gain for himself or another, or
(ii) To cause loss to another or to expose another to a risk of loss.
(2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Issue of the Word “Illegal being Used: -

The second issue is the terminology regarding the word “illegal” the word Illegal also raises concerns of issues relating towards what the respondent’s case has been brought in motion for, all of the accused incidents that the respondent has alleged I took an organisation (role / or supplied equipment in, do in fact relate to the entertainment industry, what is governed under the licensing act 2003.

As previously stated in this letter of concern, all incidents sighted in the Antisocial Behaviour Order (ASBO) application do in fact relate to indoor private events and trespass has not been investigated under any police

436.

officer’s codes of conduct, neither does the CPS challenge or dispute this fact, so there is no argument to the issue of illegality under the trespass grounds.

This only leaves the licensing act 2003 having to be found in breach to prove the word illegal in the entertainment industry when a police officer is in pursuit of a case relating to the investigation of the organisation of illegal raves, as the respondent and officers have pro claimed it to be.

When reading a copy of the licensing act 2003 as amended on the 7th January **2013** for the processes of creation of an investigation or defence towards a person’s rights, any person doing so will have to take note to appendix four of that Act, which clearly states it is not illegal to provide any entertainment within a back garden or place of residence, in fact the only clause relating to in private air is that no person shall have the right to charge for money with a few of making a profit and if a profit is made without true intention then the licensing act 2003 has no breach, with this full and whole understanding I believe that any person will agree that the respondent does not have the right to base their case on the fact of organising an illegal rave as no illegal concept has been adduced to be proven.

Issues of the Word “Illegal being Used: -

As a third concern regarding the issue of the word “illegal being used does also make me take reference to the following:

From the early stages of the application the Appellant felt the need to defend his legal Rights, as any other member of united kingdom and associated treaties should also do, this being said to be leading towards the wrongful accusations against any illegal allegations of criminal nature that any person(s) find themselves in defence towards, that any person(s) know they have not committed, neither am I in the wrong for just simply not understanding the crime I am being accused of but still playing a role in such criminal activities in turn as a figure of speech being blind towards my own actions and there consequences, such as the incident that have clearly been contained within the Antisocial Behaviour Order (ASBO) application.

I know it would be morally wrong for me not to stand up and quire this matter myself as for I know the true facts, as I know this case should not be sitting in its civil capacity, when it clearly states an offence of an illegal natured concept this is a breach of a multitude of my human rights and should be managed under criminal legalisation and regulations in a criminal court, especially without no previous history of similar natured offences being present and this is also inclusive of no pre remand warnings ever being issued. In the understanding of civil and criminal law,

were some think is alleged to have taken place that is said to have been illegal the correct Police procedure in them circumstances is that a crime will be created under the crime and disorder act 1998, in pursuit from the police reforms act 1964, by way of a victim or witness making a report to police and then for members of the police to be allocated the incident in hand so for them to be able to start any needed investigations, this does also depend on the matter of relevance to the initial report and will be risk assessed and graded apriority to the listing to the resources available at the time.

The investigations may lead to an arrest what will lead the detainee to his or her statutory legal rights. In the early 1980's the police did have the power to take cases to court without the decision of any other governing body, but now in **2016** the burden relays solely on the CPS who are in collaboration with Revenue and Customs Prosecution Office and is headed by the Director of Public Prosecutions (DPP) who is independent but subject to the superintendence of the Attorney General that is accountable to members of Parliament that do work for the prosecution services. If charged any person's rights are gained under section 24 and 25 which does relate to the rights of any person charged and the minimum standards of criminal procedure.

An issue I raise is my case seems to sit in its civil capacity at court with none of the above regulations and my rights being carried out with accordance of the United Kingdom laws; as it clearly is stated as an illegal offence, I ask please can any person explain this to me? As I have no previous convictions of similar nature offence, neither was the Antisocial Behaviour Order (ASBO) application a CBO, Antisocial Behaviour Order (ASBO) on conviction, it is in fact a stand-alone Antisocial Behaviour Order (ASBO) and the legal guidance is for the application not to be based upon criminal natured activities.

Before I continue with the principles of the respondent's case which has been educed with the title of "the organisation of illegal raves, so to highlight the true aspects of the legal definition needed to be met in reference

437,

towards "the role needs to be proved to the criminal standards so for a judge to impose a Proven verdict in relation to organising"

National Standards Incident Recording Regulations: -

I would first like any reader to have a full understanding of the knowledge needed to be addressed at this

point of this complaint in reference to the "NSIR" what is the national standards incident recording

regulations that are governed under the Regulation of Investigatory Powers Act 2000.

The NSIR does quote the following, when any state official is recording police information them

procedures must comply in accordance with the national standards incident recording polices and them person(s) are to:

- Ensure that all police information is held in accordance with the law
- Support all correct decisions that are made through the intelligence process with utmost respect for "Vision and Purpose Statements for Crime Recording (NCRS & HOCR)" what are in respect to the Home Office Counting Rules for Recorded Crime.
- Provide a fair an auditable decision-making process.
- Corroborate all related and interlinked information.

- Allow all information to be shared in compliance with the data protection Act 1998 and Regulation of Investigatory Powers Act 2000.

Policing Values:

The College of Policing “Code of Ethics” set out nine explicit values that are intended to ensure standards of professional behaviour for both police officers and police staff:

| | | | | |
|--|--|--|---|--|
| 1. Due responsibility with issues of Openness | 2. Due responsibility with issues of Integrity | 3. Due responsibility with issues of Accountability | 4. Due responsibility with issues of Respect | 5. Due responsibility with issues of Leadership |
| 6. Due responsibility with issues of Fairness | 7. Due responsibility with issues of Selflessness | 8. Due responsibility with issues of Objectivity | 9. Due responsibility with issues of Honesty | |

CPS REVIEWING OF CASE FILES: -

Duty Prosecutors must apply the Code for Crown Prosecutors when reviewing any case received from the police, and continue to do so during the life of a case, to be satisfied that there is sufficient evidence to provide a realistic prospect of conviction against each defendant for each offence and that it is in the public interest to proceed.

Crown Prosecutors must also consider any human rights issues that arise.

The Joint Performance Standards: -

Standard 1 – Police will undertake an effective, early investigation to reduce use of pre-charge bail: -

Standard 2 – Police will obtain ‘key evidence’ before referral to a prosecutor for a charging decision: -

438.

Standard 3 – Police will themselves charge or NFA cases in accordance with the DPP’s Guidance on Charging: -

438.

Standard 4 – CPS will provide an immediately accessible service for the telephone referral of cases: -

Standard 5 – CPS will ensure early face-to-face consultations are provided for serious, sensitive and complex cases: -

Standard 6 – CPS will ensure that charging decisions are consistent and in accordance with the Code for Crown Prosecutors and appropriate legal and policy guidance.

Police Personal Conduct: -

These values underpin all policing functions and in respect of police personal conduct and require all person(s) working for the police service to “behave in a manner, whether on or off duty, which does not bring discredit on the police service or undermine public confidence in policing” (See Standard 9 – Conduct). The Code explicitly states that complying with the National Crime Recording Standard (NCRS), which is the central rules from the Home Office that do comply with the Counting Rules for Recorded Crime (HOCR), is an example of meeting the standards.

Regards to NSIR Standards: -

With further regards to NSIR standards that do define any communication from any person to be otherwise known as a “CFS a caller for services” a CFS is any person(s) by whatever means of contact, about a matter that comes to police attention and which is required by the NSIR to be recorded. There are a number of minimum data standards to be complied with when recording information on an incident record:

- An incident unique reference number (**URN**)
- The time and date the report was received.
- The method of reporting.
- A clear and accurate time and date the report was recorded.
- Details of the person making the report (name, address and telephone number)
- Sufficient information to describe the location and nature of the report.
- The opening and closing category.
- Also, the Time and date of initial and closing classification.

Contained within the respondent Antisocial Behaviour Order (ASBO) application I take a problem with there being no URN numbers to a vast amount of the official documents contained within the respondent’s bundle. The Prosecution Team Manual of Guidance For the preparation, processing and submission of prosecution files **2011** (Incorporating National File Standard **2015**) also states the importance to case files URN numbers and continues to quote the following: -

UNIQUE REFERENCE NUMBER (“URN”)

1.3.1

An URN must be allocated to a case file at the earliest opportunity to allow tracking and monitoring of the case where possible. This process should start at the CPS pre-charge advice stage where the URN will be recorded on the MG3/3A.

1.3.2

When completing a case file, the URN must be entered on all MG forms. The endorsement of the URN on each page of each form ensures that if material becomes separated from the file, it can be easily identified and maintains continuity.

1.3.4

Allocating an URN for case files involving multiple offences and/or offenders will need to be closely monitored to avoid duplication. Specific guidance on when and how these case files should be numbered is contained at 2.4 of Section 2. This includes obtaining guidance from the CPS regarding the splitting or merging of case files.

2.4.2

439,

General Principles Charges for any offences may be included in the same file with the same Unique Reference Number (URN) if those charges:

- Are founded on the same facts, or: -
- Form, or are a part of a series of, offences of the same or a similar character. As a result, case files containing charges which are not linked in either of the ways mentioned above will need to be split into separate files, each with a different URN.

Organisation: -

In dispute to the Organisation role in the respondent's pursuit for a conviction for organising illegal raves, the applicant has not adduced no evidence in support of such a claim, I submitted a plea of innocents as for sure I know that I am innocent and because of that reason, there is no truthful evidence relating to the wrongful accusations that I find myself defending my character towards, this case leaves me every day of my life knowing that I never organised any event sighted in the respondent bundle leaving me suffering the consequences and if the allegations were true I believe the police intelligence would be able to prove some of the following as they have not got the following:

- No evidence of flyers,
- No evidence of breaches of the licensing act.
- No evidence of promotion on Social Networking Sites
- No evidence of Sound equipment sited within the Antisocial Behaviour Order (ASBO) event dates being used for private reasons, neither seized under self-commercial gain.
- No evidence of Video footage proving any origination or delegation roles.
- No evidence of forensics.
- No evidence of trespass.
- No evidence of Voice recordings.
- No evidence of a past duration of time, relating to any arrest of my person of a similar natured offence.
- No evidence of and therefore a complete absinth of firsthand oral evidence of victims.
- This complete absinth also includes no police PNB notebooks, for all dates wrongfully accused and sited within the Antisocial Behaviour Order (ASBO) application.
- Not to forget the complete disappearance of all CAD related emergency 999 / 101 calls, that I am in pursuit of disclosure towards, that do relate to the audio voice recordings that have been said to have been destroyed by police, the emergency 999 / 101 call voice recordings are governed by United Kingdom and continental legalisation and Standard Functional Specifications for Law Enforcement Computer Aided Dispatch (CAD) Systems standards protected by communication standard operating procedures "SOP" and in all incidents should not be destroyed when they are part of an ongoing trial or appeal and this is to include, the commence of a Proven verdict otherwise known as a conviction as them files should remain intact for up to 50 years after.

Hearsay I challenge the following points of concern: -

The respondent when seeking pursuit of the Asbo application that was applied at the lower court in conjunction to their powers, so for the respondent to Adduce an application notice of (Hearsay Evidence under Civil Proceeding) Rule 1999. The applicant took dispute to the legal factors of such a hearsay notice and declined the application.

The reason for the dispute was and is that the respondent is relying on the whole president of their case solely being based on hearsay evidence, with no substance of firsthand evidence and a complete disappearance of civil person(s) under oath supplying oral evidence, in turn no VPS witness, this does also include any other support of key materials that would aid in any conviction as evidence.

The notice to rely solely on hearsay was put before the judge on the 11/09/2014 and 30/10/2014 to Highbury Corner Magistrates Court this was challenged but was allowed by the judge sitting at the lower court. How can anyone stand a fair trial when no witnesses can be called? And all of the civil witness statements, not being signed by the witness themselves.

440.

Hearsay applications under the Magistrates Courts (Hearsay Evidence in Civil Proceeding) Rule 1999 to reply solely on hearsay within the Antisocial Behaviour Order (ASBO) application have been put in on the 23/02/2016, 17/08/2016 to Wood Green Crown Court for the appeal hearing, this was challenged, this also has been allowed by the Judge hearing the appeal case. How can anyone stand a fair trial when no witnesses can be called?

1. The truthiness and accuracy of the witness statements that are contained in the format of an MG11 witness statement form.
2. Also, the capacity the court sits in as for the Antisocial Behaviour Order (ASBO) proceeding sit in their civil capacity, but the respondent's application states an offence of a criminal nature such as the organisation of illegal rave, so for any person to understand what rules the case should really be imposed to so that the Appellant could stand a legal and justified fair trial cannot clearly be established, this is for the reasons as listed below: -

Magistrates and Crown Courts have different regulations when the court houses are sitting in a true and fair civil capacity when at trial and appeal.

A criminal case as the respondent application clearly states it is, has a different views towards the rules of hearsay, than a civil case does and requires a section 9 or 10 to be educed into the case proceedings, if the section 9 or 10 requirements are not agreed by the Judge, or challenged by any applicant, due to a witness not given oral evidence in court, then the context of their statement holds less weight and may not be read out in court verbally aloud that is to say on its own, by any members of the prosecution and in turn becomes inadmissible in criminal cases, but under civil proceeding were there is no criminal element, then them hearsay rule do not comply and the Civil Evidence Act 1995 will in fact apply, in any ongoing proceedings that are in pursuit of an Anti-social Behaviour Order, the Civil Evidence Act 1995 rules should come into force and will allow the admissibility of hearsay without an exception other than a hearsay notice, because of the clear difference that is allowed in the proceeding of criminal and civil law relating to hearsay and the respondent's case being of a mixture of both laws, this leads me to the understanding that I could not stand, what must be a speedy and fair trial in respect to, The Universal Declaration of Human Rights (UDHR) 1948, the Human Rights Act 1998 (the Act or the HRA) and the European Convention on Human Rights (ECHR) 1953.

MG5: Police report

MG5 – CASE SUMMARY GUIDANCE NOTES

Any person being accused of an offence under the criminal justice public order act 1994 should be arrested and an mg5 case summery form should be filled out in accordance to code A of the pace codes of conduct.

The prosecutor, defence and court will then need to be informed about what happened when the defendant was interviewed, and the guidance contained in the header to section 2 of the MG5 should be followed.

Where the suspect refuses to answer certain questions or to answer satisfactorily, after due warning, a court or jury may draw such inferences as appear proper under the Criminal Justice and Public Order Act 1994 sections 36 and 37. In such circumstances section 2 on the MG5 should record that a no comment interview took place, special warnings were given (as set out in a - e below) and also record the questions that were asked following the warning. The exact words used should be recorded rather than paraphrasing.

For an inference to be drawn the suspect must be told, in ordinary language:

- a) What offence is being investigated?
- b) What fact they are being asked to account for.
- c) This fact may be due to them taking part in the commission of the offence.
- d) A court may draw a proper inference if they fail or refuse to account for this fact.
- e) A record is being made of the interview and it may be given in evidence if they are brought to trial.

Orders on Conviction: -

441,

An order comes into effect on the day it is made. Will be of a CBO nature the provisions relating to the CBO are in Part 2 of the Anti-Social Behaviour, Crime and Policing Act **2014** (the "Act"). The provisions come into force on 20 October **2014**.

The dates of the on goings of the Antisocial Behaviour Order (ASBO) proceedings are listed below: -

| | |
|------------|---|
| 12/09/2014 | A bundle is said to have been served by police on the Appellant at 109 Burncroft Avenue, to which he disputes. This Bundle is said to be for the Antisocial Behaviour Order (ASBO) Case, a letter of complaint was made and served to the police in regards to not being served with the full true details and the bundle still remains in Edmonton police stations lost property the receipt is in my mother's name as she found it outside my front door. |
| 06/10/2014 | The Appellant was meant to have a hearing for an interim Order but legal aid had not been granted. Michael Carroll acting solicitor came to court the judge overturned and granted legal aid. The application for the Interim hearing the judge would not hear due to my solicitors not having time to go over the case papers as legal aid was not granted at this point. The CPS and police were not happy about this. Hearing was put off until the 22/10/2014 |
| 22/10/2014 | 22/10/2014 Interim hearing could not go ahead due to Andy Locke Acting Barrister had a flood at his home address. CPS and Police were not happy about this and wanted it to go ahead. Judge told them it is not down to the Appellant he has attended court and rightfully he should have a barrister. Interim hearing was put off until the 05/11/2014 |

As can be seen from the details above the Antisocial Behaviour Order (ASBO) was not put before a Judge until the 22/10/2014 due to no fault of the Appellant and should still fall within the commence date of the CBO being legal jurisdiction.

Where an order on conviction is sought, police must supply sufficient details to the Prosecutor to justify application for the order sought and any documentation must be attached to the file. Such orders include:

- An exclusion order, such as being banned from licensed premises or sporting grounds.
- Anti-Social Behaviour Order.
- Protection from Harassment Act restraining order.
- Compensation order – may be made on conviction, where there has been some personal injury, loss or damage to any person, for the offence charged or taken into consideration.

Courts often award compensation at the first hearing, so it is important that, where known, an estimate of the cost of loss or damage is included on the MG5 form. Additionally, full details of any victim likely to be awarded compensation should be shown on an MG6 form.

Issues with the Independent Members of the Public's Witness Statements: -

I continue to raise even larger concerns of issue with regards towards the Independent members of the public's witness statements, not being signed by the witness them self but by active police officers on duty. I am also further concerned and raise issue with there being no statement of truth attached to all of the mg11 witness statement forms, both issues are a criminal offence of the Fraud Act 2006 as follows: -

1. Fraud

(1) A person is guilty of fraud if he is in breach of any of the sections listed in subsection

(2) (Which provide for different ways of committing the offence).

The sections are: -

(a) Section 2 (fraud by false representation): -

(b) Section 3 (fraud by failing to disclose information), and: -

(c) Section 4 (fraud by abuse of position).

(3) A person who is guilty of fraud is liable: -

442.

(a) on summary conviction, to imprisonment for a term not exceeding 12 months or to a fine not exceeding the statutory maximum (or to both);

(b) On conviction on indictment, to imprisonment for a term not exceeding 10 years or to a fine (or to both).

All MG Forms are Managed under Guidance From: -

All mg forms are managed under guidance from the home office, so for the evidential and authenticity standards to be complied with, so for all associated tools required to create, transport and store a Digital Witness Statement (DWS) is completed with sufficient evidential authenticity and integrity.

The Key Requirements of Digital Witness Statements are: -

1. The witness must be fully aware of the implications of signing.

2. The mechanism for proving a document must be agreed by the National Prosecution Team.

3. Where vector representations of signatures are used, these shall use open standards and must also include a simple image of the signature.

Criminal Procedure and Investigations Act 1996 places a duty on investigators to pursue all reasonable lines of enquiry and to record and retain all relevant material.

Supervisors must check that the file complies with the National File Standard content as per the Director's Guidance.

All cases charged by police will be notified to the CPS through an amended MG5, to be known as the 'Police Report'. It is crucial that the content of the MG5, including the case and interview summaries, are objective, fair and balanced and are of the highest quality. This is because all the stakeholders (e.g. prosecutors, court and defence) rely upon its contents. A poor quality MG5 is likely to lead to wasted time, increased costs and delayed proceedings. In all cases the supervisor must complete the 'Supervisor's Certification'. This certifies that the information in parts 1 to 7 of the Police Report is an accurate summary of the available evidence in the case. It also ensures that the file has been built to the required standard. If it has not been possible to obtain all necessary information to ensure the file has reached the required standard, an MG6 must be completed to indicate why and when missing information/evidence will be available.

The MG6 should also record the information necessary for common law disclosure in accordance with R v DPP, ex parte LEE. It should also take account of all reasonable lines of enquiry and confirm that relevant agreed targets for the capture/submission of evidence have been identified correctly.

R v DPP, ex parte LEE (1999) 2 Cr App. R 304, DC 2.2.11

Following the decision in LEE, the prosecutor should consider disclosing the following, at pre-committal stage, in the interests of justice:

- Previous convictions of the victim, or any material that might assist an application for bail.
- Anything that may assist the defence to argue that there should be no committal at all, or committal on a lesser charge.
- Anything that may assist an argument for abuse of process.
- Information that may assist the defence to prepare for trial where delay may affect such preparation (i.e. witnesses police officers have spoken to that they do not intend to rely upon).
- This information is not always going to be disclosed to the defence since Justice Kennedy said this would depend very much on what the defendant chose to reveal about the nature of his case.

These are only examples and must not be construed as a definitive list of categories.

In all cases the prosecutor must consider disclosing in the interests of justice any material that is relevant to sentence (e.g. information that might mitigate the seriousness of the offence or assist the accused to lay blame in whole or in part upon a co-accused or another person).

There are Three Types of Witness Statement: -

443.

Narrative statements: -

- Made by the people who have played a part in the event at issue?

Production statements: -

- made by people who are employees, who have access to computer systems or documents, but: -
- Cannot testify as to how the information was entered on to the systems, as it may have been done by other people in the organisation.

Statements by expert witnesses:

- Include analysis and comment and can include personal opinion within their professional remit.

What is a VPS Witness Statement?

This is a statement made by the victim of a criminal offence. It is recorded on form MG11 and the content relates to the effect the offence has on them.

The Purpose of VPS forms are: -

These statements provide the victim with an opportunity to state how the offence has affected them:

- Physically
- Emotionally
- Psychologically
- financially, or
- in any other way victim, an opportunity to say if they require further support, or wish to claim compensation.
- To provide the Home Office and the courts with information on these matters and allow them to take an account of the consequences of the offence on the victim. These statements are voluntary and are separate to other statements. They are disclosed to the defence.

Victim Personal Statements: -

When a VPS is used in court the VPS is put before the court after conviction in the sentencing bundle. **(Impact Statement)**

If a police officer takes a witness statement in England, Wales or Northern Ireland, they must record it on an MG11 form.

All investigating police officers must keep the original copies of all witness statements in the case file and send copies to the Crown Prosecution Service.

Before a witness signs a witness statement the investigating police officer's must always explain to whomever is filling out the form: the perjury clause before they make the statement.

- A statement taken in this form meets the legal requirements, and so they may not have needed to attend court:
- But you must make it clear the Home Office cannot guarantee they will not have to attend the court because the court and the defendant have the right to call any witness to attend and give oral evidence.

When any police officer questions the witness they must make sure of the following: ask all relevant questions to satisfy their duty under the Criminal Procedure and Investigations Act 1996, so to be able to pursue all reasonable lines of enquiry whether they point towards or away from the suspect.

The Antisocial Behaviour Order (ASBO) Witness Statements Do Not Contain Signature of Truth: -

PRACTICE DIRECTION 22 – STATEMENTS OF TRUTH

Documents to be verified by a Statement of Truth are: -

1.1

Rule 22.1(1) set's out the documents which must be verified by a statement of truth. The documents include: -

- (1) A statement of case,
- (2) A response complying with an order under rule 18.1 to provide further information,
- (3) A witness statement,

1.2

If an applicant wishes to rely on matters set out in his application notice as evidence, the application notice must be verified by a statement of truth.

1.5

The statement of truth may be contained in the document it verifies or it may be in a separate document served subsequently, in which case it must identify the document to which it relates.

Form of the Statement of Truth: -

2.1

The form of the statement of truth verifying a statement of case, a response, an application notice or a notice of objections should be as follows:

‘[I believe] [the (claimant or as may be) believes] that the facts stated in this [name document being verified] are true.’

2.2

The form of the statement of truth verifying a witness statement should be as follows:

‘I believe that the facts stated in this witness statement are true.’

2.3

Where the statement of truth is contained in a separate document, the document containing the statement of truth must be headed with the title of the proceedings and the claim number. The document being verified should be identified in the statement of truth as follows:

(3) Statement of case: ‘the [defence or as may be] served on the [name of party] on [date]’,

(4) Application notice: ‘the application notice issued on [date] for [set out the remedy sought]’,

(5) Witness statement: ‘the witness statement filed on [date] or served on [party] on [date]’.

Who may Sign the Statement of Truth?

In a statement of case, a response or an application notice, the statement of truth must be signed by:

(1) The party or his litigation friend, or

(2) The legal representative of the party or litigation friend.

3.2

A statement of truth verifying a witness statement must be signed by the witness.

In-house legal representatives: -

Legal representative is defined in rule 2.3(1). A legal representative employed by a party may sign a statement of truth. However, a person who is not a solicitor, barrister or other authorised litigator, but who is employed by the company and is managed by such a person is not employed by that person and so cannot sign a statement of truth. (This is unlike the employee of a solicitor in private practice that would come within the definition of legal representative.)

However, such a person, may be a manager and able to sign the statement on behalf of the company in that capacity.

Inability to persons to read or sign documents to be verified by a statement of truth: -

3A.1

Where a document containing a statement of truth is to be signed by a person who is unable to read or sign the document, it must contain a certificate made by an authorised person.

Consequences of failure to verify: -

4.1

445.

If a statement of case is not verified by a statement of truth, the statement of case will remain effective unless it is struck out, but a party may not rely on the contents of a statement of case as evidence until it has been verified by a statement of truth.

4.2

Any party may apply to the court for an order that unless within such period as the court may specify the statement of case is verified by the service of a statement of truth, the statement of case will be struck out.

4.3

The usual order for the costs of an application referred to in paragraph 4.2 will be that the costs be paid by the party who had failed to verify in any event and forthwith.

Penalty: -

5

Attention is drawn to rule 32.14 which sets out the consequences of verifying a statement of case containing a false statement without an honest belief in its truth, and to the procedures set out in rule 81.18 and paragraphs 5.1 to 5.7 of Practice Direction 81 – Applications and proceedings in relation to contempt of court.

All Impact statements are also signed by police, but second third hand information

PNBs are requested as disclosure: -

The official pocketbook is a most important document which, when properly used, provides the greatest support in court, and constitutes protection against false or mistaken attack upon the character of an officer or a member of staff. It is a basic principle of police procedure that police officers and appropriate police staff will keep notes of their day to day duties to which they may later refer.

Every operational Police Officer, including Police Community Support Officers (PCSOs), members of the Special Constabulary, & Firearms Enquiry Officers shall carry an official PNB when on duty, and will ensure that is maintained.

446.

It is fundamental that these notes should be made at the time of the incident, which is being recorded or, where circumstances prevent this, as soon as practicable after the event.

The pocket notebook must always be carried by officers and staff engaged on operational patrol, response and beat duties. Staff engaged in all other types of duty will carry their pocket notebook when performing duties where they are likely to encounter a scenario where a pocket notebook record is required.

The PNB is an official document, which is subject to disclosure in connection with any criminal investigation. The PNB is maintained by an individual, but ultimately belongs to the Metropolitan Constabulary.

Pocket Notebook records will be made in the following circumstances: -

a. Where the Police and Criminal Evidence Act 1984 require a record and none exists.

b. Details of audio recording interviews as highlighted in paragraph 5.1 of Code E.

c. Unsolicited comments made by a suspect outside the context of a formal interview, which may be relevant to an offence.

d. Evidential matters, civil and criminal where not recorded in another original document.

e. PNC and other police information database checks.

f. Critical, domestic and hate crime incidents.

g. Property found or handed to officers.

h. Under Section 170 of the Road Traffic Act 1988, where any party insists that the accident is recorded.

I. Arrests and incidents which may give rise to evidence in a criminal offence.

j. Incidents where the officer thinks a complaint will be made (bring to a supervisor notice as soon as possible.)

k. Observations / surveillance where no official log exists.

l. Any information that an officer regards as relevant to any aspect of police work should be recorded. If in doubt, record everything.

The information, which should be recorded at any scene, will vary. The following is a guide to the minimum information required: -

a. Time.

b. Exact location.

c. Occurrence or offence.

d. Name, age (DOB), occupation, address, self-defined ethnicity and telephone number of persons involved.

e. Name, age (DOB), occupation, address, self-defined ethnicity and telephone number of witness/informants.

f. Details of action by police officers and others. 'Direct speech' should be recorded in the pocketbook.

Where a suspect makes any comment, which might be relevant to an offence, (including a reply after caution) the comments must be recorded in the PNB, and where practicable the person shall be given the opportunity to read the record and to certify and sign it as accurate, or indicate the respects in which that person considers it inaccurate. Any refusal to sign should be recorded.

Even when there is collaboration, unless the circumstances are for some reason exceptional, each officer should make a note in their own book and not rely on a note in another officer's book. If one officer has no recollection of a point observed or of a remark remembered by a colleague, they should not incorporate such a matter into their book. An entry, whether made in consultation with a colleague or otherwise, must reflect only genuine personal observation and recollection.

It is the responsibility of all officers to keep their PNBs updated. Supervisors are to ensure compliance by inspecting officers' PNBs on a regular basis and endorsing the PNB accordingly.

Officers will retain their current and last two completed PNBs (if less than two years old). All other PNBs should be submitted to District Administration, where they will be stored until two years old. PNBs that are over two years old will be stored in alphabetical order at the Central Archive Facility. Once the PNBs are over seven years old, they will be destroyed as confidential waste.

Overview of the role of CCC: -

447.

1. CCC was formed in January 2008 upon completion of the C3i programme. This saw public telephone contact and control of the deployment of MPS uniform policing assets move from a central Information Room (IR) located at New Scotland Yard; 32 local control rooms (known within the MPS as CAD (Computer Aided Despatch) Rooms); and three independent Telephone Operator Centres (TOC), to three purpose-built contact and deployment centres located at Lambeth, Hendon and Bow.

2. CCC now operates within the Public Contact Portfolio of Territorial Policing (TP) as a single Operational Command Unit (OCU). CCC handles all emergency and non-emergency telephony for the MPS, co-ordinates the despatch of initial response to incidents for Borough Operational Command Units (BOCUs), provides command and control infrastructure for major incident and event policing through the Special Operations Room (SOR) and command and control for critical incidents.

On 6 October 1998, BT introduced a new system whereby all the information about the location of the calling telephone was transmitted electronically to the relevant service rather than having to read it out (with the possibility of errors). This system is called EISEC (Enhanced Information Service for Emergency Calls).

"The Communications Provider shall, to the extent technically feasible, make accurate and reliable Caller Location Information available for all calls to the emergency call numbers '112' and '999', at no charge to the Emergency Organisations handling those calls, until the time the call is answered by those organisations."

When a person(s), provide Open reach with a customer's name and address they pass it to BT's 999 Call Handling Service. BT in turn uses that information to route 999 calls and passes the location on to the Emergency Authority (EA). Then the emergency services allocate the order of importance, the information they need is:

- Postcode - this route the call to the EA serving that geography and is used by the EA to locate the caller.
- End Username for: Consumer -the person most likely to make the call (not always the bill payer).

The End Username recorded and listed on the Emergency Services Database may be different to the Directory Listing and the two details are separate entries on the input xml provided by a CP when placing an order with Openreach.

The separate End Username provided is only used to populate the details held on the Emergency Services Database and assist the emergency services with handling 112 and 999 calls effectively.

- For WLR3, Openreach takes responsibility only for passing the address information to the Emergency Services Database.
- For MPF, it is the CP's responsibility to pass the address information to the Emergency Services Database.

In a short summary the first CFS caller for services, person that calls any emergency 999 handler will speak to is a B-com operator, B-com accept responsibility for passing the callers location and telephone number on to British Telecom who, then route the incident with the same intelligence already gained to the emergency services desired.

Another issue of concern that I raise within this letter, is in regards to a vast majority of incidents, otherwise known as Cads that have been inter Linked with unrelated incidents and information, that is to say from what I am being accused of at court and that information being supported as hearsay evidence, which has a true outcome of containing incorrect geological address information relating to the Antisocial Behaviour Order (ASBO) application, where on the dates that I do take reference towards, was on the 08th June **2014** at Progress Way Enfield London, where in any sense it would have been impossible for the incident the applicant has been accused of to have played a role that had a negative effect on any other persons way of life. Due to them locations distance being so far apart from one another, as can be seen by the Distance as the Crow Flies and Distance by Land Transport, which does in fact show that the distance between progress way and the initial location of the CFS emergency 999 callers, are too far apart for the respondent accusations for truth to be found upon, so because of this reason they have now been calculated into miles of distance as detailed below and them places are as follows, with geological markers supplied from:- <https://www.freemaptools.com/how-far-is-it-between.htm>

The above table lists some of the locations from the CADs giving mileage, There are CADs that have all of the MAP ref blocked out, so these cannot be researched and them Cads incident numbers are as follows: -

1. 1722:7JUN14: -
2. 5206:7JUN14: -
3. 340:8JUN14: -
4. 793:8JUN14: -
5. 2410JUN14.

The appellant requests, the reply to why would there be a need to block out any cad/ Map data? And for such redactions to be fully disclosed served in a non-edited format

I find it hard to understand with reason, with reference to why police officer(s) would be sent to a location that the person was not at, as it seems PC Steve Elsmore is trying to imply in his statement dated the 24/09/2016 pages 327 to 332.

Also, there is the matter regarding data blocked out in a multitude of CFS Emergency calls relating to: -

1. CAD 3151
2. 2410 to list a few more, I can understand some Names and some Addresses but clearly not what I request as disclosure so that I can read what is needed to stand a fair defence, there is clearly a lot more data being blocked out that is vital to the on goings of this case.

There is a problem with Cads missing like linked CAD 2456 /7 shown on many pages as shown on page 290.

The reason given by the respondent in court about explicitly linked to and implicitly linked to CADs seems very unreliable and could easy be proved by showing the judge these missing CADs are not linked in any way.

In statement of PC Jason Ames dated the 15/08/2014 it states CAD 9717 which related to intelligence, why has this been withheld also?

Using the jurisdictional GIS information and the law enforcement map layers, the dispatcher has a tactical view of the city and/or dispatch area. The map can be controlled by specific CAD commands, such as zoom-and-pan, or pre - set commands, such as zooming to the address of a selected call for service.

The dispatcher can map/view all units and open calls for service for an area or the city. Units and calls are labelled on the map.

Locational Systems Interfaces Locational systems provide automated access to address, geographic, and mapping information for law enforcements. The primary locational systems include AVL, GIS, and Mobile and Real-Time Mapping:

Geofile Maintenance: -

The creation of a comprehensive Geofile is a significant undertaking. The system should support the creation and maintenance of the Geofile using an available mapping/GIS

The Geofile contains the geographic information that is the basis for many decisions in a communications centre. The system needs to provide the ability for an agency to enter and update all Geofile data, including the physical address and the X/Y/Z coordinates.

The Geofile is used to validate and standardize location and address information. It is also used to cross-reference addresses and locations with law enforcement-defined reporting areas, X/Y/Z coordinates, ZIP codes, and other identifiers. The Geofile contains sufficient information to ensure that an address is valid.

Furthermore, it provides cross-references to addresses and locations using common place names (e.g., business names, parks, hospitals, and schools) and street aliases.

It includes information such as direction of travel on particular streets and can identify the side of a street for a specific address. It is assumed that all addresses in the RMS are validated using the system Geofile.

The Time stamps are inaccurate relating to police CAD's Information: -

Inaccuracy's leading to incorrect time stamps contained within the applicant's bundle created by Steve Elsmore on the 13/8/2014.

Clock Synchronization Interface and synchronize all servers and CAD workstations work in Co-Hurst with the Master Time Clock (Net clock). This ensures that each workstation and server provide an accurate time stamp.

Time Protocol (NTP): -

A Network Time Protocol (NTP) server is a reference time server used in a network for the management of precise time to various system devices. The server recognizes all Ethernet devices that request a time source and ensures that the time is distributed properly from machine to machine. In this way every piece of equipment over the network infrastructure with a time display and Ethernet connection will remain uniform and match each other. These servers are internal to a facility and require no breach of a firewall to receive time. When used alone without a master clock, an NTP server solely conveys time to Ethernet devices.

A Master Clock: -

A master clock, on the other hand, does more than convey time to Ethernet devices. It also has the ability to distribute time to multiple different clock systems or retrofit with existing clocks systems through its programmable relays. In addition, a master clock is capable of scheduling various incorporated systems to shut on and off at desired times automatically. All settings of the master clock can easily be configured through an easy-to-use web interface via an internet capable device. Additional functions do not present in an NTP server include Daylight Saving Time changes, 12 or 24-hour formats, and the possibility of adding a countdown feature.

When you put them together?

Aside from their differences, a master clock and NTP server actually have the ability to work with each other to provide an even better timing solution for a given facility. When the two are paired together, the master clock will receive accurate time from the NTP server to distribute to all clocks in its system, while the NTP server will sync all networked devices to the same time it provides for the master clock. Combining both the capabilities of a master clock and an NTP server ensures that every clock, computer, printer, and any other device with an Ethernet connection will display the exact same time, all while having the added features of a master clock.

Real-Time Mapping: -

All aspects of a CAD system must be optimized for rapid response time and system reliability. Since time is of the essence, the CAD system must accurately provide a data and time stamp for every activity. CAD systems collect the initial information for an incident and then provide the information to one or more RMS systems.

Logging: -

CAD will log all actions including security violations and attempted breaches, errors, changes, and updates. Logs should be viewable and searchable by the system administrator.

No CAD voice recordings of the original 999 / 101 calls being made: -

Communications Data Standard Operating Procedure: -

In this document the definition of (CD) will mean Communications Data: -

This Standard Operating Procedure (SOP) establishes procedures that ensures the Police Service of (hereinafter 'Police') manages its acquisition and use of communications data (CD) in accordance with legislation, and the Home Office 'Acquisition and Disclosure of Communications Data' Codes of Practice.

The procedures described in this SOP are founded on the provisions of the Regulation of Investigatory Powers Act 2000, (RIPA) Part 1, Chapter 2 (the Act) which provides a legal basis for the lawful access to CD by public authorities including police forces.

The main purpose of the Act is to ensure that the relevant investigatory powers are used in accordance with ECHR.

The Act requires that human rights principles are followed. Officers must ask themselves the following questions before utilising any of the powers under this Act:

451,

- Is the proposed action lawful?
- Is the proposed action necessary (for a legitimate aim)?
- Is the proposed action proportionate to the crime or incident being investigated (not a sledgehammer to crack a nut)?
- Is the proposed action non-discriminatory?

In **2014**, the Data Retention and Investigatory Powers Act **2014** (DRIPA) was introduced. This was in response to the European Court of Justice (ECJ) judgment of 8th April **2014** which declared a previous Data Retention Directive (2006/24/EC) invalid. DRIPA makes clear that anyone providing a communications service to customers in the UK, regardless of where that service is provided from, should comply with lawful requests made under the Act and requires relevant companies to retain certain types of CD for up to 12 months, so this may later be acquired by law enforcement and used in evidence.

The Acquisition and Disclosure of Communications Data Code of Practice (CoP) was issued by the Home Office and approved by Parliament on 1 October 2007 and subsequently amended on 25 March **2015**. The CoP provides guidance to public authorities on the correct procedures for accessing CD under the provision of the Act. The CoP is deemed admissible in evidence in both criminal and civil proceedings.

Part 1, Chapter 2 Regulation of Investigatory Powers Act 2000 (RIPA) (the Act) defines communication data into three separate types. Number three of three being:

Traffic Data (section 21(4)(a)) – data comprised in or attached to a communication for the purpose of the postal or communication service – incoming call data, cell site / location information, call line identity, and other records. Authorisation

CD may only be sought if a DP believes it is necessary for one or more of the following statutory purposes to which I do ob-claim disclosure towards:

- For the purpose of preventing or detecting crime or of preventing disorder (S22(2) b);

- For the purpose, in an emergency, of preventing death or injury or any damage to a person's physical or mental health, or of mitigating any injury or damage to a person's physical or mental health (S22(2) g);
- To assist investigations into alleged miscarriages of justice (Article 2(a));

Repeat CFS Caller's: -

There is a clear issue contained within the respondent's application for an Antisocial Behaviour Order (ASBO) order in regards to repeat callers CFS, there is a huge number of instances where a duplicate call in the Antisocial Behaviour Order (ASBO) can be identified, the call handler on the dates of the incidents in question must cross-reference the CAD to the original CFS. The calls must be correctly linked for future retrievability but are not and have still been added to the case file by the developing and investigating police officer in such a way that it is hard for any person to be able to clearly define the difference from each suspected victim and I do not understand how this is fair or correct to display evidence in such a way to gain a Proven plea against any citizen of the state.

Disclosure with Regards to the Communications Data Bill: -

Communications Data Bill is the Bill that provides an updated framework for ensuring the availability of communications data and its obtaining by public authorities. It contains standard provisions in respect of, amongst other things, orders and regulations, commencement and extent. The new regime replaces Part 1 Chapter 2 of the Regulation of Investigatory Powers Act 2000 ("RIPA") and Part 11 of the Anti-Terrorism Crime and Security Act 2001 ("ACTSA") and sits alongside the Data Retention (EC Directive) Regulations 2009. The Bill is in three Parts.

452.

Under the Data Protection Act 1988 the Met police are to also obliged to release to the any person information it holds about them or their address on any system including the CAD system and Therefore I request all information requested within this official document of complaint.

For Criminal Cases to Request a Witness: -

(Criminal Procedure Rules, err. 28.3 and 28.4. This form is NOT for use where rule 28.5 (confidential information) applies.)

For Civil Cases to Request a Witness: -

N20 Witness Summons (05.14)

We Request Full Disclosure: -

We request full disclosure of the contents contained in MG6: Case file evidence/information.

We request full disclosure of the contents contained in MG6B: Police officer/staff misconduct records.

We request full disclosure of the contents contained in MG6D: Disclosure schedule – sensitive unused material.

All Cads and any Missing Cads, in Unedited Format: -

The Appellant requests copies from the local council authority environmental teams under the environmental act 1990 this is to disclose any CD relating to a section 80 abatement notice of noise nuisance from amplified music, sighted

within the Antisocial Behaviour Order (ASBO) application in pursuit of the respondent.

In regard to MG9: we request the following Witness to attended court

1. The applicant Needs a Solicitor to help
- 2.
- 3.
- 4.

In regard to MG10: Witness non-availability the applicant requests full disclosure.

We request full disclosure of the police PNB books to all officers sited in events contained in the incidents within the Antisocial Behaviour Order (ASBO) application inclusive of all officers who attended Crown Road and other sited CFS location's addresses.

The Disclosure Process: -

For the purposes of disclosure, "document" means anything on which information of any description is recorded. This includes written material as well as photographs, plans, drawings, and video and sound recordings. Importantly, it also includes any electronic records such as e-mails.

The disclosure process is a statutory duty under the Criminal Procedure and Investigations Act 1996 including Codes of Practice (CPIA). The general rule in English litigation is that the parties should have access to all relevant documents, including those of their adversary. This "cards on the table" approach is also enshrined in the Civil Procedure Rules relating to disclosure.

453.

There is also a Common Law duty on the prosecutor to disclose material before the duty arises under the Act, where it is significant, e.g. a victim's previous convictions or information that might affect a bail decision.

There is also a duty on the police to provide the CPS with information that may mitigate the seriousness of an offence. The investigator must inform the prosecutor as early as possible whether any material weakens the case against the accused.

A party must disclose documents that are, or were in the past, in its control. This means that in addition to having to disclose any documents that are in the actual physical possession of a party, a party must also disclose documents that have been lost or have been disposed prior to litigation. Those documents must be described, and an explanation given of the circumstances in which they were lost or disposed of.

In practical terms, a reasonable search will often involve the retrieval of any relevant files held in a central filing system, by individual staff or from archives or storage, the retrieval of any relevant electronic records and the retrieval of diaries if they are likely to be relevant to any of the issues. The extent of the search which must be made will depend on the circumstances of the case and has to be proportionate to the value of the claim.

When Does the Duty to Disclosure Arise?

Giving disclosure is normally done by each party preparing a list of the documents it is disclosing and serving it on the opposing party. The list of documents must be in a prescribed form and will include the disclosure statement (see below). The list is in three parts:

1. Documents presently in the disclosing party's control which that party does not object to being inspected.

2. Documents presently in the disclosing party's control which that party objects to being inspected.

3. Documents that have been in the disclosing party's control but are no longer the list will give each document a reference number, will specify its date and will give a concise description.

Not everything that is revealed to the CPS will be disclosed to the defence.

Generally, a Prosecutor's duty to disclose unused material to the defence is triggered by: A not guilty plea in the magistrates' court, or: -

- A committal, i.e. the service of evidence in an indictable only case sent to the Crown Court under section 51(1) Crime and Disorder Act 1998 or on **transfer** of a case for trial to the Crown Court.

A person making a false disclosure statement without an honest belief in its truth faces the prospect of contempt of court proceedings. Therefore, it is important that the duty of disclosure is fully understood and complied with.

1.14.4

The duty of disclosure continues as long as proceedings remain, whether at first instance or on appeal.

1.14.5

All of the unused material is revealed to the prosecutor by way of schedules on forms MG6B, C, D, and E

There is an agreement between the CPS and ACPO that crime reports and incident logs will be revealed to the CPS as a matter of routine.

Information must be recorded at the time it is obtained / seized, or as soon as is practicable after that, material must be recorded in a durable or retrievable form.

If it is not practicable to retain the original record, e.g. because it forms part of a larger record which is to be destroyed, the information must be **transferred** accurately to a durable and easily retrievable form. Photocopies are acceptable.

Details of relevant phone calls concerning a case must also be recorded.

Continuing Duty: -

The duty of disclosure continues until the proceedings are concluded. If after serving its list a party becomes aware of further documents that should have been disclosed, it must notify the opposing party by preparing and serving a supplemental list of those documents.

Disclosure Forms: -

1.14.8

There are four different types of disclosure forms as follows: -

454,

1. **MG6B** – This gives details of the discipline record and convictions (if any) of any police officer/member of police staff that is involved in the case. It also includes Penalty Notices for disorder. If no officer/member of police staff has a disciplinary consideration (or conviction) there is no need to put the form on the file, an entry on the **MG6** to this effect will suffice. This form can also be used to declare the convictions/disciplinary matters of employees of other investigative agencies on behalf of whom the CPS prosecutes e.g. UK Border Agency.

2. **MG6C** – The schedule of relevant non-sensitive material will be disclosed to the defence and any material described on it may also be disclosed to the defence on instruction from the CPS. Material that must be listed on the schedule covers all relevant unused non-sensitive material recorded, retained

or generated during the course of an investigation. The exception to this is material seized during the course of a major investigation which has not been examined due to its lack of immediate and apparent relevance to the investigation. This falls outside the CPIA and is not ‘unused material’ but its existence must be recorded on form **MG11** with the appropriate caption, i.e. ‘the following material has not been examined by the investigator or disclosure officer and is considered not to fall within the CPIA definition of prosecution material’. If an item of unused material contains both sensitive and non-sensitive material, it must be listed on the **MG6C** as being an ‘edited version’ or ‘edited’ e.g. a pocket notebook entry containing both the personal details of a witness and the circumstances of the arrest. Block out the sensitive part (witness details) on a copy of the original with a dark marker pen (never white correcting fluid). The original must never be marked. Do not list the unedited version on the **MG6D**.

3. **MG6D** – The schedule of relevant sensitive material will not be disclosed to the defence because it is not in the public interest to do so. You must state the reason why the item should not be disclosed to the defence. For example, details that identify an observation post must not be disclosed to the defence. If there is no sensitive material in a case, endorse form **MG6D** to that effect and submit it with the **MG6C** and **MG6E**. Where you think you have material that is very sensitive, such as information from a covert human intelligence source (CHIS), make contact with the prosecutor who will refer you, as necessary, to the appropriate person for advice.
 4. **MG6E** – Disclosure Officer’s Report. On the **MG6E** the following information must be brought to the attention of the CPS: Material which contains a first description of an offender (Para 7.3 CPIA Code of Practice); or Material which might undermine the prosecution case or assist the defence. The disclosure officer must record on the form the following: Whether the undermining or descriptive information was originally listed on the **MG6C** or **MG6D** the original item number from the **MG6C** or **D**. Briefly, the reason for it being recorded on the **MG6E**, e.g. ‘Contains first description of suspect’, or ‘May cast doubt on reliability of witness’.
- The prosecutor must always inspect, view or listen to any material that could reasonably be considered capable of undermining the prosecution case against the accused or of assisting the case for the accused. The Disclosure officer may need to consult with and allow the prosecutor to inspect the retained material.

Failure to Disclose: -

Any party’s disclosure obligations are governed under the Civil Procedure Rules require it to disclose documents which could be very detrimental to its chances of success, but which the opponent may not know exists until disclosure. This is an onerous obligation, much stricter than that in many other jurisdictions and the extent of these obligations often takes litigants by surprise. In order to ensure that parties comply fully and honestly with their disclosure obligations, the rules provide for very serious consequences where a party fails to comply with those obligations.

Firstly, making a false disclosure statement can potentially put the person making the statement in contempt of court. Secondly, a party’s credibility

will be seriously weakened if it transpires that it has destroyed or failed to disclose a relevant document, whether or not this omission was deliberate. Thirdly, where a party fails to disclose a document which is damaging to its case and a fair trial is no longer possible, its case may be struck out altogether. Fourthly, deliberate destruction of relevant documents is likely to be a contempt of court and may constitute the offence of attempting to pervert the course of justice. Documents damaging a

455.

party's case should not be withheld or destroyed under any circumstances. Finally, where a document was not disclosed, it cannot later be relied on in court except with the court's permission.

It has already been proven and concluded that Steven Elsmore has deleted emails sent to Val Tanner, asking for information as this was stated in the lower court at trial. The applicant knows that for a fact discloser is being held and that disclosure would give credibility to the Appellant innocent.

Preservation of Documents: -

Because of the potential sanctions outlined above, it is important to preserve intact all relevant documents from the time litigation is contemplated. If a party has a routine procedure for destruction of documents, such as the deletion of computer backup files or e-mail, this should be stopped until the documents have been examined by lawyers and confirmed not to be potentially disclosable.

Documents of possible relevance to the pending action must not be destroyed. All persons within an organisation who have responsibility for documents should be made aware of these obligations.

Fraud Act 2006: -

Fraud by failing to disclose information a person is in breach of this section if he:

-

(a) Dishonestly fails to disclose to another person the information which he is under a legal duty to disclose, and: -

(b) Intends, by failing to disclose the information: -

(i) To make a gain for himself or another, or: -

(ii) To cause loss to another or to expose another to a risk of loss

The right to Fair Trial: -

Appellant is asking for a Former Judge to examine the role of police officers, who present the applicant cases of an Antisocial Behaviour Order (ASBO) against himself.

The Appellant is asking for this case to be terminated or dismissed under the grounds of Article 6 of the European Convention of Human Rights, with regards to the Right to a Fair Trial Act 1998.

Which in legal terms, should be the best means of separating the guilty from the innocent and protecting against injustice. Without this right, the rule of law and public faith in the justice system collapse. The Right to a Fair Trial is one of the cornerstones of a just society.

Article 6 the Right to a Speedy and Fair Hearing: -

The applicant declares the right to a speedy a fair trial what is fundamental to the rule of law and to democracy itself.

The right applies to both criminal and civil cases, although certain specific minimum rights that are set out in Article 6 applies only in criminal cases.

The right to a fair trial is absolute and cannot be limited. It requires a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law. The procedural requirements of a fair hearing might differ according to the circumstances of the accused.

The right to a fair hearing, which applies to any criminal charge as well as to the determination of civil rights and obligations, contains a number of requirements and I believe the causes below full within them requirements.

The concept of a fair trial involves fairness to the prosecution and to the public as well as to the defendant: DPP v Makin [2006] EWHC 1067.

Data protection Act 1998: -

456.

<http://www.legislation.gov.uk/ukpga/1998/29/data.pdf>

The Information contained and held on the police Nation computers is not accurate to its information.

Statements of police in the Antisocial Behaviour Order (ASBO) have incorrect information that is being held on the police systems.

Regarding Previous Convictions that should be in respect of the Data Protection Act 1998: -

MG16: Bad character: -

As has: as if to say in a past occurrence of an duration of time and can still: as if in to be explaining to day as present in accordance to the date at the top of this official letter, any person(s) of interest can look inside the case files and openly read a copy of the applicants criminal record otherwise known and named as a "PNC" record, this conferential and official document, Should not be available and is an Abuse of Process as no official MG16 form supporting a Bad character reference has been abused into the Asbo case files.

For this reason, the applicant also reverses his rights of the Rehabilitation of Offenders Act 1974 and states time spent to any convection's.

Any pervious offences contained within do not relate to a similar natured offence such as the respondent has based their case upon.

There is all so an ongoing investigation in relation to errors on his PNC record which are slowly being rectified, there is evidence supplied from the court house in response to the stated ad this will be supplied on request to the relevant persons of interest and there for the applicant does not agree with any records of his criminal record.

MG16: Bad character: -

As has and can also still be seen, is a copy of the applicant's criminal record otherwise known and named as a "PNC" record, this conferential and official document being openly present for any person to read in the Asbo case files is an Abuse of Process as no official MG16 form regarding Bad character supporting a bad character reference has been abused into the case files.

Abuse of Process: -

Abuse of process is defined as something that is so unfair and wrong with the prosecution that the court should not allow a prosecutor to proceed with what is, in all other respects, a perfectly supportable case (Hui Chi-Ming v R [1992] 1 A.C. 34, PC). 'Unfair and wrong' is for the court to determine on the individual facts of each case.

The inherent jurisdiction for the correct to agree to so for them to stop a prosecution to prevent an abuse of process is to be exercised only in exceptional

circumstances: Attorney General's Reference (No 1 of 1990) [1992] Q.B. 630, CA; Attorney General's Reference (No 2 of 2001) [2004] 2 A.C. 72, HL.

The essential focus of the doctrine is on preventing unfairness at trial through which applicant is prejudiced in the presentation of his or her case.

As contained in a copy of the lower court transcripts on the day of trial, while under oath PC Steve Elsmore stated to the district Judge that "Intel would be by open source and checked by an officer but was not done by him." When in fact it is his login that created and printed the applicants bundle, this can be proved by his signature and also by the computer ID log that must be used to print the data and use the (CD) that is contained within the Police National Computer and now has been submitted and is contained with the applicants bundle and is verified at the top of most of the pages or within the Antisocial Behaviour Order (ASBO) application.

PC Elsmore continued to state under oath that he did not carry out any further investigations in regards to speaking to the owners of any premises to fix that of a notice of trespass or conviction or of two as the codes of practice say the main investigating officer must. He stated "I have not personal spoken to the owners of the venue"

457.

PC Elsmore states under oath "There was a rave on an adjoining Road but not on that day." (Please Take Note Here of inspector Hamill stating under oath that he was sure all locations were to do with progress way on this date.)

"Phone calls received were not relating to Crown Rd Rave on that day.

On the day in question phone calls related to this particular rave. (Progress Way)"

Witness 1 – Inspector Hamill –R. O – 11.15 Am

Statement contained in tab 9-lead

DEF XEX

Intel would be by open source, checked by an officer but was not done by me.

The rave was taking place indoors.

I have not personal spoken to the owners of the venue. (No true line of investigation to prove trespass)

I only see the D on the Saturday on the evening of the 7th Saturday. (This was in fact early Hours of the 8th at around 1:00am.)

I did not go inside; the gates were closed.

I did not see any vehicles.

D'S Van registration is known to the police, but I would not personally know.

There were vehicles parked but I did not notice whether defendants van was there.

He was not aware of people squatting in that building at that time.

(Hearsay of officers continues D @ venue but (unreadable text)

Officer (unreadable text) but is Not present here today.)

There was a rave on an adjoining RD but not on that day. (Please Take Note Here of inspector Hamill stating under oath that he was sure all locations were to do with progress way on this date I believe a copy of his PNB book will prove he attended Crown Road on the same date.)

Phone calls received were not relating to Crown Rd Rave on that day. (But are contained within the respondent's bundle)

On the day in question phone calls related to this particular rave. (Progress Way) (A clear example of abuse of power)

A vast number of CADS that are contained within the respondent bundle representing an Asbo application are printed in Pc Steve Elsmore name and as the leading investigator he would know the truth to what has been concealed and how he compiled such intelligence to present any case files.

Contained within them cads printed out by Pc Steve Elsmore is a huge majority of the locations that are retracted in other words (blocked out so no person can see the true locations) This leads to concerns regarding important and relevant aspects of disclosure so for the applicant to be represented at appeal with a fair hearing?)

In fact, crown road is 2 miles away, so quite a far distance from progress way. Also from research that was gained, from newspaper articles and freedom of information requests made to the local council, that where put in pursuit of a search for the truth, about the true on goings for the dates that the applicant stands wrongfully accused of by way of incidents that are compiled in the respondents bundle and that surely do relate to Crown Road and not progress way, determines the right truth by explaining that there was a completely different incidents reported by CFS callers to a house / ware house party or maybe even a rave that took place and police attendance was requested by them members of the public. The freedom of information request applied to and in receipt from the local council, inclusive of additional evidence such as the local newspaper report/ articles have since been adduced into the applicant's defence bundle and served on the prosecution.

to the on goings another house party a five-minute drive from progress way and if not for the grid numbers being not blocked out inclusive of other landmarks such as A&J cars based in Enfield, I would not have been able to prove my innocents in the on-going application leading to an un fair trial.

CAD number 2410 date 08th June 2014 Page number 288 states different CFS callers reporting incidents with the attached land mark of a well-known building next doors to the initial reason for the emergency CFS call, that land mark produces a running company what is named A& J cars Crown Road, Enfield what is a taxi services and is next doors to the crown road party. "The applicants would not have been able to prove his innocence in this case, cad if it was not for A & J cars being left in the context of the emergency 999 / 101 call, CAD, as for sure the developers of the Antisocial Behaviour Order (ASBO) application, when using such information

retracted the true location, giving the intelligence in the cad a fake pretence to be progress way, this is the same for many of the other Cads retracted and contained within the ASBO application.

Termination and a Stay of Proceedings: -

The applicant requests termination of proceedings or a stay of proceedings to be ruled by the court in the ongoing civil proceeding, with immediate effect and in turn terminating or halting further legal process in the Antisocial Behaviour Order (ASBO) appeal. I again ask for the court to subsequently terminate the case or apply a stay and resume proceedings based on events taking place after the stay is ordered.

The Harassment Act 1997: -

The Protection from Harassment Act 1997

The Act was originally introduced to deal with stalking. However, since 1997 it also covers the aspects of conduct, including:

- Harassment motivated by race or religion: -
- Some types of anti-social behaviour: -
- Some forms of protest.

The Act gives both criminal and civil remedies such as two different criminal offences: -

- Pursuing a course of conduct amounting to harassment: -
 - A more serious offence where the conduct puts the victim in fear of violence.
- Harassing any person(s) includes any of the following: -

- Alarming a person(s) or: -
- Causing a person(s) distress.

The key element to be contained within an incident is a negative “course of conduct”, which can include speech, should normally involve conduct on at least two occasions, although there are exceptions to this.

In addition to the criminal offences, a civil court can impose civil injunctions in harassment cases as well as awarding damages to the victim for the harassment.

Section 1 of the 1997 Act states: - that a person must not pursue a course of conduct which “amounts to harassment of another” and which “he knows or ought to know” amounts to such harassment. Such conduct should lead to a criminal penalty (under section 2).

Section 7(2) of the Harassment Act 1997 states, that, “harassing a person includes alarming the person or causing the person distress”. A “course of conduct” is defined in section 7(3) creating an understanding that conduct should be made on at least two occasions.

The definition of a “course of conduct”

Is defined in section 7 of the 1997 harassment Act and makes it clear that the Act protects an individual from collective harassment by two or more people.

The Act provides three possible defences to a charge or allegation of harassment. Where harassment has been proved, the defendant would have to show one of the following: -

1. That the conduct was for the purposes of preventing or detecting crime: -
2. It was pursued under an enactment or rule of law; or: -
3. In the particular circumstances the conduct was reasonable; it is for the courts to decide whether the conduct was in fact reasonable in the circumstances.

Section 2 of the 1997 Act states the following: -

“A person who pursues a course of conduct that is in breach of section 1 is guilty of an offence”.

The offence is subject to a maximum penalty of six months’ imprisonment, or a fine of up to £5,000, or both, and is arrestable. Conduct includes Speech relating towards verbal harassment.

There are three elements of the offence:

459.

- (i) There must be a “course of conduct”, not just a single act
- (ii) It has to amount to harassment.
- (iii) The person must know, or ought to know, that the conduct amounts to harassment.

For the last point, section 1(2) makes it clear that the person should know that the conduct amounts to harassment “if a reasonable person(s) in possession of the same information” would think that it did as well.

Harassment Civil Provisions Section 3 of the 1997 Act: -

Permit's for a person(s) to take civil proceedings in respect of any on goings of harassment. This includes "apprehended" harassment as well as actual harassment.

In such civil proceedings the applicant can or should seek a "non-harassment" order, and/or damages.

Section 3(2) of the Harassment Act provides for damages to be available for (among other things) 'any anxiety caused by the harassment and any financial loss resulting from the harassment'.

Section 3(3) makes the breach of a non-harassment order a criminal offence, punishable in the magistrates' court with up to 6 months' imprisonment, and/or a £5000 fine, or in the crown court with up to 5 years' imprisonment and an unlimited fine.

Noise Abatement Notice Section 80: -

The Councils Environmental Protection Team (EPT) are there to investigate complaints about noise made from certain commercial and licensed premises and events within the Councils boroughs, such as some of the following

- Noise from factories: -
- Industrial units: -
- Construction sites: -
- Shops: -
- Pubs: -
- Clubs: -
- Restaurants and takeaways: -
- Noise from residential student blocks/halls of residence, would generally be referred to the university who own the property: -
- Low level/minor noise problems and/or a one off/isolated report suggesting there is not a persistent problem emanating from Housing or social landlord providers property may be referred to Housing or the appropriate landlord for investigation as a possible tenancy breach.

This includes noise from businesses carrying out construction work on domestic property i.e. Noise from businesses carrying out sandblasting on a domestic property.

Where a reporting person(s) or victim submits a noise report for the first time, the noise and nuisance team will endeavour to contact them to acknowledge their report and provide advice to prevent further nuisance. A noise information pack will be sent to them together with a noise nuisance diary. If consent has been provided by the reporting person or victim a letter will be sent to the accused to advise them an allegation has been received. Highlighting to the accused, a problem they may not have been aware they were causing, may be sufficient to resolve the issue at an early stage.

The noise report will be logged as an enquiry within the services customer relations management system (Siebel) if not already done so, updated and closed until either the noise diary is returned, or further reports/evidence are received.

Copies of any correspondence sent/received will be uploaded on to the enquiry.

Where noise has been witnessed and deemed unreasonable by an Out of Hours team response officer, for the first time, the noise and nuisance team will endeavour to contact the reporting person or victim to discuss the issue and offer advice. (If not previously provided) and consent sought to send a warning letter to the occupier/s at the address where the noise was witnessed.

Reports where noise has been witnessed are always considered on their merits, and a case may be opened, and further enforcement action taken as appropriate. Cases will be opened where noise is deemed a statutory nuisance that could warrant a Section 80 Noise Abatement Notice being served or where noise is witnessed on a second occasion and is deemed a potentially persistent problem. The following evidence may be used to support a noise nuisance investigation, however, does not solely determine what constitutes a statutory noise nuisance. Professional judgement is necessary to decide if the complaint can be considered a statutory nuisance. Evidence, which may be used to support an investigation, includes.

- Noise diaries: -
- Calls to the Council and the Out of Hours service to report that the noise is Ongoing: -
- Visits by officers and Out of Hours service to witness the noise: -
- Witness statements from officers/Out of Hours officers and the reporting Person/victim: -
- Evidence from noise monitoring equipment.

Noise Diaries: -

Noise diaries completed by the reporting person or victim(s) can assist the noise and nuisance team in deciding whether the problem is actionable or reasonable by providing details of.

- The nature of the problem: -
- The frequency, time of day and nature of the noise.

Where an abatement notice is to be served, this should be drafted and served within 7 days, starting with the day on which the relevant officer was first satisfied that the nuisance existed, or was likely to occur or recur.

Where an abatement notice is to be served, this should be drafted and served within 7 days, starting with the day on which the relevant officer was first satisfied that the nuisance existed, or was likely to occur or recur.

MOTIVE – deliberately using noise to cause annoyance or distress, the noise and nuisance team will consider the circumstances under which the noise was witnessed.

- Is the behaviour reasonable?
- Is it intentional?
- Can it be controlled?
- Has the accused failed to comply with a previous request to abate the nuisance?

THE NOISE AND NUISANCE TEAM recognises that there is no set decibel limit that needs to be exceeded for noise to be categorised as a 'statutory nuisance'. Noise that could potentially be a statutory nuisance includes.

- Loud music: -
- Loud TV: -
- Loud parties: -
- Playing musical instruments: -
- D.I.Y at unreasonable hours: -
- Dogs barking for prolonged periods: -
- Cockerels crowing: -

- Alarms: -

By way of example, loud music which occurs every other day for a few hours after midnight is likely to be a nuisance, a cockerel crowing in an urban garden at 5am most summer mornings could be a nuisance and deliberate banging which occurs solely to cause irritation could also be a nuisance.

If the noise and nuisance team need to gain entry to a property to carry out a seizure of noise making equipment or for the silencing of an internal alarm, an application will be made to the Magistrates Court for a warrant to do so.

461.

Where an internal alarm is sounding, and a breach of the notice has been witnessed a warrant is required to gain access to the property in order to silence the alarm and abate the nuisance.

Where it is intended that the noise and nuisance team will be undertaking a seizure of noise making equipment from a property, it is likely that entry would be refused if attending at the property without a warrant. Such action would then make the occupiers aware of the intention to seize noise making equipment, with the potential for items to be removed from the property before officers are able to return with a warrant.

The officer should attend at the court number given or if not given a court number go to the listings office to find the relevant court number. Once in court the officer should present only the application and the 3 warrants to the court clerk. The officer should have the abatement notice, OOH reports, witness statements and any other relevant information in case they are requested by the court. Proceedings will be as follows.

The officer will be sworn in and will then present the application.

- The magistrate will then ask any questions they feel are relevant.
- If the warrant is granted all 3 copies of the warrant will be signed.
- The noise and nuisance team keep the applicant's copy.
- The occupier's copy is left at the seizure/alarm address once the works have been carried out.

The court's copy is returned to the court after the seizure/alarm silencing has taken place with the second page of the warrant completed.

Seizing Noise Equipment (Seizures): -

The Council's principal power to seize noise equipment is contained in section 81(3) of the Environmental Protection Act 1990. The Act states: 'Where an abatement notice has not been complied with the local authority may, whether or not they take proceedings for an offence under section 80(4), abate the nuisance and do whatever may be necessary in execution of the notice'

Following a breach of an Abatement Notice the case officer will discuss with the noise and nuisance team Supervisors/Managers as to whether it is appropriate to send a PACE letter (refer to section 10.0) to the person on whom the notice was served or a letter of intention to prosecute advising that legal proceedings are being considered.

The applicant is now left with the understanding that the Antisocial Behaviour Order (ASBO) application was created in the understanding that by pc Steve Elsmore and other officers acting in such a manner of the claims listed within this document and or by allowing other officers to use his id logging to gain such wrongful and illegal convictions they did do so upon oath to the legal services, new Scotland yard London sw1h bog Reference number L/107087/sag and stated that they was sure that the defendant was responsible for the acts to which

particulars had been given, in respect to the complaints made and developed by them self's which are all concealed within the Antisocial Behaviour Order (ASBO) application, in turn knowingly and deliberately while intentionally misusing his or hers and their powers of conduct, while and with complete disregard for law and associated regulations, to aid in a manner to which was reckless and caused extreme disregard for the applicants and other human life's, creating a breach of many human rights as some are listed within this document in accordance towards the relevant issues of concern in regards to accountably breaches. The rights to respect for each person(s) Human right "Articles" are of fundamental importance. Any invasion of the rights must be strongly justified. All "public authorities" for the purposes of the Human Rights Act 1998, are directly subject to the legal obligation imposed by section 6 of that Act to act compatibly with Convention rights, the state cannot discharge its obligations under ECHR Article 8 in relation to the retention and storage of data.

ASBO is disproportionate: -

The applicant states that the Antisocial Behaviour Order (ASBO) is disproportionate and it prevents him from engaging in lawful business. The Antisocial Behaviour Order (ASBO) prevents the applicant from applying for licenses to hold events within each local council's boroughs, without alerting each individual council of the

462.

offence imposed upon himself, named "The organising of illegal raves" being present as a conviction, as this is relevant to the information required by the local councils as for the nature of the offence.

Any other person(s) would be treated different and would not have to sit on an official special committee at a board room meeting in relation to each different ward licensing that is being applied for due to this conviction, as the applicant now has to do because of the similarity of the offence that is being put towards the application for event licensing.

An Antisocial Behaviour Order (ASBO) order must not be classed as a criminal record as procedure rules and the guidance applied states, but due to the description of the respondent's accusations all rules do not legally comply.

And due to this the applicant has emailed each individual council; ward and was put in receipt information by each relevant department, the official documents raise the issue of concern regarding a statement dated 10/02/2016 what was written by Miss Lorraine Cordell, which a no fault of the applicants own, does not seem to be in the Appellant's Bundle and clearly should have been, which proves the fact that a mutable amount of calls was made by Miss Lorraine Cordell in seeking a response from Local councils and police forces licensing teams, so to obtain information stating weather the Appellant would be able to get licensing for events he wanted to manage, the reply back (please read enclosed statement as exhibit sc1)

The Appellant who is in receipt of the official documents received will state that it has been explained by all councils that whilst he is subject to an ASBO order relating to the entertainment industry he will be prohibited from applying for any entertainment licence and any licence application will automatically fail and therefore this is disproportionate. The applicants mother did an updated statement that is dated 10/02/2016 the reason being due to what was written within the

Skeleton Argument for the Respondent: Page 5 section 20:

"As to the particular prohibitions endorsed upon the applicant and the respondent

stating; significant effort was made by the Respondent and by the court to ensure that any legitimate business activities that the Appellant wished to undertake would in no way be inhibited by this order. For the Appellant to provide recorded music to a gathering of people he would either need to have a licence for that event or to provide the music on a licensed premise for fewer than 500 people with a general licence to play recorded music (sec s.1 and Sch. 1 of the Licensing Act 2003). This order specifically does not preclude him from providing regulated entertainment under the auspices of a valid licence.”

This is a breach of the applicant’s human right as he should not need a licence to play music in private air unless he is charging money with a view of making a profit. Corruption is an enormous obstacle to the realization of all human rights — civil, political, economic, social and cultural, as well as the right to development. The core human rights principles of transparency, accountability, non-discrimination and meaningful participation, when upheld and implemented, are the most effective means to fight corruption. In **2013**, the Human Rights Council requested its expert Advisory Committee to submit a research-based report to the Council at its twenty-sixth session in June **2014** on the issue of the negative impact of corruption on the enjoyment of human rights, and to make recommendations on how the Council and its subsidiary bodies should consider this issue (resolution [23/9](#)). The Advisory Committee submitted its final report on the issue of the negative impact of corruption on the enjoyment of human rights in **2015** ([A/HRC/28/73](#)).

The applicant has designed a business plan, this creates community events leading to an international festival and that sets out clearly the plans for events including marketing, safety, stalls etc and also specifically refers to co-operating with the police. The ASBO prevents such applications from being successful.

463.

The applicant will state that he was never involved in the organisation of any illegal raves as sighted in the respondents bundle and as defined under section 63 of the CJPOA 1994.

The applicant will state “that he was not rude to police but does feel like he cannot even go out for the day, with some of his friends, without getting stopped and searched by members of the police.

42,

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived Burncraft Avenue in temporary accommodation provided Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts

28/11/2016:

Copy of the letter sent to Mr Cordell giving him Until **25/11/16** to remove the CCTV he installed on the internal communal door attached.

22/12/2017/ 10/01/2017: 13/01/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/2016 at about 3.43pm - Mr Cordell banged on his front door while door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply. He stated that the incident was reported to the police, CAD 5753/23 **December 2016** and they were advised to contact the council.

26/12/2016 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone but he continued to swear and shout abuse at them. They then walked away.

3/01/2017 at 10.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him a lying cunt and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims of anti-social behaviour and to see if they rehouse them.

16/01/2017: 16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21 pm on Saturday **21/01/2017** when Mr Corded aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **1/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs Mathiyalagan stated that at about 6.30pm, she was inside her flat with her two-and-a-half- year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise, I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/03/2017: 08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if there are excessive notices from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block. I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him and he ran after me until I turned left into Green Street, as he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it, He alleged that the council is conniving with the police to victimise him and

threatened to put in a complaint. against me. He continued shouting abuse and will not Set me say a word. I then advised him that I will have to terminate the conversation as we were getting nowhere,

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his flat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. I Mr. S Cordell: -- made a phone call to the Enfield Council's supposed to be reasonable persons I spoke to a case handler named Lemmy Nwabuisi. He and his colleges had been harassing my mother with fabricated claims to protect their team members Pat and Steve, whom had both illegally fabricated statements of truth and created a falsified Asbo application against me in pursuit of stopping me by any means necessary from showing the

general public the truth of what they had done, as I can. When on the phone as can be heard I asked Lemmy to go on the computer and check what the last fake allegation is against me and also asked him to provide the date and time, he did do as I requested and because of this I explained to him that the accused allegations were out of the time limit Act 1980, on top of me being an innocent person.

To Whom It May Concern:

I am writing this email to find out who is dealing with my case, I have made phone calls to find out so I can have the paperwork sent to me via this email. I would also like an update as to the bail to return custody record of the

14/08/2016,

as it seems the police officer in charge of that case never started the bail to return custody record of the **14/08/2016**

but yet I was interviewed for this on the

04/10/2016

and charged at 03:15 hours on the

05/10/2016,

this would have been well out of time of the 24 hours' time limit they have as I had already done around 21 hours in custody on the

14/10/2016.

I feel them using the new arrest I was arrested for on the

04/10/2016

not to be correct to have interviewed me for the case of the

14/08/2016,

I would be most grateful if someone could please get back to me with an update and could all the files be sent to me via this email including the custody records for the

14/08/2016

and the

04/10/2016.

I visited Mr Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole fiat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if there are excessive notices from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside

his fiat I then went and knocked at flat 113 but there was no response.

I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. Nearest Relative: Ms Cordell (mother)

Date of this report: 7th November 2018

Who you are and in what capacity you know the patient, how long you have worked with them: My name is Soobah Appadoo

I am a CPN with the above-named team. I have been asked to compile this social circumstance report in support of above-named patient's Mental Health Review Tribunal (MHRT) appeal against his detention under Section 2 of the Mental Health Act. Mr Cordell was admitted on section 2 on the **26th October 2018**.

Mr Cordell was previously under the care of the Early Intervention Team for 3 years. The Early Intervention Team discharged him in June 2018 and at that point he was referred to our team. There is a suggestion on RIO notes that he did not engage well with that team.

I was allocated to Mr Cordell in **August 2018**. We offered him an appointment at his flat on the **31st August**. Mr Cordell rang our office the day before and spoke to me. I informed him that I am his new Care Coordinator. He said that he had been seen for "76 days by his CC"

and there was "nothing wrong with me". He said that the reason we want to see him is to "cover for missing signatures?". He said he "will ruin anyone who come to my house" and he has "recording cameras and audios" to ruin us. He said if you come to my house "I f... ing will scar you for life". He used foul languages throughout this contact. He said that I "can take the f...ing referral and stick it up my a..e". He said that he does not want to see us. I could not interrupt him: very verbally aggressive with pressure in speech". I did manage to say that we are a different team from Lucas House and we want him to have a fresh start- He said "I don't f...ing care"

Further to that the MDT advised that we should assess Mr Cordell in clinic due to the potential risks. We then offered him an appointment on the **28th September** which Mr Cordell did not attend.

66.

Barnet, Enfield and Haringey Mental Health NHS Trust

My report is based on the information which I have extracted from RIO and my telephone conversation with Mr Cordell's mother.

Psychiatric history

On the **16th August 2016** Mr Cordell was admitted to CFH under Section 2 of the MHA. He was discharged on the **27th August 2016**. According to RIO notes Mr Cordell "was arrested at his home address after his mother raised concerns about his mental state - he was allegedly verbally threatening towards his neighbour and (?) neighbour's children. Simon's mother called police who arrested him. He was seen by the FME at Wood Green police station, was then referred for MHA."

He appealed against his Section. The Mental Health Review Tribunal discharged him from Section 2 on the **26th August 2016**.

Leading to current admission

As I stated above leading to this admission Mr Cordell did not attend appointments offered to him by our service. Subsequently due to the allegations made against him I was advised to attend a Safeguarding meeting for an alleged victim. In that meeting I was informed by the Council that Mr Cordell has a past and current history of physical and verbal aggression towards residents in the building. I was informed that the council has tried to work with Mr Cordell but to no avail. I was informed that Mr Cordell was getting easily irritated even by the sound of a flushing toilet; this happened very recently, and he threatened the resident concerned. The Council was of the opinion that these are signs of mental illness and suggested that BEH should proceed with a MHA. The Council argued that this is for the protection of others as well as Mr Cordell's own safety.

Subsequently the council sent us a copy of 'Anti-Social Behaviour, Tenancy concerns and breaches- pre-action letter' which contained a chronology of alleged incidents dating from 2016. These alleged incidents were in the meaning of an antisocial behaviour presentation.

On the **17th October** Mr Cordell was discussed in our MDT meeting. A decision was made to conduct a MHA. A MHA was attempted on the **19th October**. Mr Cordell did not cooperate, and the assessment did not take place.

On the **23rd October** an application for a warrant was made but was declined on the grounds "that there was insufficient recent evidence that he was being "kept under proper control" as he is living alone and "insufficient recent medical evidence that "he is unable to care for himself.

According to RIO, on the **25th October** Mr Cordell was arrested for breaching a harassment order. It was alleged that he was aggressive towards the police and spat at them. He was assessed at the police station. On interview he had pressure of speech, delusions about his

neighbours and the police and housing ganging up against him. He denied drug use. He said that does not have a mental disorder. The

67.

Barnet, Enfield and Haringey

Mental Health NHS Trust

doctors who assessed Mr Cordell found him "hypomaniac, with flight of speech, grandiose and thought disordered"

Forensic history

Nil known.

Risk History

According to the Risk Assessment on RIO notes Mr Cordell had expressed suicidal thoughts in the past. This was related to stress from court cases. The date is not stated in the Risk Assessment. Around that time, he said that he had researched ways of harming himself (poisoning, OD, hanging). He had said in the past that he tried to hang himself aged 16 when he was in a young offender's institute. He had said that he needed resuscitation. He tried to hang himself a second time after he was sentenced by a judge aged 20. He had said that he drank Nitrous Oxide in **2014** with intent to die.

According to his Risk Assessment he was regularly a victim or witness of his father's violent behaviour.

There are recent reports from the Council regarding alleged aggressive behaviours towards other residents. In **June 2018** he was apparently involved in court case with the neighbours who he apparently threatened to harm.

Social circumstances

Personal History

Mr Cordell is single. He has a partner. He has no children. He was born in Enfield and did his schooling in Edmonton. Left school aged 16. He studied and worked in mechanics and road works, electrical and computers after he left school (mother's report)

Views of family

I telephoned Ms Cordell on the 7th November 2018. Ms Cordell told me that neighbours have been "terrorising" his son since 2014 in particular a neighbour on the 2nd floor. Ms Cordell told me that whilst her son is in hospital her nephew has been staying in the flat to look after the dog. The nephew has reported that the occupier on the 2nd floor have been "banging" on the floor. She said that the neighbour then realised that her son is not in the flat when they saw the nephew coming out of Mr Cordell's flat. She told me that since the **26th October** the "banging" has stopped. She said that she has complained about the neighbour herself but thinks these situations are misinterpreted by the council and the mental health services and her son is then seen as the perpetrator and or being mentally unwell. Ms Cordell stated that the sound proofing is lacking, and the noise is real. Other neighbours have made allegations that Mr Cordell has been aggressive towards them. She said that there is no evidence of this; police have seen CCTV and found that her son had not left the flat at the time when these incidents were alleged to have happen. Ms Cordell gave another example in **2016** where it

was alleged by a neighbour that her son had made threats to kill him. She said that the police initially charged her son with making threats to kill; after seeing video evidence they charged him with a 'Public Order Offence'. She said that around the time of this alleged incident her son was in his flat with some friends. Her son was not allowed to his flat and was bailed to her flat where he stayed until **December 2016**. She said that the CPS after seeing evidence dismissed the case a day before the trial. She said that the council has never taken the responsibility to look at evidences; the allegations made against her son (physical assault, letting his dog on the loose) have not been proven. She said that on the 9th August in court the Judge ordered Enfield Council to move her son to a 2-bedroom flat but the Council wants/plans to evict him instead. She said that the Council has no grounds to apply for her son's eviction.

She said that her son has a one bedroom flat. She said that he does not want to live there. She said that he needs a 2 bedroom flat with the plan that his cousin could stay with him to provide emotional support. She said that her son has everything he needs in the flat. She told me that her son is very independent in activities of daily living; his personal care is extremely good; he cooks for himself, maintains the flat and takes responsibility for his bills. She told me that he has no financial difficulties/no debts.

She said that her son has a work history. In **2010** he was planning to set up a business in the entertainment industry. He has also built websites in relation to this. At present he is not in employment. He is in receipt of Employment Support Allowance but needs to make an application for Personal Independent Payment.

I asked her if she thinks her son has a mental illness; she told me that he suffers from stress and anxiety due to issues with the neighbours but does not think he has a mental illness. She said that the judge looked at evidence and did not grant a warrant in **October 2018** for a mental health act to take place at her son's flat.

I asked Ms Cordell if she thinks her son could benefit from support from the community team. She said that he could do with some support but "we should stop labelling him as being delusional as he is not delusional".

After-Care

Potentially Mr Cordell care/treatment would be delivered via the Care Programme Approach. I am the allocated Care Coordinator and he will have a responsible clinician in the community.

My role would be first of all to build a relationship with Mr Cordell as I have only met him on 2 occasions. I will try to motivate him to engage with myself and the multidisciplinary team. As his Care Coordinator I will review Mr Cordell regularly independently and with the Community RC.

We have a Team Clinical Psychologist and it would be vital for Mr Cordell to have some form of talking therapy. This is on the basis of the stress and anxiety that his mother states he suffers from.

We have a Dual Diagnosis Worker in the team who could offer drug counselling if necessary. We have an organisation called 'Remploy' which is funded by the Local Authority.

Potentially they could support Mr Cordell to find work. They meet regularly with clients whilst they are in work and also liaise with employers.

I could support Mr Cordell in making an application for PIP. Alternatively, he could get that support from 'Enfield Well-Being Connect'

The Mental Health Enablement Team could provide support in tenancy management as well as support to access education/training and work.

Opinion and recommendations

I have met Mr Cordell on two occasions only and I have not had the opportunity to assess him in the community. A rapport needs to be established with him.

On the basis of recent events, history of risks to self and alleged risks towards others and taking into account the views of the MDT on the ward I think that he would benefit from a longer stay in hospital. This is in-order for the MDT to assess him comprehensively to determine if he has a severe and enduring mental illness such as schizophrenia/psychosis. If it is determined that he has a severe mental illness then this should be treated accordingly whilst he is in hospital.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a

lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore, and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his

family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to

terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Dear Maeva

Thank you for the reply email is there anyway someone can find out who is dealing with this please, I know Graeme got Kerimk to stand in for the interview but when I asked him, he has said he is not dealing with this as it not his area of law. Jaspal Singh was the person who was at court. I have tried to find out who is dealing with this by phone and email and no one is getting back to us. I really need to know who is dealing with this so I can get an update as to what is going on.

Best Regards

I am not dealing with your son's case in this matter. As you can recall both myself and Graeme Rothwell were unable to represent your son on the day in question as the police were not ready for Interview.

To Whom It May Concern:

I am writing this email to find out who is dealing with my case, I have made phone calls to find out so I can have the paperwork sent to me via this email. I would also like an update as to the bail to return custody record of the 14/08/2016, as it seems the police officer in charge of that case never started the bail to return custody record of the 14/08/2016 but yet I was interviewed for this on the 04/10/2016 and charged at 03:15 hours on the 05/10/2016, this would have been well out of time of the 24 hours' time limit they have as I had already done around 21 hours in custody on the 14/10/2016. I feel them using the new arrest I was arrested for on the 04/10/2016 not to be correct to have interviewed me for the case of the 14/08/2016, I would be most grateful if someone could please get back to me with an update and could all the files be sent to me via this email including the custody records for the 14/08/2016 and the 04/10/2016.

Regards

Simon Cordell

I did not have time and opportunity to ask about Simon's mental state and mood. Or whether or not he is taking medication.

Threats and intimidation (General)

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

Page: 3 of 3

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted

further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on **04/10/2016**, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**.

On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and

shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for

criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of

tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**. when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and

shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise. She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. 06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not

have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Dear Pragati Patel

I believe you are the person dealing with case Ref: PRAGATIP/C091900002/CORDELL, which is due to go to trial on the 17/11/2016. I was wondering if you had been able to get all the papers including the custody records for the 14/08/2016 and the 04/10/2016 and had time to go over them. The reason I am asking the above is due to what happened in the police station. On the 14/08/2016 I arrested for threats to kill and taken to Wood Green police station as Edmonton police station was having some work done to it. The custody record time started at around 20:15 on the 14/08/2016, I was held in detention until the 15/08/2016 where I was found unfit for interview and sectioned under a section 2 of the mental health act. I was bailed to return to the police station at 16:46 on the 15/18/2016, the bail return date was the 04/10/2016 at 14:00 hours. I had made no threats to kill to any persons but by this time I had already been held in custody for around 21 hours, due to being put on a section 2 of the mental health act I was still being held at Wood Green police station as there were no places in hospital, I was taken to hospital on the 16/08/2016 in the early hours of the morning. On the 04/10/2016 I was getting ready to attend Edmonton police station for my bail to return for threats to kill my mother was due to pick me up at around 13:15 hours. At around 12:50 hours the police again came to my home to arrest me I had done nothing wrong, I was arrested and taken to Edmonton Police station the custody record started at around 13:30 hours for this new case I had been arrested for which was for criminal damage. Before I could be interviewed, I had to see doctors to see if I was fit for interview which took around 6 hours. In this time my mother spoke to the custody officer and was told that they had not started the timer for the bail to return for the threats to kill they was running from the new arrest timer of 13:30 hours At around 19:15 hours PC Campbell called my mother to say they were ready for interview, that he had called my solicitors and could she make her way to the police station. When at the police station my mother asked about why the timer had not started for the threats to kill for the 14/08/2016 arrest which I was bailed to return for today at 14:00 hours, PC Campbell said they did not need to start it that they had joined both cases together and now he was dealing with both cases. In interview my mother also tried to get down about the timer and asked my solicitor to add this to the interview. I was charged at 03:15 hours on the 05/10/2016 The problem I have is why the custody record timer was never started for the case of the 14/08/2016 on the 04/10/2016 yet I was still interviewed for this case, they had just around 3 hours left on this timer and would have run out of time within their 24 hours with all the time I was being held before charge. Could you please get back to me about the above as it seems the police are trying to lose around 21 hours of me being held by police on the 14/08/2016, and I would like an update to the above matter?

Would it also please be possible for you to send me the paperwork and statements and custody records for the

14/08/2016 / 15/08/2016 and the 04/10/2016 / 05/10/2016 via this email and give me an update about the trial and if I will need to see you please.

2524.

Regards

Simon Cordell

Dear Sally Gilchrist

Please see attached files and index to add to Simon Cordell Bundle. there could be more files to come as the last time we attended court the solicitors did not attend so the judge ordered then to attend again today. Maybe it would be better if I sent them in the post as I am sure this will have to be sent in more than one email but I will try. There should be 12 attachments could you let me know you have got them please.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of

tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**. when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and

shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise. She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not

have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My dog has eating its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she

had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016:**

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016 at 2:30 pm then we discuss the matter further.**

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

Many Thanks

As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

DIRECTIONS ORDER

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived at Burncroft Avenue in temporary accommodation provided by Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts.

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a

lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his

family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to

terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

04/11/2016 at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

07/11/2016:

I spoke to Sabran Witness Service Highbury & Islington court she advised pre-court trial visit are. no longer arranged directly by them. I will have to go through Citizens Advice national contact centre I she gave me a number however; I was getting no response on the number given 0208 733 6422.1 also called 101 and was given another number 0206 733 5480 - again a voice recording with no one to take the call. I contacted the call centre again and was given another number with on digit difference to the previous 0208 733 6423 Clair Lockwood. A voice recording again I therefore left a message requesting a call back.

08/11/2016:

I tried calling the Witness Care Unit again at Holbom station to no avail -1 then got a call back from police Holbom asking if I had tried to contact them -1 was then put through to Thomas Jones Witness Care Officer — from this point the communicative lines was open for progress. Tom also said the oic is DC Campbell attached to Edmonton Police station. And that he will email him to contact the victim to reassure him.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Dear Mr Cordell,

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour **made against you by your neighbours.**

The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours.

It is also alleged that on 4th November 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged, that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.

It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy. If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a

lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his

family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to

terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Mr Mathiyalagan telephoned to report an incident that happened today **at 11,55am** as his wife was going to pick their daughter from school. He stated that Simon confronted her outside the communal entrance door and said to her that he knows what time she goes out and when she returns and to tell her husband that he wants to speak to him. He also stated that another incident happened on Friday **16/06/2017 at 11.55am** when Simon confronted his wife as was going to pick their daughter from school and accused her of making noise. He stated that Simon also told his wife that he has their bank account and personal details and that she should tell him to pay him money.

26/06/2017:

Mr Mathiyalagan telephoned to report an incident that occurred on Friday **23/06/2017**. He stated that his cousin returned from work at **11.35pm** and as he entered the block, Simon Cordell came out of his flat with his dog swearing and shouting abuse at his cousin and attacked him by punching him twice on the chest. He stated that SC tried to push his cousin out of the block and snatched his cousin's mobile phone as he tried to record the incident, but he managed to get the phone back from him. He stated that SC's dog was also barking loudly and was not on a lead-. Mr M stated that his wife overheard the commotion and woke him up and as they came down the stairs shouting at his cousin and asking what was going on, SC went back to his flat. They called the police and when the police came, they explained

what happened. The police then went and knocked on SC's door to talk to him, but he refused to let them in. He stated that his cousin did not provoke SC in any way and did not do anything to cause SC to attack him.

03/07/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today to report further incidents with Simon Cordell and gave me a DVD recording of another incident.

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

16/11/2016: I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Organisation making referral: Community Safety Unit

History **03/11/2016:**

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016 at 2:30 pm then we discuss the matter further.**

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is

with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Joint home visit conducted with Lemmy. Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own

logs and call the police and the council if necessary.
The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

1st Injunction Order Lemmy / Council History

04/11/2016

Home visit conducted on Friday 4-th Nov 16. And emotional support was provided. At the time Stain Curtis was having problems remembering the timeline of dates pertaining to incidents and said he was quite friendly with Simon Cordell - leading up to current events and was somewhat perplexed as to the sudden change in the attitude of the accused. Mr. Curtis and alleged other residents felt the problem could have something to do with Debra Andrews a resident named she has since moved Mr. Curtis made a reference to Simon Cordell boasting in having something to do with her departure. Stain Curtis was trying to re call events and said it could have been in the month of July, -when Simone Cordell shouted abuse and swore at him and threatened to burn his flat down Mr. Curtis did not call the housing or police to report the threat. His friend, another resident who did not want his name mentioned said that It was on 6th July. Mr. Curtis could not quite remember when the second incident occurred- but said that it was around mid-September. Simon Cordell approached Mr. Curtis outside of side his flat, when Mr. Curtis was on his way to the fields - and threatened. him. A lady called Karen also a resident of Burncroft witness the threat and asked Mr. Cordell to the leave the old an alone with encouragement from other residents – Mr. Curtis called the police a few days after the threat to make a report. Mr. Curtis said the police a lot of police some with riot gear entered his flat with officers posted to the front and rear of the building. They managed to coax Mr. Cordell out of his flat and arrested him. The case. has since been heard in court and Simone Cordell pleaded not guilty. He has been bailed with conditions - to stay away from Mr. Curtis and also not to enter the Burncroft area. Mr. Curtis is required to stand as a witness in court on the 17th Nov **2016**. However, Mr. Curtis is feeling quite anxious and feels there may be reprisals to him giving evidence, I asked Mr. Curtis if he would like me to attend the hearing in support, he said yes, he would not mind. I also visited another resident Christine -to get her account of things. Action Contact the witness service and arrange a pre-court trial visit and other assistance. Possibly arrange transportation on the day of the hearing+ and for the pre-court trial visit. Any other assistance/support we can provide Mr. Curtis

Home visit conducted on

BB1.

Friday 4th Nov 16. And emotional support was provided.

At the time he was having problems remembering the timeline of dates pertaining to incidents, said he was quite friendly with Simon Cordell - leading up to current events - and was somewhat perplexed as the sudden change in the attitude of the accused.

Mr Curtis and other alleged residents felt the problem could have something to do with a resident named Miss who has since moved Mr made reference to Simon Cordell boasting in having something to do with her departure.

Mr was trying to recall events and said **it could have been in the month of July**, when Simone Cordell shouted abuse and swore at him and threatened to burn his flat down Mr did not call the housing or police to report the threat. His friend, another resident who did not want his name mentioned, said that it was it was on

DD.

6th July. Mr A| could not quite remember when the second incident occurred but said that it was around mid-September.

Simon Cordell approached Mr m outside his flat, when Mr | was on his way to the fields and threatened him. A lady called Karen also a resident of Burncroft witness the threat and asked Mr Cordell to the leave him alone.

With encouragement from other residents - Mr called the police a few days after the threat to make a report.

Mr A|the police a lot of police some with riot gear-entered his flat with officers posted to the front and rear of the building. They managed to coax Mr Cordell out of his flat and arrested him.

The case has since been heard in court and Simone Cordell pleaded not guilty. He has been bailed with conditions - to stay away from Mr | and also not to enter the Burncroft area. Mr is required to stand witness in court on the

EE.

17th Nov 2016. However, Mr is feeling quite anxious and feels there may be reprisals to him giving evidence. I asked Mr if he would like me to attend the hearing in support he

said yes, he would not mind. I also visited another resident Christine to get her account of things.
Action Contact the witness service and arrange a pre-court trial visit and other assistance. Possibly arrange transportation on the day of the hearing - and for the pre court trial visit Any other assistance /support we can provide Mr with.

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give

evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday

04/11/2016 at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only

concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Date: 22nd December 2016

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016**.

I will respond to the issues you raised as follows;

1. Anti-Social Behaviour Order

We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.

2. CCTV

We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social

Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. This matter

concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

November 2016

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for

illegal raves etc. I believe he is also a council tenant

History **03/11/2016:**

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is

with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Joint home visit conducted with Lemmy. Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own

logs and call the police and the council if necessary.
The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Also have you now got the other documents for the case of the 04/10/2016 and if so, could these be sent over to us along with any other documents we have not got yet. There is still the issue of the police running out of time for the case of the 14/08/2016, they went well over 24 hours due to how they dealt

with things on the 04/10/2016 when his bail to return was is there any update as to what is happening with this issue, I feel that even when he was arrested on the 04/10/2016 the bail to return could have still have been dealt with while they were looking into the arrest of the 04/10/2016 and only delayed that due to knowing they were going to run out of time and this is the reason they never restarted the timer as they had to wait for doctors to check Simon was fit for interview and this alone took over 6 hours I believe this is why they only ever started the timer for the new arrest of the 04/10/2016.

Dear Lorraine,

We do not have any further statements as of yet, I will continue to chase the CPS for full disclosure. Would it be possible to rearrange the telephone conference with Simon for Thursday afternoon? Something urgent has come up an I now need to leave the office this afternoon. Can we say 3pm on Thursday again and I will have more time to discuss everything with him then.

Thank you

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

Page: 3 of 3

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She

believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Letter of complaint received from Mr Cordell's mother; copy attached.

16/12/2016: 11/01/2017:

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to

SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 04/10/2016, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016. On 11/12/2016, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called

and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me.

Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Dear Courtney

Are there any updates as this is due for trial next week and we still are not sure what will go on and what is needed, have they served any other documents yet?

Does Simon need to do a statement if so, does he have to do one for the date of the 14/08/2016 and then a next one for the

04/10/2016?

Dear Courtney

Please see attached the 2 statements from Simon friends for the date of the 14/08/2016 I am sorry about the delay but my back went and have been in bed for some days so did not get time to scan the statements until today to send to you., could you please let me know if Simon needs to do a statement for himself if so I will get that done today. Also have you now got the other documents for the case of the 04/10/2016 and if so, could these be sent over to us along with any other documents we have not got yet. There is still the issue of the police running out of time for the case of the 14/08/2016, they went well over 24 hours due to how they dealt with things on the 04/10/2016 when his bail to return was is there any update as to what is happening with this issue, I feel that even when he was arrested on the 04/10/2016 the bail to return could have still have been dealt with while they were looking into the arrest of the 04/10/2016 and only delayed that due to knowing they were going to run out of time and this is the reason they never restarted the timer as they had to wait for doctors to check Simon was fit for interview and this alone took over 6 hours I believe this is why they only ever started the timer for the new arrest of the 04/10/2016.

Dear Lorraine,

We do not have any further statements as of yet, I will continue to chase the CPS for full disclosure. Would it be possible to rearrange the telephone conference with Simon for Thursday afternoon? Something urgent has come up and I now need to leave the office this afternoon. Can we say 3pm on Thursday again and I will have more time to discuss everything with him then.

Dear Courtney

- I feel the police are just doing this so the case will be put off on the 17/11/2016 so Simon will not be allowed home again, which is really hard on me as I am having to go to his flat 2 to 3 times a day to sort Simon dog out as I can't have the dog here due to me having cats, is Simon going to be allowed home if this trial is put off due to us not getting the documents as I feel it will be totally unfair if this is the case. PC Campbell is the officer who was dealing with the case for the 14/08/2016 for Threats to kill and when Simon got arrested on the 04/10/2016
- PC Campbell is the one who told me they were joining the cases when he called me to say they were ready for interview and he is the one that done the interview for the 14/08/2016 and the 04/10/2016 cases. PC Campbell is the one I told I had issues with them not re starting the timer for the case for the 14/08/2016. Why is there such a problem with getting the custody records I am sure they are meant to be sent over with the case papers which would show how long Simon was detained on each of the dates. Will this trial go ahead on the 17/11/2016?
- I also still have the pictures of the bike that I took on my phone and the video of the police being at Simon Address on the 04/10/2016 and me telling them that the bike was damaged months before this. Also the case for the 14/08/2016 the police have said Simon only came out of his flat once and that was when he was arrested,

that is not the case Simon tried to come out of his flat 3 times in total I did also take video of this also but I recorded on my phone in time lapse and the 3 videos play really fast and there is no sound which if there was you would see Simon was not the one being rude it was the police. Me and his uncle was both there on this date

Dear Lorraine,

Simon does not need to draft his own statement, that is my job to do from the instructions I took from him the other day. I will get this to you soon. With regards to further case papers, we haven't received anything yet. I have made a request for the custody record however the officer in the case papers as named officer in the case doesn't seem to think he's actually dealing with the matter so I will have to make further enquires in order to obtain it.

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burhcroft Avenue.

3. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006**. I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

4. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. **The matter was referred to the Highbury Corner**

Magistrates' Court on 05 October 2016 where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for 17 November 2016. 6. On 6th August 2016, the Defendant threatened and shouted abuse at Mr and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife,

called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle LN1.

7. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

11. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

12. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, I'm gonna take her job just for fun' referring to Ms Fletcher. A file note

of the incident is at page 34A of the exhibit bundle.

13. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016**. A file note of this incident is at page 37 of the exhibit bundle.

14. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan

were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

15. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

16. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

20. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

21. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

22. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase

the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

24. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the

Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

25. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

26. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

2. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

3. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

4. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday

04/11/2016 at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care
he advised that the CPS have dropped the case of
Curtis v Cordell. Reason - Not enough evidence to

provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Joint home visit conducted with Lemmy. Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

COURT AND HEARING DATE: Highbury Corner

I am writing to inform you that I have today sent a notice to the Justices' Chief Executive, under section 23 of the Prosecution of Offences Act 1985, discontinuing the following charges against you/your client:

Section 4 POA and Criminal damage

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016 at 2:30 pm then we discuss the matter further.**

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

I spoke to Sabran Witness Service Highbury & Islington court she advised pre-court trial visit are. no longer arranged directly by them. I will have to go through Citizens Advice national contact centre I she gave me a number however; I was getting no response on the number given 0208 733 6422.1 also called 101 and was given another number 0206 733 5480 - again a voice recording with no one to take the call. I contacted the call centre again and was given another number with on digit difference to the previous 0208 733 6423 Clair Lockwood. 16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017**.

It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**.

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regards to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advise via this email, I have also included a letter of authority from my son so I can act on his behalf. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is impossible as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated.

When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

2014 and 2015

2013 to 2015

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on

behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.

After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down. I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about **my son**.
- I would like information as to how to appeal about removing my CCTV camera, and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards

Miss Lorraine Cordell Mr Simon Cordell

To Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done.

I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.

The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed and I still am making calls to try and address this issue with no one calling me back.

My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.

It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen.

Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view M she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

"4/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Mr Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ **24/11/2016**

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**

It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017.**

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what

this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regards to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advice via this email, I have also included a letter of authority from my son so I can act on his behalf. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated.

When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said

it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.

After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about **my son**.
- I would like information as to how to appeal about removing my CCTV camera, and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards

Miss Lorraine Cordell Mr Simon Cordell

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

16/11/2016:

I received a call from Thomas Jones - Witness Care
he advised that the CPS have dropped the case of
Curtis v Cordell. Reason - Not enough evidence to

provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Joint home visit conducted with Lemmy. Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

Disrepair!

I treat the council officials with respect in the believe that they must act in a natural manner when dealing with incident relating to their clients but they act Inferior with bios decisions against me, resulting in no logic or fair gain at the conclusion of incidents, once put in receipt of true official evidence and this is at my loss of life without any wrong doings from myself!

BB.

Home visit conducted on

BB1.

Friday 4th Nov 16. And emotional support was provided.

At the time he was having problems remembering the

timeline of dates pertaining to incidents, said he was quite friendly with Simon Cordell - leading up to current events - and was somewhat perplexed as the sudden change in the attitude of the accused.

Mr Curtis and other alleged residents felt the problem could have something to do with a resident named Miss who has since moved Mr made reference to Simon Cordell boasting in having something to do with her departure.

Mr was trying to recall events and said **it could have been in the month of July**, when Simone Cordell shouted abuse and swore at him and threatened to burn his flat down Mr did not call the housing or police to report the threat. His friend, another resident who did not want his name mentioned, said that it was it was on

DD.

6th July. Mr A| could not quite remember when the **second incident occurred** but said that it was around **mid-September**. Simon Cordell approached Mr m outside his flat, when Mr | was on his way to the fields and threatened him. A **lady called Karen** also a resident of Burncroft witness the threat and asked Mr Cordell to the leave him alone.

With encouragement from other residents - Mr called the police a few days after the threat to make a report.

Mr A|the police a lot of police some with riot gear-entered his flat with officers posted to the front and rear of the building. They managed to coax Mr Cordell out of his flat and arrested him.

The case has since been heard in court and Simone Cordell pleaded not guilty. He has been bailed with conditions - to stay away from Mr | and also not to enter the Burncroft area.

Mr is required to stand witness in court on the

EE.

17th Nov 2016. However, Mr is feeling quite anxious and feels there may be reprisals to him giving evidence. I asked Mr if he would like me to attend the hearing in support he said yes, he would not mind. **I also visited another resident Christine** to get her account of things.

Action Contact the witness service and arrange a pre-court trial visit and other assistance. Possibly arrange transportation on the day of the hearing - and for the pre court trial visit Any other assistance /support we can provide Mr with.

32. On 6th August 2016, the Defendant threatened and shouted abuse at Mr and Mrs

Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle LN1.

33. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016**. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

34. On **27th September 2016**, Mr Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

35. On **28th September 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

36. On **11th November 2016**, my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

37. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

38. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard

saying to his mother, who was present with him, 'I'm gonna do her over, I'm gonna take her job just for fun' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

39. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle LNI. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given

CAD 5753/**23 December 2016**. A file note of this incident is at page 37 of the exhibit bundle.

40. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

41. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

42. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

43. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

44. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

46. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

47. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

48. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were

trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

50. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the

Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

51. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

52. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

53. On **12th July 2017**, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

h. The Defendant is in breach of the following conditions of his tenancy agreement;

i. **Condition 10** - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

5. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016**.

The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

6. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

7. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Home visit conducted on Friday 4-th Nov 16. And emotional support was provided. At the time Stain Curtis was having problems remembering the timeline of dates pertaining to incidents and said he was quite friendly with Simon Cordell - leading up to current events and was somewhat perplexed as to the sudden change in the attitude of the accused. Mr. Curtis and alleged other residents felt the problem could have something to do with Debra Andrews a resident named she has since moved Mr. Curtis made a reference to Simon Cordell boasting in having something to do with her departure. Stain Curtis was trying to re call events and said it could have been in the month of July, -when Simone Cordell shouted abuse and swore at him and threatened to burn his flat down Mr. Curtis did not call the housing or police to report the threat. His friend, another resident who did not want his name mentioned said that It was on 6th July. Mr. Curtis could not quite remember when the second incident occurred-but said that it was around mid-September. Simon Cordell approached Mr. Curtis outside of side his flat, when Mr. Curtis was on his way to the fields - and threatened. him. A lady called Karen also a resident of Burncroft witness the threat and asked Mr. Cordell to the leave the old an alone with encouragement from other residents – Mr. Curtis called the police a few days after the threat to make a report. Mr. Curtis said the police a lot of police some with riot gear entered his flat with officers posted to the front and rear of the building. They managed to coax Mr. Cordell out of his flat and arrested him. The case. has since been heard in court and Simone Cordell pleaded not guilty. He has been bailed with conditions - to stay away from Mr. Curtis and also not to enter the Burncroft area. Mr. Curtis is required to stand as a witness in court on the **17th Nov 2016.**

However, Mr. Curtis is feeling quite anxious and feels there may be reprisals to him giving evidence, I asked Mr. Curtis if he would like me to attend the hearing in support, he said yes, he would not mind. I also visited another resident Christine -to get her account of things. Action Contact the witness service and arrange a pre-court trial visit and other assistance. Possibly arrange transportation on the day of the hearing+

Dear Jean,
We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016:**

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016 at 2:30 pm then we discuss the matter further.**

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

I received a call from Thomas Jones - Witness Care
he advised that the CPS have dropped the case of
Curtis v Cordell. Reason - Not enough evidence to
provide a realistic prospect of any conviction. In
further discussion Thomas said DC Campbell was of
ill - has now returned; however, he said he will
contact Mr Curtis in relation to the current position of
the matter. I asked Tom if the CPS will be writing to
Mr Curtis directly - he said they should to advise
accordingly. Tips given to report further incidents

him to leave Mr Curtis alone, that he is an old man.

Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

Mr Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ **24/11/2016**

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was

granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017**. It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**.

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regards to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advise via this email, I have also included a letter of authority from my son so I can act on his behalf. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposible as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated.

When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

2014 and 2015

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.

After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.

- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.

- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.

- I would a full report of any police reports that have been given to Enfield Council by the police about my son.

- I would like information as to how to appeal about removing my CCTV camera, and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards

Miss Lorraine Cordell Mr Simon Cordell

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated 24th November 2016 copies of which were received via email on 24th November 2016, 5th December 2016 and 8th December 2016.

I will respond to the issues you raised as follows;

1. Anti-Social Behaviour Order

We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on 4th August 2015 against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.

2. CCTV

We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on 18th November 2016 giving him until 25th November 2016 to remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on 29th November 2016 by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since 4h August 2015 and found two records of telephone complaints received from your son. One on 20h August 2015 and

again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His

eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted. Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Dear Mr. Cordell,

Re: CCTV camera at inner communal/fire door.

It has been brought to my attention that you have fitted a security camera into the inner communal/fire door on the ground floor of our building. This is in breach of tenancy conditions as it has been fitted without permission. Please arrange for the camera to be removed by Friday 25th November **2016**. Failure to remove the camera by this date will result in the Council arraigning for the removal of the camera and carrying out any necessary repairs to the structure of the building for which you will be charged and we may take action against you for breach of tenancy conditions Please contact me on or before 5.00pm on Friday 25th November 2016 to advise that the camera has been removed or we will proceed with the action as advised above.

Yours Sincerely

Sarah Fletcher Enfield Council

Subject: complaint against police

Good afternoon Lorraine,

Apologies for missing your telephone call. I am aware that the IPCC have directed a re-investigation into Simon's complaints. I moved to a different unit within the Directorate of Professional Standards a number of months ago and so this case will be assigned to a different investigating officer (IO). There does not appear to be a new IO assigned at this time but as soon as an officer receives the case, they will establish contact with you and discuss how they intend to proceed. Please be assured that an officer will be in touch with you in due course.

Regards

Jeanette

Mr Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ **24/11/2016**

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**

It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**.

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regards to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advise via this email, I have also included a letter of authority from my son so I can act on his behalf. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is impossible as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated.

When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to

arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

4.

2014 and 2015

2013 to 2015

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.

After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about **my son**.
- I would like information as to how to appeal about removing my CCTV camera, and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards

Miss Lorraine Cordell Mr Simon Cordell

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016**.

I will respond to the issues you raised as follows;

1. Anti-Social Behaviour Order

We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.

2. CCTV

We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. R

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

Page: 3 of 3

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**.

On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You

know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances

from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

Sarah Fletcher from the council claims that on

22nd November 2016

during a telephone conversation between you, Mrs Cordell your mother and Ms. Sarah Fletcher, neighbourhood officer, Ms. Fletcher reported that she overheard you threaten her by saying 'I'm going to do her over' and then I' am going to take her job just for fun'.

This is a copy of the Council's memo of a telephone call on that day: --

I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was **transfer**red by the customer services team informing me that Mr. Cordell wished to discuss his housing option show to move. I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as these belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case, I responded that I could not comment on other cases, but my position remains as per the letter I sent That the camera was in breach of tenancy conditions, was invasive of the privacy of other residents in the block as it points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake, so it didn't need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full and it was difficult to get a word in because he was so worked up so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about the previous action

taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 1 1 yrs. ago by being given points. I explained that a **transfer** was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy, but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in

2015

Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I am gonna do her over" and then "I am gonna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

Sarah Fletcher

Neighbourhood Officer.

It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort family and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at Home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

They gave me an eating disorder by this stage: --

After speaking to many friends and family who have witnessed the on goings of torture committed by 117, 111 and 113 Burncroft avenue inclusive of Carron Dunno 000 or either having it explained to them with the evidence I had present and provided, the general return of reply of them decent people, was to approach my housing officer and ask him or her for a fresh start, by way of adding points for an emergency move to a new safe home, I chose to take the good advice given to me at the time and to then make a phone call to them and this is what I did, this can be proved by my mother's phone bill and corresponding emails also the council officials own correspondent that I claimed in a subject access request being granted to me from, when I requested it prior. To me somebody had got themselves into trouble and for once it had not been me, I could no longer do a lot with my company, so it started to suffer a lot and I lost loads of contracts, I definitely had started to get fed up with trying so hard, this was due to the bail conditions that I had got imposed, too, I felt sick in knowing that I had done nothing wrong, so I understood that by me actually being put under these conditions, that they had changed my life for the worse, I assume it would be fair for me to say, that at this moment in my life everything had changed in it a lot and this was at no fault of my own, it was because of them.

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was

not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017**. It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**.

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regards to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advise via this email, I have also included a letter of authority from my son so I can act on his behalf. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is impossible as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated.

When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.

After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down. I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about **my son**.

- I would like information as to how to appeal about removing my CCTV camera, and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/2016 which was received on the 01/12/2016.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until **now 2016**.

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016**, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007 he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016**.

It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?

My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.

I have already put an appeal in my formal complaint dated the **24/11/2016** in regards to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed?

Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016**.

To Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done.

I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.

The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed and I still am making calls to try and address this issue with no one calling me back.

My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son health is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.

It does not seem to matter that my son's health is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until now **2016**.

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

“Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016**, you banged on your ceiling and you later started to bang and kick at your neighbour’s door. It is alleged that you were very aggressive and was shouting through your neighbour’s door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up”.

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

“It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours”.

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in **1999**, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** he had the same dog, when she **passed away in 2007** he got a new **dog same bred and since 2006** there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell’s dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006**, until now **2016**.

It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them? My son’s dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.

I have already put an appeal in my formal complaint dated the **24/11/2016** in regards to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not **acted on in 2013** when it was installed? Why has it taken **them until 2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, **as since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will **incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.**

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016 this has not been done with your letter why?**

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016.**

Telephone call received from Mr Cordell **22.11.16**

I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr Cordell wished to discuss his housing options/how to move. I took the call - he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as this belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case. I responded that I could not comment about other cases but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive to the privacy of other residents in the block as it points at the outer communal door and should be removed by **Friday 25th November** or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake so it didn't need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full and it was difficult to get a word in because he was so worked up so I let him relay the

information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 11 yrs ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy but that I needed to know whether we had written permission from Mr Cordell for us to speak to her - she said that there was a written note recorded on our files in 2015. Mr Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr Cordell say angrily and aggressively "I'm gonna do her over" and then "I'm gonna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

55. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006**. I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

56. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. **The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016**. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1**.

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

63. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

65. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

72. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

73. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

74. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

75. On **24th February 2017**, the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant's property following reports of low water pressure in the

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

76. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

77. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block

without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

78. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

79. On **12th July 2017**, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

9. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

10. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the

Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Telephone call received from Mr Cordell

22/11/2016

I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr Cordell wished to discuss his housing options/how to move. I took the call - he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV

camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as this belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case. I responded that I could not comment about other cases but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive to the privacy of other residents in the block as it points at the outer communal door and should be removed by **Friday 25th November** or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake so it didn't need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full and it was difficult to get a word in because he was so worked up so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his

case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 11 yrs ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy but that I needed to know whether we had written permission from Mr Cordell for us to speak to her - she said that there was a written note recorded on our files in 2015. Mr Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr Cordell say angrily and aggressively "I'm gonna do her over" and then "I'm gonna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

Sarah Fletcher neighbourhood officer from the council claims that on 22nd November 2016 during a telephone conversation between her, myself and mother that she overheard me threaten her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'.

This is not true

The reason that it is not true is because what has now been stated to have occurred is more than just misinterpreted information of the so called Mid – day event.

The Council's memo of a telephone call on that day:

Is forged and therefore incorrect and is not supported by self and mother to be true facts that have been documented with a fair process by the statement maker. The context contained within side the statement had been fabricated so to support the claimants claim.

While also set out to avoid disciplinary action for the statement makers and hardworking colleague's incompetence leading to negligence and gross misconduct, set out against myself and then on afterwards having a negative effect also within my loved one's life's.

All what has been achieved by the Enfield Council since the start of my official complaint to themselves has gotten managed with criminal intention to put I in harm's way

From the of start of themselves handling my case load of an official work load.

Sarah Fletcher as mentioned whom once was a neighbourhood officer who did work in collaboration with the Enfield Council, states that she received a call from Mr. Simon Paul Cordell

Whom is an Enfield secure resident within his housing tenancy that is attached to the address of 109 Burncroft Avenue at around the time of Mid – Day: 01:20Pm?

The time that Sarah Fletcher states she received the phone call is incorrect but not by far even low it is still 100% incorrect. I and my Mother am sure of this as we cared very much so when deciding to make the phone call to my housing officer that we both documented down all relevant information accurately.

When doing so we noted down the precise time of 01:04Pm

I did get **transferred** by customer services when making the phone call to my housing officer about the way I was getting victimised, this did not take too long.

Once on the phone to Sarah Fletcher I started to explain to her a shorted down list of emergency issues that I was having while renting my home.

1. That my mother had been contacting her and her team, while also contacting other official persons with relevance since the date of 00/00/2015

And this had continued up a till date and without any fair follow up's as company protocol states is mandatory.

And due to this lack of concern I had continued to suffer for a much further time frame than ever would have been if her and other persons jobs were followed correctly.

t/c I spoke with Simon and for the majority of the time he dominated the conversation. He spoke extensively about his cases and gripes with Police. He told me that he did not need EIP service. He said he was not willing to take medication and or work with team. I informed Simon that if that was the case, he will be discharged from the team. I then spoke with his mother Lorraine and explained that apart from medication Simon could benefit from regular contact with myself to monitor his mental health and psychiatrist for review. He could have psychology input if interested and other activities on offer from EIP.

Subject: **RE:** Simon Cordell Reply to email

Dear Alev Cazimoglu

Thank you for the updated email, there does seem to be some misleading information within it. My son wanted to stay voluntarily in hospital and he was willing to do this, but due to the doctors not getting the section 3 they wanted, they then discharged my son the following day with no support in place because they needed the bed.

Yes, my son does have a care coordinator

(Soohah [Appadoo](#), North Locality Team)

when my son was discharged Soohah [Appadoo](#) did not know he was not on duty that day so therefore knew nothing about it, the next day I called him and he said for me to try to get my son to see him which I am doing, but at this time with my son left in that flat it is not helping at all due to what the neighbours are doing, it also seems every time I send any emails they are not replying to them. I have never said my son needed supported accommodation not even in court due to the fact I know my son would not accept it. What I did say to the Judge

was that I feel due to my son health a 2 bedroom would be better that way family can stay with him and help him. So, I do not know where Enfield Council is getting, I have asked for supported accommodation as I never have and I have also never said I was his carer. I also have emails I have sent to Enfield council stating this. As I have said I have written to the Judge and I am addressing things as Enfield Council is misleading people, and this needs to stop. I have all the emails and reports and letters to prove what I am stating. Enfield Council has had since the

09/08/2018

to move my son yet they have not there was no reason why Mr Cordell not to have been moved. And I see by the replies there does not seem to be anything regarding moving my son still if Enfield Council was going to move my son why have they not said this in any of their replies to you?

It seems to also state that there were not possession proceedings to be commenced regarding Mr Cordell by Enfield Council, so why do I have the emails from Ludmilla Lyavoo, Solicitor Corporate Team, Legal Services, Enfield Council, Silver Street, Enfield, EN1 3XY stating "Finally I would refer to the letter before claim/warning letter which was sent to you on Monday

15th October 2018

Mr Cordell has clearly breached the warning. We are now instructed to commence possession proceedings." Dated

18/10/2018

Maybe Enfield Council is not aware of the emails I have but there is misleading information coming from somewhere. Even in court Enfield Council was misleading the judges regarding my son's health, and since the court case of the

09/08/2018

not once has Enfield Council been bothered to see if my son is ok, why is it because they never wanted to help?

Not once since

2015

has Enfield council asked my son's side to anything regarding what the neighbours are doing, they have just done what they wanted and time after time said there was no contract from us to the courts and my son did not have any health problems, well I do have every email and letter and on the

09/08/2018

the judge saw this and told me to keep everything.

2564,

Where has Enfield duty of care been since

2014

as there has been none, Enfield Council just done what they wanted went one sided and never wanted to hear anything we had to say. Is this the way duty of care is meant to be to a valuable person?

As for my son believing that Enfield Council is against him and the police are also this is not a lie. show me anything Enfield Council has done to help my son I don't think Enfield Council would be able to show anything as all they have done is believed what they wanted without once looking at anything my son has to say or the evidence my son has got Enfield Council has been told time and time again we have got evidence yet what have they done nothing. Enfield Council even called me a liar regarding what I said I have sent them. Called me a liar about my son's health. Seems we are liars to Enfield Council and that is what Enfield Council wants to think.

Show me out of the around 280 calls made to the police by my son regarding the neighbours and what they were doing begging for help how many times did the police come out to my son to even try and help let me see 3 or 4, yet wow when the neighbours call the police are out in force, if it was not for the CCTV in my son's flat and being able to show the police my son had not left his flat my son would be in prison now, and when we ask the police to do anything regarding the proved calls from the neighbours where false they done nothing. My son was meant to have had a neighbourhood police officer setup for him more than once yet nothing come of that, even the call I had with Borough Commander Chief Superintendent Helen Millichap and she said she would sort it and get one it has never happened she was even meant to have got back to me but never has, that was in

July 2018

but I have heard nothing since. Enfield Council sending so much information over to the Mental health team, why please tell me why as it was all to keep my son in hospital so they did not need to do anything to help. Enfield Council has the power to ask Adult social service to get involved yet they failed to even do that. Why has my son not gotten a social worker yet my son is meant to be this bad person?

Where has all the help been because as far as I see every government, body has just turned their backs on us, it did not matter how much we asked for help nothing was done yet there was this valuable person living in hell yet nothing was done. I have tried so hard and begged for help yet I am still sitting here without any help writing to everyone to try and get some help. As the judge said to Enfield Council on the 09/08/**2018** take responsibility, more than once, but even that is too hard for Enfield Council to do. I would also like Lemmy Nwabuisi taken off dealing with anything related to my son and have nothing do with my son again, as he has failed in his job to investigate anything my son or I had to say regarding anything. When is my son going to be moved from the hell, he is living in can Enfield Council reply to that?

And in the meantime, I will be working with the court to get the information and maybe some help of advice on what to do next. Please do not show this email to Enfield Council or anyone that will pass it over to Enfield Council.

Regards

2565,

Lorraine

Hi Alev

Further to your enquiry regarding Simon Cordell. Please see the update below from Debbie Morgan. SC was discharged from hospital on

15/11/2018

having been detained under the Mental Health Act for the purpose of assessment of his mental health. SC did not believe he required to be in hospital or wish to accept the proposed treatment that was offered. As there is insufficient grounds or risk for further detention or to take any further intrusive measures against his will, he has been discharged. SC does not believe he has a mental illness that requires him to take treatment or to maintain on-going engagement with mental health services. He appears disappointed with services in which he perceives to have received from both housing and metropolitan police believing he is being targeted for things he has not done. His assessment has not elicited he has care needs warranting supported accommodation or a package of care to sustain independent living as he can be adequately supported through universal services. He presents with adequate daily living skills and can live in general needs housing. He appears to be young man who has **2566,**

particular beliefs, which may lead to him having differences in opinion with others, which may impact on relationships with others; particularly those in positions of authority. His mental health/psychological state therefore remains fragile; however, the risk is not such that he can be forced to engage with services. He was offered follow-up by mental health services in the community to which he declined, although agreed the he can be contacted by nurses from the ward to check on progress following discharge. He has been allocated a care coordinator

([Sooah Appadoo](#), North Locality Team - 0208 379 4142)

who will continue to try to engage him to build a relationship?

SC describes his main presenting need to be that of his relationship with particular neighbours within his block, whom he believes to be intentionally causing him a nuisance by way of making noise, and reports feeling disbelieved and unfairly treated by the housing department and police. He therefore wants to be moved from his current accommodation. His mother approached the ward Consultant for a supporting letter to provide to housing for a 2-bedroom property citing she is his main carer. As there is no evidence to suggest SC requires to be looked after due to having care needs requiring a live-in carer her request was declined, she was advised to suggest housing put their request in writing should this be housing's request. Mental Health would support relocation to alternative accommodation to reduce further tensions between the residents within the block. Hi mother advised that SC has/or is in the possess of eviction, and that he was discharged from hospital with no support which does not seem to be the case. Support has been offered which has been declined, and will continue to be offered to assist in managing the current situation or avoid and/or mitigation a situation of eviction.

t/c I spoke with Simon and for the majority of the time he dominated the conversation. He spoke extensively about his cases and gripes with Police. He told me that he did not need EIP service. He said he was not willing to take medication and or work with team. I informed Simon that if that was the case he will be discharged from the team.

I then spoke with his mother Lorraine and explained that apart from medication Simon could benefit from regular contact with myself to monitor his mental health and psychiatrist for review. He could have psychology input if interested and other activities on offer from EIP.

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment,
Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour,
intimidation, harassment and threatening behaviour made
against you by your neighbours.

I wrote to you on **29th November 2016** regarding these
reports you to meet with me at the Civic Centre on **5th
December 2016** to discuss the allegations made against you,
copy attached. I received a letter from your mother dated
24th November 2016 in which she stated that she does not
believe that it is justified to hold the meeting before your
formal complaint and subject access request is dealt with. I
understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social
Behaviour Team have continued to receive various
allegations from your neighbours against you concerning
alleged nuisance and anti-social behaviour towards them.

The allegations include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation, making threats towards your neighbors and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 2pm on

Thursday, 9th February

Mr Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ **24/11/2016**

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017**. It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**.

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regards to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advise via this email, I have also included a letter of authority from my son so I can act on his behalf. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated.

When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it

seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.
I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.

After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.

- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.

- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
 - I would a full report of any police reports that have been given to Enfield Council by the police about my son.
 - I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.
- Regards
Miss Lorraine Cordell Mr Simon Cordell

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/2016 which was received on the 01/12/2016.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until **now 2016**.

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016**, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007 he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016**.

It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?

My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.

I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016.**

To Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done.

I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.

The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.

My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son health is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.

It does not seem to matter that my son's health is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016**.

I will respond to the issues you raised as follows;

1. Anti-Social Behaviour Order

We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.

2. CCTV

We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

1

2016

4th October 2016

The Enfield Councils History
FOI Indexed

Mr Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until now **2016**.

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

“Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016**, you banged on your ceiling and you later started to bang and kick at your neighbour’s door. It is alleged that you were very aggressive and was shouting through your neighbour’s door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up”.

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

“It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours”.

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in **1999**, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** he had the same dog, when she **passed away in 2007** he got a new **dog same bred and since 2006** there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell’s dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006**, until now **2016**.

It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.

In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them? My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

as since 2014

The Enfield Councils History FOI Indexed

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.

I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not **acted on in 2013** when it was installed? Why has it taken **them until 2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in

the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, **as since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will **incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.**

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated 24/11/2016 this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016**.

24/11/2016

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held Jan **2017**. It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help. My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**. The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police. There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advice via this email, I have also included a letter of authority from my son so I can act on his behalf.

I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act. On the 14/08/**2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

2570.

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is impossible as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has

been for some time now due to how he is being treated. When he was arrested on the 14/08/2016 my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the 04/10/2016 when he was due to go back to the police station to be interviewed. On the 04/10/2016 my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home. Both cases for the 14/08/2016 and the 04/10/2016 were dropped by the CPS this was done on the 15/11/2016 with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested. My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out. On the 16/11/2016 I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me. Since the 16/11/2016 I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the 21/11/2016 and I was told that Sarah Fletcher would 100% call me that day. On the 22/11/2016 I went to my son's home and there was a letter from Sarah Fletcher dated the 18/11/2016 which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the 14/08/2016 when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the 25/11/2016 or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her. I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later. When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

2571.

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield

Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbors. After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems. Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down. I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Re: Formal Complaint 08/12/12/016

To Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done. I know Formal Complaints are ongoing regarding letters written on the 24/11/2016 and 05/12/2016 but I feel I have known option but to again write a new Formal Complaints dated 08/12/2016. The last time we spoke to someone regarding moving my son was on the 22/11/2016 after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/2016 sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back. My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing. I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer. It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son. When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since 2014 with my son's neighbours and what they are doing to him. It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done. I would like someone to email me via

lorraine32@blueyonder.co.uk

with what is being done to help my son, I would like an update today as so far, I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Mr Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/2016

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter. I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/2016 which was received on the 01/12/2016. I am not sure if you are

aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to. The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the 06/12/2016 at 14:00 hours at Enfield Civic Centre. I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated 24/11/2016, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate. I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO. However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated 29/11/2016. There has been complaints put into Enfield council since 2014 about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing. Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

2576.

Mr Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until now 2016. You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done. "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up". At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

"It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours". Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re

Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected. When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007 he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me. Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal. Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since 2006, until now **2016**. It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?

My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

2577,

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".

I have already put an appeal in my formal complaint dated the 24/11/**2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the 14/08/**2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the 22/11/**2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted on in **2013** when it was installed? Why has it taken them until **2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door. It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as since **2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this. Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

2578.

Mr Daniel Ellis has said that my formal complaint should be addressed by the 14/12/**2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner. I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter. I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated 24/11/**2016** this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@blueyonder.co.uk or my address which is included in the letters dated 24/11/**2016**.

Mr Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/2016

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held Jan **2017**. It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help. My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**. The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police. There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advice via this email, I have also included a letter of authority from my son so I can act on his behalf. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act. On the 14/08/**2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

2582,

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is impossible as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated. When he was arrested on the 14/08/**2016** my son was held in the police station sectioned under the mental health act and

could not be interviewed so was put on bail until the 04/10/2016 when he was due to go back to the police station to be interviewed. On the 04/10/2016 my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home. Both cases for the 14/08/2016 and the 04/10/2016 were dropped by the CPS this was done on the 15/11/2016 with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested. My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out. On the 16/11/2016 I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me. Since the 16/11/2016 I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the 21/11/2016 and I was told that Sarah Fletcher would 100% call me that day. On the 22/11/2016 I went to my son's home and there was a letter from Sarah Fletcher dated the 18/11/2016 which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the 14/08/2016 when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the 25/11/2016 or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her. I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later. When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my 2583,

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in 2014 and 2015 about my son's neighbours. After my son spoke to her he passed me the phone, I asked why she had not

called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems. Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down. I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards

Miss Lorraine Cordell Mr Simon Cordell

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/2016 which was received on the 01/12/2016. I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to. The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the 06/12/2016 at 14:00 hours at Enfield Civic Centre. I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated 24/11/2016, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate. I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO. However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated 29/11/2016. There has been complaints put into Enfield council since 2014 about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing. Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

2598,

Mr Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until now 2016. You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected. When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007 he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal. Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since 2006, until now **2016**. It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?

My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

2599,

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".

I have already put an appeal in my formal complaint dated the 24/11/**2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious

information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the 14/08/2016 when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the 22/11/2016 she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on. It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted on in 2013 when it was installed? Why has it taken them until 2016 to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door. It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as since 2014 all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this. Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

2600.

Mr Daniel Ellis has said that my formal complaint should be addressed by the 14/12/2016 but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner. I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also

believe it will help to clear up much information that you have included in your letter. I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated 24/11/2016 this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@blueyonder.co.uk or my address which is included in the letters dated 24/11/2016.

Regards

Re: Formal Complaint 08/12/12/016

To Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done. I know Formal Complaints are ongoing regarding letters written on the 24/11/2016 and

05/12/2016 but I feel I have known option but to again write a new Formal Complaints dated 08/12/2016. The last time we spoke to someone regarding moving my son was on the 22/11/2016 after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/2016 sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back. My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son health is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing. I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer. It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son. When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since 2014 with my son's neighbours and what they are doing to him. It does not seem to matter that my son's health is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done. I would like someone to email me via lorraine32@blueyonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Dear Mr Cordell,

Re: Allegations of Anti-Social Behaviour,
Harassment, Intimidation and Threatening
Behaviour

I write with regards to reports of anti-social
behaviour, intimidation, harassment and
threatening behaviour made against you by your
neighbours.

I wrote to you on **29th November 2016** regarding
these reports and invited you to meet with me at
the Civic Centre on **6th December 2016** to
discuss the allegations made against you, copy
attached. I received a letter from your mother

dated **24th November 2016** in which she stated that she does not believe, that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money. Intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Environment *

t/c received from Lorraine and she reported that Simon said to her that he was willing to engage with EIP and just that he did not wish to take medication. I informed Lorraine that

medication is but one of many interventions on offer from EIP. I informed Lorraine that it was important for Simon to be reviewed by doctors from time to time and I need to have contact with him to monitor his mental state and mood. I also said to Lorraine that it would be helpful if Simon called me directly and that would indicate his commitment. Lorraine requested if appointments could be at Simon's place? I told Lorraine that it was possible to see Simon at his place but he must also be able to come to Lucas House or another designated place to be seen. I offered to book appointment to see Simon and Lorraine said he will have to speak with Simon first and contact me for appointment.

Threats and intimidation (General)

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC

also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 04/10/2016, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started

kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016.**

On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names.

He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street

and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

DIRECTIONS ORDER

Telephone call received from Mr Cordell

22/11/2016

I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr Cordell wished to discuss his housing options/how to move. I took the call - he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area

was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as this belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case. I responded that I could not comment about other cases but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive to the privacy of other residents in the block as it points at the outer communal door and should be removed by **Friday 25th November** or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake so it didn't need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full and it was difficult to get a word in because he was so worked up so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not

want to do this and wanted to be moved in the same way that he moved into this property 11 yrs ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should I have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy but that I needed to know whether we had written permission from Mr Cordell for us to speak to her - she said that there was a written note recorded on our files in 2015. Mr Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr Cordell say angrily and aggressively "I'm gonna do her over" and then "I'm gonna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived at Burncroft Avenue in temporary accommodation provided by Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV

he installed on the internal communal door attached.

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street.

As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016 at 2:30 pm then we discuss the matter further.**

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

I spoke to Sabran Witness Service Highbury & Islington court she advised pre-court trial visit are. no longer arranged directly by them. I will have to go through Citizens Advice national contact centre I she gave me a number however; I was getting no response on the number given 0208 733 6422.1 also called 101 and was given another number 0206 733 5480 - again a voice recording with no one to take the call. I contacted the call centre again and was given another number with on digit difference to the previous 0208 733 6423 Clair Lockwood. A voice recording again I therefore left a message requesting a call back.

08/11/2016:

I tried calling the Witness Care Unit again at Holbom station to no avail -1 then got a call back from police Holbom asking if I had tried to contact them -1 was then put through to Thomas Jones Witness Care Officer — from this point the communicative lines was open for progress. Tom also said the oic is DC Campbell attached to Edmonton Police station. And that he will email him to contact the victim to reassure him.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Mr Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/2016

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**

It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017.**

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regards to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to

be handed to the correct department to deal with this or there is a cost please advice via this email, I have also included a letter of authority from my son so I can act on his behalf. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposible as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated.

When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

2014 and 2015

2013 to 2015

The Enfield Councils History **FOI Indexed**

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.

After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of

authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera, and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards

Miss Lorraine Cordell Mr Simon Cordell

It has been brought to my attention that you have fitted a security camera onto the inner communal/fire door on the ground floor of our building.

This is in breach of tenancy conditions as it has been fitted without permission.

Please arrange for the camera to be removed by Friday **25th November 2016**.

Failure to remove the camera by this date will result in the Council arranging for the removal of the camera and carrying out any necessary repairs to the structure of the building for which you will be charged and we may take action against you for breach of your tenancy conditions.

Please contact me on or before 5.00pm on Friday **25th November 2016** to advise that the camera has been removed or we will proceed with the action as advised above.

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016**.

I will respond to the issues you raised as follows;

1. Anti-Social Behaviour Order

We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.

2. CCTV

We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Telephone call received from Mr Cordell **22.11.16**

I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr Cordell wished to discuss his housing options/how to move. I took the call - he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as this belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case. I responded that I could not comment about other cases but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive to the privacy of other residents in the block as it points at the outer communal door and should be removed by **Friday 25th November** or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake so it didn't need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full and it was difficult to get a word in because he was so worked up so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange but he was adamant that he did not want to do this and **wanted to be moved in the same way that he moved into this property 11 yrs ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his**

neighbours and expressed that he felt that I should I have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy but that I needed to know whether we had written permission from Mr Cordell for us to speak to her - she said that there was a written note recorded on our files in 2015. Mr Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr Cordell say angrily and aggressively "I'm gonna do her over" and then "I'm gonna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

Re: CCTV camera on inner communal/fire door

It has been brought to my attention that you have fitted a security camera onto the inner communal/fire door on the ground floor of our building.

This is in breach of tenancy conditions as it has been fitted without permission.

Please arrange for the camera to be removed by Friday **25th November 2016**. Failure to remove the camera by this date will result in the Council arranging for the removal of the camera and carrying out any necessary repairs to the structure of the building for which you will be charged and we may take action against you for breach of tenancy conditions.

Please contact me on or before 5.00pm on Friday **25th November 2016** to advise that the camera has been removed or we will proceed with the action as advised above.

Yours Sincerely,

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

Page: 3 of 3

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

Page 3 of 6

not may be able to assist.

Many Thanks

03/11/2016: Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

Reason - Not enough evidence to provide a realistic prospect of any conviction. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after

2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away

and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and

she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was

already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the

things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016:**

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016 at 2:30 pm then we discuss the matter further.**

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action.

Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care
he advised that the CPS have dropped the case of
Curtis v Cordell. Reason - Not enough evidence to
provide a realistic prospect of any conviction. In
further discussion Thomas said DC Campbell was of
ill - has now returned; however, he said he will
contact Mr Curtis in relation to the current position of
the matter. I asked Tom if the CPS will be writing to
Mr Curtis directly - he said they should to advise
accordingly. Tips given to report further incidents
and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and
Karen (flat 105). Christine stated that she witnessed
the September when Mr Cordell threatened Mr

Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Joint home visit conducted with Lemmy. Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment,
Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour,
intimidation, harassment and threatening behaviour made
against you by your neighbours.

I wrote to you on **29th November 2016** regarding these
reports you to meet with me at the Civic Centre on **5th
December 2016** to discuss the allegations made against you,
copy attached. I received a letter from your mother dated
24th November 2016 in which she stated that she does not
believe that it is justified to hold the meeting before your
formal complaint and subject access request is dealt with. I
understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social
Behaviour Team have continued to receive various
allegations from your neighbours against you concerning
alleged nuisance and anti-social behaviour towards them.
The allegations include using threatening, abusive and
insulting words and language, aggressively demanding
money, intimidation, making threats towards your
neighbours and tampering with the electricity and water
supply to their flat.

These are very serious breach of tenancy conditions and it is
very important that we meet with you to discuss these
allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the
Civic Centre, Silver Street, Enfield, EN1 3XY at 2pm on

Thursday, 9th February

Dear Mr Cordell,

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.

It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.

If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

27. On

12th July 2017

Mr. Neville Gary, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr.-Neville Gary attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely but the Defendant also refused him access.

The Defendant later shouted abuse and swear words at Mr. Gary and would not allow him to approach his car.

Mr. Gary has provided a witness statement in relation to this incident.

28. The Defendant is in breach of the following conditions of his tenancy agreement.

Condition 10 - "You must not act in any way which causes, or is likely to cause, a 'nuisance or annoyance or is anti-social."

Condition 21. - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a counsellor. This applies at any time and in any place. We may report the matter to the Police".

Condition 31 - "You must take care not to cause damage to your property or the property of your neighbours",

Condition 33 - "You must-keep the inside of your property clean and in reasonable decorative order".

Condition 34 - "You must not use the property in any way that may cause a health and safety' hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)"

Condition 53 - "You must keep the inside of the property, the fixtures and fittings and glass in good repair during the tenancy"

30. I have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

31. The Claimant's operatives have had difficulties in accessing the Defendant's flat. to inspect the state of the property and the unauthorized works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant the Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since

NN.

December 2016

The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

32. The Defendant has intimidated the residents in the entire block and because of his Behaviour, we have received numerous complaints from residents, requests to be **transferred** from the block and we have had to move a vulnerable tenant from the block.

33. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening Behaviour. towards the Claimant's members of staff and his neighbors. A Notice of Seeking Possession has been served to him and possession action is being considered.

However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April **2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/2016 which was received on the 01/12/2016.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the 06/12/2016 at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated 24/11/2016, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated 29/11/2016. There has been complaints put into Enfield council since 2014 about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

I

17,

now 2016

4th October 2016

2006, until now 2016

sudden in 2016

now in 2016

Mr Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until **now 2016**.

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016**, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007 he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016**.

It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?

My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there

is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.

I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed?

Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the

neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016**.

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016**.

I will respond to the issues you raised as follows.

1. Anti-Social Behaviour Order

We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.

2. CCTV

We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/2016 which was received on the 01/12/2016.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the 06/12/2016 at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated

24/11/2016, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until now **2016**.

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

“Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016**, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up”.

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

“It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours”.

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in **1999**, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** he had the same dog, when she **passed away in 2007** he got a new **dog same bred and since 2006** there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell’s dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006**, until now **2016**.

It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them? My son’s dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon

Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.

I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell’s front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not **acted on in 2013** when it was installed? Why has it taken **them until 2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell’s neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell’s own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don’t like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, **as since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will **incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.**

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated 24/11/2016 this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016.**

80. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burhcroft Avenue.

81. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006**. I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

82. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. **The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016**. However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

83. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on 4 August 2015 by the Magistrates Court to prevent him from knowingly using or supplying property, personal or otherwise, for the use in a rave as defined in s.63(1) of the Criminal Justice Order Act 1994. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

84. On 6th August 2016, the Defendant threatened and shouted abuse at Mr and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of

this report is exhibited at pages 28-30 of the exhibit bundle LN1.

85. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016**. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

86. On **27th September 2016**, Mr Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

87. On **28th September 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

88. On **11th November 2016**, my former colleague, **Sarah Fletcher interviewed an elderly resident who wished to remain anonymous**. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

89. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

90. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

91. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to

set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016**. A file note of this incident is at page 37 of the exhibit bundle.

92. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

93. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing

bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

94. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

95. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

96. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

98. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

99. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

100. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

103. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

104. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

105. On **12th July 2017**, Mr Neville Gray, the Claimant's repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's

flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

v. The Defendant is in breach of the following conditions of his tenancy agreement;

w. Condition 10 - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

x. Condition 21 - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the Police".

y. Condition 31 - "You must take care not to cause damage to your property or the property of your neighbours".

z. Condition 33 - "You must keep the inside of your property clean and in reasonable decorative order".

AA. Condition 34 - "You must not use the property in any way that may cause a health and safety hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)"

BB. Condition 53 - "You must keep the inside of the property, the fixtures and fittings and glass in the property in good repair during the tenancy"

4. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. Letters were sent to him on **29th November 2016** inviting him for a meeting on **6th December 2016, 31st**

The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**

January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

11. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

12. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

13. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 04/10/2016, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times

he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016.** On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend

Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me.

Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that your dog got left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed an CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Re: Allegations of Anti-Social Behaviour,

I write with regards to reports of anti-social
behaviour, intimidation, harassment and
threatening behaviour made against you by your
neighbours.

I wrote to you on **29th November 2016** regarding these reports and invited you to meet with me at the Civic Centre on **6th December 2016** to discuss the allegations made against you, copy attached. I received a letter from your mother dated **24th November 2016** in which she stated that she does not believe, that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money. Intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Environment *

Dear Daniel Ellis

Thank you for the update email and the deadline date for my reply to the complaint. But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move, yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his health they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done. I have called and left emails to ask someone to call me back yet no one still has so I still do not know what is going on if anything about moving my son.

Dear A. PARMAR

I am writing this letter due to the letter of discontinuance you sent to my solicitors dated the 15/11/2016. I asked my solicitors to obtain my custody records for when I was arrested on the 14/08/2016 for Threats to kill, where I was taken to Wood Green Police station as Edmonton police station was closed due to ongoing work being carried out, which has never been supplied by the CPS or police to myself or my acting solicitors before this case was discontinued, for this case I was bailed until the 04/10/2016 as they classed me as unfit for interview. I was charged on the 05/10/2016 for Section 4 POA for this case. The Office in charge of this case was PC Campbell PC 205732 he was the person that interviewed me for both the case of the 14/08/2016 and the 04/10/2016. On the 04/10/2016 I was again arrested just before I was due to go to Edmonton Police station for the bail to return for the above case this time for Criminal damage, I was interviewed for both cases by the above named police officer and charged on the 05/10/2016 for both dates the charges where Section 4 POA and Criminal damage I have also asked for the my custody records for the 04/10/2016 and this has also not been supplied to myself or my acting solicitors. I would still like a copy of the custody records so they can be filed with my paper work and was wondering if you could send me a copy of the custody records for the whole of my detention for the 14/08/2016 and the 04/10/2016 I would be most grateful if this could be done. I believe custody record no for the 14/08/2016 is 01YD 6024 16 but I am not sure of the custody record no for the 04/10/2016. I have also never had any paper work for the Criminal damage charge and again would like copies of these and the statement from the person who said I done what I did. As my solicitors was only ever served the paper work for the case for the 14/08/2016. I like to keep all my paper work on file so without the missing papers work I cannot do this, I believe due to being charged I do have a right to the paper work and would be grateful if this could be sent via this email address, I hope you can help in this matter. If you cannot help in this matter could you please let me know via this email address:

Dear Daniel Ellis

Thank you for the update email and the deadline date for my reply to the complaint. But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move, yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his health they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done. I have called and left emails to ask someone to call me back yet no one still has so I still do not know what is going on if anything about moving my son.

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/2016 which was received on the 01/12/2016.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until **now 2016**.

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016**, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007 he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016**.

It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?

My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.

I have already put an appeal in my formal complaint dated the **24/11/2016** in regards to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed?

Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016**.

- “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.

I have already put an appeal in my formal complaint dated the **24/11/2016** in regards to the CCTV and I am awaiting a reply as to what information I need and how I address the

appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not **acted on in 2013** when it was installed? Why has it taken **them until 2016** to say they feel this is an invasion of their privacy? In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, **as since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

24/11/2016

24/11/2016

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016**.

27. On
EE.

12th July 2017

Mr. Neville Gary, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr.-Neville Gary attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely but the Defendant also refused him access.

The Defendant later shouted abuse and swear words at Mr. Gary and would not allow him to approach his car.

Mr. Gary has provided a witness statement in relation to this incident.

28. The Defendant is in breach of the following conditions of his tenancy agreement;

Condition 10 - "You must not act in any way which causes, or is likely to cause, a 'nuisance or annoyance or is anti-social."

Condition 21. - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a counsellor. This applies at any time and in any place. We may report the matter to the Police".

Condition 31 - "You must take care not to cause damage to your property or the property of your neighbours",

Condition 33 - "You must-keep the inside of your property clean and in reasonable decorative order".

Condition 34 - "You must not use the property in any way that may cause a health and safety' hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)"

Condition 53 - "You must keep the inside of the property, the fixtures and fittings and glass if. The property in good repair during the tenancy"

29. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother, but he declined to attend. Letters were sent to him on

30. I have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

31. The Claimant's operatives have had difficulties in accessing the Defendant's flat. to inspect the state of the property and the unauthorized works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant the Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since

NN.

December 2016

The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

32. The Defendant has intimidated the residents in the entire block and because of his Behaviour, we have received numerous complaints from residents, requests to be **transferred** from the block and we have had to move a vulnerable tenant from the block.

33. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening Behaviour. towards the Claimant's members of staff and his neighbors. A Notice of Seeking Possession has been served to him and possession action is being considered.

However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the

Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

A full investigation is supposed to take place within the first stages of my complaints once the Enfield Councils and the Enfield Homes got put in receipt of the emergency issues, I claim about but they keep on failing me!

Re: Formal Complaint 08/12/12/016

To Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done.

I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.

The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed and I still am making calls to try and address this issue with no one calling me back.

My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son health is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-lying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.

It does not seem to matter that my son's health is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Dear Mr Cordell,

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour **made against you by your neighbours.**

The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours.

It is also alleged that on 4th November 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged, that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.

It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.

If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment,
Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour,
intimidation, harassment and threatening behaviour made
against you by your neighbours.

I wrote to you on **29th November 2016** regarding these
reports you to meet with me at the Civic Centre on **5th
December 2016** to discuss the allegations made against you,
copy attached. I received a letter from your mother dated
24th November 2016 in which she stated that she does not
believe that it is justified to hold the meeting before your
formal complaint and subject access request is dealt with. I
understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social
Behaviour Team have continued to receive various
allegations from your neighbours against you concerning
alleged nuisance and anti-social behaviour towards them.

The allegations include using threatening, abusive and
insulting words and language, aggressively demanding
money, intimidation, making threats towards your neighbors
and tampering with the electricity and water supply to their
flat.

These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 2pm on

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My dog has eating its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

The reckless behaviour of the Enfield Council employees left me Violated, with no follow ups to work that got agreed to get completed by them, causing no re un needed damage to my personal property than should have occurred!

Time Spent Building.

In the background of everything going I continued working on Creating a new and up to date event Traffic Management policy and I continued to Study and finish at the Time Start: 00:00 and Time End: 00:00 and this included creating a new and up to date event On Site Road Traffic Plan policy!

My mother also continues to work on building my company website for me with others at the Time Start: 09:00 and Time End: 14:00!

Working at Home doing Court Case Defence Work!

I spent time and resources costing expenditure with my no there also building my defence case, against the allegations getting put against me at the Time Start: 12:00 Am and Time End: 06:00 Am!

Dear Mr Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment,
Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour,
intimidation, harassment and threatening behaviour made
against you by your neighbours.

I wrote to you on 29th November **2016** regarding these
reports and invited you to meet with me at the Civic Centre
on 6th December **2016** to discuss the allegations made
against you, copy attached. I received a letter from your
mother dated 24th November **2016** in which she stated that

she does not believe that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with. The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. Dear Mr Cordell,

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.

It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.

If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on 29th December 2016 to arrange to meet with you on 6th December 2016 to discuss these reports, but you cancelled the meeting. I wrote to you again on 31st January 2017 to arrange to meet with you on 9th February 2017, you also cancelled the meeting. I then wrote to you again on 16th February 2017 to arrange to meet with you on 22nd February 2017 and again you cancelled the meeting. I have enclosed all three letters for your information.

It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your neighbours. The allegations made against you by your neighbours, if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on Wednesday, 22nd March 2017 to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you.

27. On

EE.

12th July 2017

Mr. Neville Gary, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr.-Neville Gary attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely but the Defendant also refused him access.

The Defendant later shouted abuse and swear words at Mr. Gary and would not allow him to approach his car.

Mr. Gary has provided a witness statement in relation to this incident.

28. The Defendant is in breach of the following conditions of his tenancy agreement;

Condition 10 - "You must not act in any way which causes, or is likely to cause, a 'nuisance or annoyance or is anti-social."

Condition 21. - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a counsellor. This applies at any time and in any place. We may report the matter to the Police".

Condition 31 - "You must take care not to cause damage to your property or the property of your neighbours",

Condition 33 - "You must-keep the inside of your property clean and in reasonable decorative order".

Condition 34 - "You must not use the property in any way that may cause a health and safety' hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)"

Condition 53 - "You must keep the inside of the property, the fixtures and fittings and glass if. The property in good repair during the tenancy"

30. I have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

31. The Claimant's operatives have had difficulties in accessing the Defendant's flat. to inspect the state of the property and the unauthorized works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant the Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since

NN.

December 2016

The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

32. The Defendant has intimidated the residents in the entire block and because of his Behaviour, we have received

numerous complaints from residents, requests to be **transfer**red from the block and we have had to move a vulnerable tenant from the block.

33. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening Behaviour. towards the Claimant's members of staff and his neighbors. A Notice of Seeking Possession has been served to him and possession action is being considered.

However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

Page: 3 of 3

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not

sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**.

On **11/12/16**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very

faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/2016 which was received on the 01/12/2016.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the 06/12/2016 at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated 24/11/2016, also until I have the subject access request information dealt with and have a

list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

The Enfield Councils History **FOI Indexed**

Mr Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until **now 2016**.

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016**, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007 he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016.**

It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?

My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

24/11/2016

14/08/2016

22/11/2016

on in 2013

until 2016

since 2014

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.

I have already put an appeal in my formal complaint dated the **24/11/2016** in regards to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only

way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016**.

DIRECTIONS ORDER

106. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burhcroft Avenue.

107. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006**. I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

108. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. **The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016**. However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

109. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates

Court to prevent him from knowingly using or supplying property, **personal** or **otherwise**, for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

110. On **6th August 2016**, the Defendant threatened and shouted abuse at Mr and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1**.

111. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged

on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016**. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

112. On **27th September 2016**, Mr Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

113. On **28th September 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

114. On **11th November 2016**, my former colleague, **Sarah Fletcher interviewed an elderly resident who wished to remain anonymous**. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

115. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

116. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, **I'm gonna take her job just for fun**' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

117. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone

at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/23 December 2016. A file note of this incident is at page 37 of the exhibit bundle.

118. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

119. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

120. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

121. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

122. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

123. On **2nd July 2017**, Mr Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

124. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

125. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

126. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

128. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

129. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely

accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

130. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

14. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

15. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

16. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of

Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday

evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. 16/12/2016: 11/01/2017:

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on **04/10/2016**, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**. On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken

against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me.

Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

DIRECTIONS ORDER

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived at Burncroft Avenue in temporary accommodation provided by Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts.

Mr Mathiyalagan telephoned to report that Simon Cordell aggressively banged on his front door and accused them of making noise. He stated that he also shouted abuse and threats and swore at them.

22/12/2016: 10/01/2017: 13/01/2017: Si Note: "This is different than the FOI 16/01/2017"

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at

her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and

will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting

the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

Many Thanks

I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

16/11/2016: I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a

lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his

family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to

terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday

04/11/2016 at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Joint home visit conducted with Lemmy. Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived Burncraft Avenue in temporary accommodation provided Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts

28/11/2016:

Mr Mathiyalagan telephoned to report that Simon Cordell aggressively banged on his front door and accused them of making noise. He stated that he also shouted abuse and threats and swore at them.

22/12/2017/ 10/01/2017: 13/01/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/2016 at about 3.43pm - Mr Cordell banged on his front door while door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply. He stated that the incident was reported to the police, CAD 5753/23 **December 2016** and they were advised to contact the council.

26/12/2016 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and

stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone but he continued to swear and shout abuse at them. They then walked away.

3/01/2017 at 10.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him a lying cunt and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims of anti-social behaviour and to see if they rehouse them.

16/01/2017: 16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21 pm on Saturday **21/01/2017** when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **1/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs Mathiyalagan stated that at about 6.30pm, she was inside her flat with her two-and-a-half- year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise, I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/03/2017: 08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in

the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if there are excessive noises from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him and he ran after me until I turned left into Green Street, as he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why

did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it, He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint. against me. He

continued shouting abuse and will not Set me say a word. I then advised him that I will have to terminate the conversation as we were getting nowhere,

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his flat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. I did not respond or say anything to him.,

18. On **12th May 2017 at about 12pm**, my wife, was at home with my daughter and my cousin when the Defendant came up to my front door and started to bang and push aggressively on the door, shouting for my wife to open the door saying that he wanted to talk to her. The Defendant knew that I had gone to work and that my wife may be alone with our young daughter, but he Insisted on my wife opening the door for him while shouting abuse at her.

19. On **1st June 2017**, I was at work when my wife telephoned me to complain that the Defendant and two other males came and banged on my front door for about two minutes. My wife was alone with our young daughter at the time and she was very frightened because of the loud banging on our front door.

20. On **9th June 2017**, my cousin returned from work late at night and as he opened the main communal door, the Defendant came out of his flat and started to shout abuse at him. As my cousin brought out his mobile phone to record the incident, the Defendant snatched the phone from him. A struggle ensued as my cousin tried to get his phone back from the Defendant. The Defendant then physically attacked my cousin; he grabbed my cousin round his arm and neck and injured his arm thereby causing it to bleed. My cousin managed to get his phone back and called the police. The police attended within 10 minutes and my cousin explained to them what happened, and they went to speak to the Defendant, but he refused to let them in.

21. On **16th June 2017 at 11:55am**, the Defendant confronted my wife outside the main entrance door as she was going to pick our daughter from school and accused her of making noise. The Defendant also said to my wife that he has our bank account and personal details and that she should tell me to pay him money.

22. On **16th June 2017 at 11:55am**, the Defendant confronted my wife outside the communal entrance door as she was going to pick our daughter from school and said to her that he knows what time she goes out and when she

returns and to tell her husband that he wants to speak to him.

23. On 23rd June 2017, my cousin returned from work at 11:35pm and as he entered the block, the Defendant came out of his flat with his dog barking and without a lead and started to swear and shout abuse at my cousin. The Defendant then attacked my cousin by punching him twice on the chest and tried to push my cousin out of the block. The Defendant snatched my cousin's mobile phone as he tried to record the incident, but he managed to get the phone back. My wife heard the commotion and woke me up and as we came out of my flat shouting at my cousin and wanting to know what

was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

24. On 28th June 2017 at 11:45am, the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak

with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. The Defendant demanded that we should pay him some money and that my wife should tell me to come and talk to him. The Defendant also accused my wife of making noises inside our flat.

25. On **30th June 2017 at 11:45am**, the Defendant confronted my wife as she was leaving the block to go and pick up our daughter from school and accused her of slamming the door. My wife denied slamming the door and the Defendant called her a liar and proceeded to swear and shout abuse at her.

26. On **2nd July 2017 at 5:18pm**, my family and I was going out to visit some friends and as we were about to exit the block, the Defendant popped his head out of his front door and asked me when I was going to hand over the money to him. I told him that I was not going to give him any money and that he should go and work so that he could earn some money. As we left the block, the Defendant came running after us and was shouting abuse and swearing at me and said to me that I should pay him some money if I want him to leave me and my family alone. The Defendant also said to me that he has all our personal details including phone numbers, date of birth

and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

27. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

Re: Formal Complaint 08/12/12/016

To Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done.

I know Formal Complaints are ongoing regarding letters written on the 24/11/2016 and 05/12/2016 but I feel I have known option but to again write a new Formal Complaints dated 08/12/2016.

The last time we spoke to someone regarding moving my son was on the 22/11/2016 after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/2016 sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed and I still am making calls to try and address this issue with no one calling me back.

My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since 2014 with my son's neighbours and what they are doing to him.

It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016, 5th December 2016** and **8th December 2016**.

I will respond to the issues you raised as follows;

1. Anti-Social Behaviour Order

We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.

2. CCTV

We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social

Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. This matter

concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

29,

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016:**

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

Many Thanks

Continually, repeating to flushing the toilet when I went into the bathroom, so to be sick in my toilet because they made me ill!

Victimizing me by Banging above the Bath to which I get into, once they understand that I have stopped running the water for my bath to be ready, this is after they wait for any other tail, tail signs that I have gotten undressed and soaked within the water, creating a brutal attack against my person in their wrongful self-gains!

The continual intimidation of the kitchen draw being slammed shut or opened either way it got effectually, closed, to then soon after hear the sharpening of the kitchen utilities knives to an unrealistic extent to make a constructive sense of logic and reason, visible for explanation of any good character of themselves with the time need to look after an Adelson in today's word safely!

117 Slamming the main, communal entrance door closed!

The already named keep on victimizing me with intent of using the same repeated items of the building fixtures to have tortures effects in my rented living circumstances!

I continue to lecture the importance of my complaints and that off my sent official correspondent to what I send to the relevant persons, without no correct follow ups, namely the Enfield Council! 2

It is truly tragic that the Enfield Councils and the Enfield Homes inclusive of the Metropolitan constabulary left the occupiers of 117 Burncroft Avenue without any form of support in regards to their Child's protection when I notified them of my concerns and video evidence of the legal guardians consecutive while amoral behaviour of criminal attempts, as for the child protection Act 1989 states that in section 27 of that act it requires all local authority as a must to assist in the protection of children, since the young child's birth the child legal no there and father have provoked a Critical emergency needed for the Mental stability of themselves to get questioned as for the complete absinth of the disregard for life itself, as the Article 2 of the human Right Act 1998 explains within its context, as I am Confident that the child is in danger alongside many of my other witness towards the child's legal guardians stability and Mental stability. The overseeing authorities should have contacted the Social Services the earliest opportunity in pursuit of the Social Workers Act 1981!

I get Offended by the lack of due diligence towards mine and other persons who may get affected by this neglect for life!

stated that soon after he moved into his flat, he went around to SC's fiat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to sue them because he felt that they were treating him

unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on

M

04/10/2016, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**.

11/12/2016, SC came up to his flat 3 times to shout abuse and complain about noise from his flat. Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are I'm off curfew in 12 days, when I'm, I am coming for you he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked

off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street.

His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his fiat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

04/10/2016: Mr Quinton stated that on **4/10/16**, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**.

U

11/12/2016: On **11/12/16**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

BACKGROUND

My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.
5. The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported

20. On **9th June 2017**, my cousin returned from work late at night and as he opened the main communal door, the Defendant came out of his flat and started to shout abuse at him. As my cousin brought out his mobile phone to record the incident, the Defendant snatched the phone from him. A struggle ensued as my cousin tried to get his phone back from the Defendant. 24. On **28th June 2017 at 11:45am**, the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. The Defendant demanded that we should pay him some money and that my wife should tell me to come and talk to him. The Defendant also accused my wife of making noises inside our flat.

As we left the block, the Defendant came running after us and was shouting abuse and swearing at me and said to me that I should pay him some money if I want him to leave me and my family alone. and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

27. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go

out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

I believe the facts in this Witness Statement are true.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making

noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on **04/10/2016**, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**.

On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he

walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me.

Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

Joint home visit conducted with Lemmy. Mr. Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Re: Formal Complaint 08/12/12/016

To Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done.

I know Formal Complaints are ongoing regarding letters written on the 24/11/2016 and 05/12/2016 but I feel I have known option but to again write a new Formal Complaints dated 08/12/2016.

The last time we spoke to someone regarding moving my son was on the 22/11/2016 after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/2016 sometimes calling up to 3 times a day. (All their lines are set to do not

disturb) this has not changed and I still am making calls to try and address this issue with no one calling me back.

My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since **2014** with my son's neighbours and what they are doing to him.

It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Miss Lorraine Cordell Mr Simon Cordell

Incident Location:

109 BURNCROFT AVENUE ENFIELD EN37JH
UNITED KINGDOM.

Concerns: Psychological / Emotional

The neighbours on the top floor are doing work. They are hammering and causing noise. This caused a dispute between the subject and the builders.

Police have attended the subject's address to try and mediate between them to prevent further disputes. The subject went into a 15-minute rant about how he was under constant attack by everyone, and how he perceived the banging by the builder to be an assault against him.

The neighbour tried to come down and talk about when the work would finish but the subject started to shout at him. The subject stated that he has cameras set up all over his house and that he wanted the neighbour to come in and watch the footage of the aggressive hammering, when the neighbour declined, the subject started to shout about being mugged off.

The subject would benefit from a visit from social services. He appeared to be having issues with his mental health. There was nothing to suggest that he was in immediate danger, and he was within his dwelling.

Mr Curtis said that he has had no further problems from Simon Cordell however, he was aware of altercations between Simon Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simon Cordell flat has been removed, however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Continue to victimize me by:- --

The already named keep on victimizing me with intent of using the same repeated items of
the building fixtures to have tortures effects in my rented living circumstances!

I continue to lecture the importance of my complaints and that off my sent official
correspondent to what I send to the relevant persons, without no correct follow ups, namely
the Enfield Council! 2

It is truly tragic that the Enfield Councils and the Enfield Homes inclusive of the
Metropolitans constabulary left the occupiers of 117 Burncroft Avenue without any form of
support in regards to their Child's protection when I notified them of my concerns and video
evidence of the legal guardians consecutive while amoral behaviour of criminal attempts, as
for the child protection Act 1989 states that in section 27 of that act it requires all local

authority as a must to assist in the protection of children, since the young child's birth the child legal no there and father have provoked a Critical emergency needed for the Mental stability of themselves to get questioned as for the complete absinth of the disregard for life itself, as the Article 2 of the human Right Act 1998 explains within its context, as I am Confident that the child is in danger alongside many of my other witness towards the child's legal guardians stability and Mental stability. The overseeing authorities should have contacted the Social Services the earliest opportunity in pursuit of the Social Workers Act 1981!

I get Offended by the lack of due diligence towards mine and other persons who may get affected by this neglect for life!

My flat is in a bad condition I continue to take pictures of the disrepair issues as it is uncomfortable to live in!

04/10/2016: Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016.**

U

11/12/2016: On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them. Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Dear Alev

Thank you for the update but there are 3 formal complaints to Enfield Council for the lack of doing nothing in regards to this issue I have had not calls back no information if they are dealing with the main issue which at this time is to move my son and keep getting put off all the time. The dates I sent the formal complaints which was also CC into Joan was

24/11/2016

05/12/2016

08/12/2016

All of these emails were CC to Joan Enfield Council is leaving my Son not my Brother in a nightmare this has been ongoing since **2014** and Enfield Council has done nothing to address any issues and also did not reply to any of the complaints that was put in around that time which I still have all the emails I just don't have the dates of all the calls that was made in **2014/2015**

about this. I am so upset that I have had to find the details of all the high up people in the council and CC all including Joan into the last 3 emails I should not have had to do this. I am most grateful that a letter has been sent to Enfield Council from Joan but this need addressing ASAP as my Son's Heath has gone downhill so far due to what he is living with he is not being allowed to sleep and this is not helping his heath and I am very worried.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and

threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked

down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Dear Lorraine,

Just to keep you updated on your complaint, I wanted to let you know that a senior Manager within the Housing Neighbourhood Team will be meeting with the Community Safety Team later this week to discuss the issues in your complaint. Those teams will be working closely together after the meeting on Thursday to provide our response. Due to the complexity of the case, we are likely to need some more time to supply you with the response, although we will try and provide it to you as soon as we can - hopefully before the Christmas break. If I have any further news for you, I will try and let you know.

Dear Daniel

Thank you for the update but why has this taken so long to arrange? if you knew the senior Manager within the Housing Neighbourhood Team was going to be needed to address this then why was this not already started?

My son is being left in a situation he should not be with no update as to if the housing is doing anything at all to address moving him. I think my son has already suffered enough which has caused his health to go downhill and this cannot be allowed to go on any longer. Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there. As so far it seems everything is being blamed on my son when my son has done nothing wrong. I do know there are issues that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since **2014** is not acceptable. Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. I am not sure if a payment will be needed to process this or if not, if the data has started to be processed so I will get all data. Could you please update to this?

Dear Joan

Your Ref: (Case Ref: JR5802)

I am forwarding this email to you as I got a reply today from Enfield Council from Daniel Ellis, Complaints & Access to Information Officer Complaints & Access to Information Team. As you will see I have made a reply to his email with some things I wanted updated on I have not had a reply to my email to him yet. I feel that Enfield Council has had long enough to address some of the thing why would it take this long to arrange a meeting and only just start to discuss the issues in all the formal complaint letters that have been sent. My son is being let in a situation that is affecting his health due to what is going on and it seems once again he is just getting left with nothing being done and they have only just started to discuss this. Could you please try and help in this matter as the longer this is just being left by Enfield Council the more my Son health is suffering. I have forwarded you all the formal complaint letters via email that have been sent to Enfield Council. If you could reply to this, I would be most grateful

Regards

Dear Daniel

Is there any update to the below email as from what you updated me with the meeting is due to take place tomorrow and I would like a reply to know if I will be invited to this meeting seeing as you will be talking about my son?

If I am not allowed to go to this meeting, I would like full minutes taken so when I get the subject access request, I will know what has been said. No one has also yet even spoken to me or my son the only thing you have is all the letters, emails and calls that have been made. So how in this meeting are the people going to a full understanding as since 2014 no reports have ever been taken from my son as to what has been on going and how he is suffering? I also still have not heard anything from the person dealing with the subject access request and would like an update. And I would like to know if anything is being done to move my son out of the situation he has been left in since 2014?

As I think at this point this is the most important part to get my son moved somewhere else where he will not have to suffer any longer and hopefully this will help his health. It does seem Enfield Council is more worried over the formal complaints then removing the situation

my son has been left in. which has said it is affecting his health. I cannot understand why nothing is being done and more time is being asked for yet no updates given to the situation my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?

2667.

I would be most grateful for an update.

Regards

Lorraine

Dear Daniel

Thank you for the update but why has this taken so long to arrange?

if you knew the senior Manager within the Housing Neighbourhood Team was going to be needed to address this then why was this not already started?

My son is being left in a situation he should not be with no update as to if the housing is doing anything at all to address moving him. I think my son has already suffered enough which has caused his health to go downhill and this cannot be allowed to go on any longer. Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there. As so far it seems everything is being blamed on my son when my son has done nothing wrong. I do know there are issues that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since 2014 is not acceptable. Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. I am not sure if a payment will be needed to process this or if not, if the data has started to be processed so I will get all data. Could you please update to this?

Regards

Lorraine Cordell

Dear Lorraine,

Just to keep you updated on your complaint, I wanted to let you know that a senior Manager within the Housing Neighbourhood Team will be meeting with the Community Safety Team later this week to discuss the issues in your complaint. Those teams will be working closely

together after the meeting on Thursday to provide our response. Due to the complexity of the case, we are likely to need some more time to supply you with the response, although we will try and provide it to you as soon as we can - hopefully before the Christmas break. If I have any further news for you, I will try and let you know.

Dear Daniel

Will the internal meeting have minutes taken? As I have asked for minutes to be taken?

And I do understand about the issues of complaint but surely, I should be able to get an

update as to whether anything is being done in regards to moving my son out of this situation.

How can Enfield Council leave it like this with nothing being done knowing someone is

living in a situation he should not be and no one from Enfield Council has said if anything is

being done?

Regards

Lorraine

Dear Lorraine,

At this point in the complaints process, it is an internal meeting for Council Staff to promote

a co-ordinated approach between different teams to your complaint. I cannot comment further

on your complaint at the moment but I have asked for your Subject Access Request to be

processed as soon as possible. I am sorry the complaint will take a little longer than usual, but

we would appreciate your continued patience while we investigate.

Kind regards,

Dear Daniel

Is there any update to the below email as from what you updated me with the meeting is due to take place tomorrow and I would like a reply to know if I will be invited to this meeting seeing as you will be talking about my son?

If I am not allowed to go to this meeting, I would like full minutes taken so when I get the subject access request, I will know what has been said.

2678.

No one has also yet even spoken to me or my son the only thing you have is all the letters, emails and calls that have been made. So how in this meeting are the people going to a full understanding as since **2014** no reports have ever been taken from me son as to what has been on going and how he is suffering?

I also still have not heard anything from the person dealing with the subject access request and would like an update.

And I would like to know if anything is being done to move my son out of the situation he has been left in since **2014**? As I think at this point this is the most important part to get my son moved somewhere else where he will not have to suffer any longer and hopefully this will help his health. It does seem Enfield Council is more worried over the formal complaints then removing the situation my son has been left in. which has said it is affecting his health. I cannot understand why nothing is being done and more time is being asked for yet no updates given to the situation my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?

I would be most grateful for an update.

Regards

Lorraine

Dear Daniel

Thank you for the update but why has this taken so long to arrange? if you knew the senior Manager within the Housing Neighbourhood Team was going to be needed to address this then why was this not already started?

My son is being left in a situation he should not be with no update as to if the housing is doing anything at all to address moving him. I think my son has already suffered enough which has caused his health to go downhill and this cannot be allowed to go on any longer. Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there. As so far it seems everything is being blamed on my son when my son has done nothing wrong. I do know there are issues that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since **2014** is not acceptable. Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. I am not sure if a payment will be needed to process this or if not, if the data has started to be processed so I will get all data. Could you please update to this?

She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained

that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and

started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's health yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until **now 2016.**

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007 he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016.**

It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in 2016 my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in 2016 causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?

My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

- "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".

I have already put an appeal in my formal complaint dated the 24/11/2016 in regards to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the 14/08/2016 when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the 22/11/2016 she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy? In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.

I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016**.

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

Many Thanks

As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

the Defendant aggressively banged on his ceiling and accused him, of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him.

The Defendant later went _downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file -note of the report is at pages 32-34 of the exhibit bundle.

Then the already named keep on victimizing me with intent of using the same repeated items of the building fixtures to have tortures effects on me within my rented home is unfair living circumstances!

George and the Mathilgen family today kept on Jumping up and down on the floor above where ever they can tell that I am present below!

117 - 113 and 111 Slamming the main, communal ingress door closed!

117 - Slamming their own living room, door closed!

117 - Slamming their own bedroom, door closed!

113 - 117 and 111 today kept on Banging with objects onto the internal main buildings walls and floors, so to intimidate surely me and maybe others living close by whom maybe present to an extent only worthwhile for the perpetrators selfless glory, In them perpetrators knowing that their behaviour would only leave all those getting victimized towards getting left by their wrongful actions as to being put into a state of a mental health patient and not rightfully with this occurring within mine and their rented or paid for homes!

The Enfield Council leave me confused with suffering by not addressing the problems of disrepair in a fair and timely manner!

Stain knocked on my letter box and woke me up again this Morning, when he is leaving his premises, like a person playing the game called knock down ginger!

Stain playing with pots or pans on his kitchen wall like the devil that has surmounted his sole I cannot believe that I had so much love for him and reverence and he treats me this way in my life and my doted ones!

Threats and intimidation (General)

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

Page: 3 of 3

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it

happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

134. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. **The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016**. However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

135. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates

Court to prevent him from knowingly using or supplying property, **personal** or **otherwise**, for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

136. On **6th August 2016**, the Defendant threatened and shouted abuse at Mr and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1**.

137. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged

on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016**. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

138. On **27th September 2016**, Mr Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

The Defendant also aggressively demanded money from Mr Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

140. On **11th November 2016**, my former colleague, **Sarah Fletcher interviewed an elderly resident who wished to remain anonymous**. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

141. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

142. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, **I'm gonna take her job just for fun**' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

143. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone

at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/23 December 2016. A file note of this incident is at page 37 of the exhibit bundle.

144. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

145. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

146. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

147. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

148. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

150. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

151. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

152. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

154. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

155. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely

accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

156. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

157. On **12th July 2017**, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the

water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

JJ. The Defendant is in breach of the following conditions of his tenancy agreement;

KK. Condition 10 - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

17. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

18. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

19. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of

Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on **04/10/2016**, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**. On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken

against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me.

Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

Letter of complaint received from Mr. Cordell's mother; copy attached.

Counsel Officer: --

I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell.

Mr. Quinton stated that the problems started soon after he moved into the block in **April 2016**.

He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself.

After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours.

SC also told him that he's got a load of issues with the police and that he was trying to sue them because he felt that they were treating him unfairly.

He told SC that he was a musician and that he does not want anything to do with his issues. Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes.

SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr. Quinton stated that on

04/10/2016

he was sleeping when SC started to bang on his ceiling but he ignored him.

SC then came up and started kicking at his door and he still ignored him.

SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it.

He then called the police and they came and took him away, CAD No. 3309/4 Oct. **2016**.

On

11/12/2016

SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes.

He did not open the door and he shouted abuse at him and his friends and called them homophobic names.

He later came back again to bang on his door and shout further abuse.

He also made threatening him and his exact words are 'I am off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off.

Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again.

He later came back again the third time and this time he opened the door because he has had enough.

SC complained about noise from his flat and he told him that he was not making any noise.

SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog.

He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I am not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'.

He then asked SC about his tyres which was punctured with a knife and he denied cutting them.

He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it

happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building.

SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later

Si Note /Ruff Date: 18/12/2016

, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street.

His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipes and the created noises, from his flat!

Jazz told SC that it has nothing to do with him.

SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him

His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike.

He stated that he has recorded of SC is admitting to smashing up his bike and played the recording to me.

Although it was very faint but you could make out what sounded like SC talking about smashing the bike.

He stated that he wants to sue SC for criminal damage; he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends;

Simon Cocks (07393285528)

Julian Jackson (07387277163)

Jazz Bramble (07375651241)

Are willing to provide witness statements and will attend court to give evidence on his behalf.

He also wants us to find out why what action the police took regarding his smashed bike.

113 and 117 tenants kept on Continually, reiterating to flushing the toilet when I utilize it!

Then 111 – 117 kept Slamming the dihydrogen Monoxide tap on and off, and now with George Quinton also involved I continue to document their Hate Crime towards me and report it to the relevant persons without any fair process of support and this is causing damage to my health and the buildings fixtures at an unacceptable rate!

I get faced with no re and no re distress every day and night because of the damp and no heating problems within my home and this continues without any fair response from the Enfield Council and the Enfield Homes departments in getting them fixed!

Dear Daniel

Is there any update to the below email as from what you updated me with the meeting is due to take place tomorrow and I would like a reply to know if I will be invited to this meeting seeing as you will be talking about my son?

If I am not allowed to go to this meeting, I would like full minutes taken so when I get the subject access request, I will know what has been said. No one has also yet even spoken to me or my son the only thing you have is all the letters, emails and calls that have been made. So how in this meeting are the people going to a full understanding as since 2014 no reports have ever been taken from my son as to what has been on going and how he is suffering?

[My Ref: COM 1885](#)

Your Ref:

Date: 22nd December 2016

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016**.

I will respond to the issues you raised as follows;

1. Anti-Social Behaviour Order

We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.

2. CCTV

We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing

investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Date: 22nd December 2016

Re: Mr Simon Cordell - 1 0 9 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated 24th November 2016 copies of which were received via email on 24th November 2016, 5th December 2016 and 8th December 2016. I will respond to the issues you raised as follows;

1. Anti-Social Behaviour Order We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on 4th August 2015 against your son in relation to activities that happened at locations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.
2. CCTV We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on 18th November 2016 giving him until 25th November 2016 to remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent, to him on 29th November 2016 by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV.

concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since 4th August **2015** and found two records of telephone complaints received from your son. One on 20th August **2015** and again on 26th January **2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers. We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on 4th August **2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has

been at least one previous complaint against your son from another neighbour prior to the ASBO. We are aware of the alleged incident that happened on 4th October **2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations. We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on 14th August **2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours. Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

2692.

in relation to the letter sent by Lemmy Nwabuisi on 29th November **2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

4. Subject Access Request (SAR) The SAR that you have submitted is being responded to separately In accordance with required timescales.

5. Communications

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and 21 November **2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on 22nd November **2016**.

6. Housing Options As a single resident living in a one-bedroom property, the Council considers that you son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour

against his neighbours to be able to refer him for a **transfer** on the housing register.

He can make an on line application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.gov.uk. His eligibility for **transfer** will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted. Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Further information can be found online using the URLs below:

www.homeswapper.co.uk.

https://www.enfield.gov.uk/forms/form/203/fresh_start_scheme.

If you wish to discuss this matter please do not hesitate to contact me. Please note that I away from the office and will be returning on Tuesday 3rd January 2017.

Yours Sincerely_

Dear Concetta Nobile

Thank you, for the update and information you will need I have my driving licence but since 08 June 2015 the paper part is no longer needed so I do not have this so do not have both parts only the card. I have bills to show my address dated within the last 3 months so that should not be a problem. As for the information I have asked for it is all the information that is held by Enfield Council within all departments. This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about myself. The minutes from the meeting that was held about me by Enfield council on the 15/12/2016 with regard to the formal complaints that was put in. I did request minutes were taken when I was told I could not attend. Any phone calls made by myself or my mother on my behalf to Enfield Council All that were put in for Enfield Council to address this would include all comments made on any such report such as I have removed all my piping for my heating system. All my housing benefit and anything to do with my rent account and council Tax. Any complaints that have been put in about me this would include any neighbours or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction. If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld. As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released. If you could get back to me about the "ID" I would be grateful and get this emailed across to you so that this can be dealt with.

Regards

Simon Cordell

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and

threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

DIRECTIONS ORDER

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by

his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street.

As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes.

He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked

down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

12/05/2017:

Find attached my file notes related to Sarah Fletcher's (Neighbourhood Officer) visits to Burncroft Avenue and encounters with Mr Cordell.

6. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

7. The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems with the lady. Since then the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin and me.
8. The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.
9. The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported

42. On **9th June 2017**, my cousin returned from work late at night and as he opened the main communal door, the Defendant came out of his flat and started to shout abuse at him. As my cousin brought out his mobile phone to record the incident, the Defendant snatched the phone from him. A struggle ensued as my cousin tried to get his phone back from the Defendant. The Defendant then physically attacked my cousin; he grabbed my cousin round his arm and neck and injured his arm thereby causing it to bleed. My cousin managed to get his phone back and called the police. The police attended within 10 minutes and my cousin explained to them what happened, and they went to speak to the Defendant, but he refused to let them in.

43. On **16th June 2017 at 11:55am**, the Defendant confronted my wife outside the main entrance door as she was going to pick our daughter from school and accused her of making noise. was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

46. On **28th June 2017 at 11:45am**, the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. The Defendant demanded that we should pay him some money and that my wife should tell me to come and talk to him. The Defendant also accused my wife of making noises inside our flat.

47. On **30th June 2017 at 11:45am**, the Defendant confronted my wife as she was leaving the block to go and pick up our daughter from school and accused her of slamming the door. My wife denied slamming the door and the Defendant called her a liar and proceeded to swear and shout abuse at her.

As we left the block, the Defendant came running after us and was shouting abuse and swearing at me and said to me that I should pay him some money if I want him to leave me and my family alone. and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

49. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two

floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a

few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any

noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal

with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they

also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone but he continued to swear and shout abuse at them. They then walked away.

T.

03/01/2017 at 10.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him a lying cunt and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims of anti-social behaviour and to see if they rehouse them.

10. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

11. The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems with the lady. Since then the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin and me.

12. The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.

13. The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside

the communal hallway and staircase without a lead. I have reported

64. On **9th June 2017**, my cousin returned from work late at night and as he opened the main communal door, the Defendant came out of his flat and started to shout abuse at him. As my cousin brought out his mobile phone to record the incident, the Defendant snatched the phone from him. A struggle ensued as my cousin tried to get his phone back from the Defendant. The Defendant then physically attacked my cousin; he grabbed my cousin round his arm and neck and injured his arm thereby causing it to bleed. My cousin managed to get his phone back and called the police. was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

68. On 28th June 2017 at 11:45am, the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak

with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. The Defendant demanded that we should pay him some money and that my wife should tell me to come and talk to him. The Defendant also accused my wife of making noises inside our flat.

69. On **30th June 2017 at 11:45am**, the Defendant confronted my wife as she was leaving the block to go and pick up our daughter from school and accused her of slamming the door. My wife denied slamming the door and the Defendant called her a liar and proceeded to swear and shout abuse at her.

As we left the block, the Defendant came running after us and was shouting abuse and swearing at me and said to me that I should pay him some money if I want him to leave me and my family alone. The Defendant also said to me that he has all our personal details including phone numbers, date of birth

and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

71. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

Statement of Truth

I believe the facts in this Witness Statement are true.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at

her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and

will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. 06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting

the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

WITNESS STATEMENT

OF

MR JOHN IRVING

I, Mr. John Irving, of 117 Bumcroft Avenue, Enfield, EN3 7JQ (Leaseholder) make this statement believing it to be true and understand that it may be placed before court. Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

I am the landlord of Flat 117 Bumcroft Avenue, Enfield, EN3 7JQ. The flat is located just above the Defendant's. The Property is currently let to Mr Mathiyalagan and it is being occupied by him, wife and his children.

I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment

and alarm to me, my tenants and other residents on Bumcroft Avenue, Enfield, EN3 7JQ. The application also seeks access to the Defendant's Property to enable the Claimant to carry out checks on the Defendant's water pipes which are possibly affecting my tenant's water pressure and supply.

Background

3. In the evening of **12 July 2017**, I met with one of the Council's in-house legal surveyors, Mr Neville Gray with regards to an ongoing low water pressure issue. Mr Gray attended my property (Flat 117) at 11am on the day and

agreed that the water pressure was not adequate. An attempt was made to gain access to the two flats immediately below, including the Defendant's but this was unsuccessful.

4. At approximately 17.00 hrs the same day I was contacted by the managing agent informing me that there was now no water at the flat. I contacted Mr Gray and we both decided to attend the Property out of hours. I arrived at the flat to discover that water had been totally cut off for approx. 30 minutes, but surprisingly shortly after our arrival a supply was resumed and with good pressure. This despite the fact that low pressure had been a continual problem since **27 December 2016**. Thames Water and plumbers have attended my property on at least 5 occasions but could not find a reason for the low pressure.

5. The Defendant lives in Flat 109 and in conjunction with his mother/mediator, was contacted by Mr Neville Gray with the intention of inspecting his flat. However, this was declined by the Defendant. Although I was inside the block, (on the landing), I watched the discussion from the open window. It was obvious the Defendant was becoming increasingly agitated by the raised voices and approaches towards Mr Gray. I could

see that he was not comfortable with the situation, and he backed off. He seemed to be very vocal with an aggressive manner, which was intimidating; at this point Mr Gray called for the police to attend.

6. I wish to add that on a previous visit to the property on **26 January 2017**, to resolve the low water pressure, the Defendant had informed me that he was restricting the supply and stated: you will not solve the problem as I am restricting their water supply'. This was mentioned to me in front of an independent witness, a plumber who was attending with me. As I was leaving my Property, I saw the Defendant in the communal hallway and asked whether he could reinstate the water pressure to my tenant's property, however he responded by saying I cannot do anything at the moment I will sort it out later. This information has previously been reported to the Claimant.

Statement of Truth

I believe the facts in this Witness Statement are true.

Signed.

Dear Mr Cordell,

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours. The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on

04th October 2016

you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up. It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy. If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

2701,

2.2.1 Anti-social behaviour, nuisance and noise disturbance.

We will consider all legal remedies available to us to deal with anti-social behaviour, domestic abuse, harassment, rate crime, nuisance, gang activity and other criminal activity where this is supported by sufficient evidence.

If we take legal action, we will ask the court to give us an order against you for the legal costs we have incurred.

Condition 10. You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social.

Condition 11. You must install any radio and/or video equipment or carry out any physical measures to respond to any nuisance or anti-social behaviour which you are suffering from without first consulting us.

2.2.3 Harassment and hate crime.

Condition 16. You must not harass or threaten to harass anyone because of their age, colour, culture, disability, ethnic origin, gender, gender reassignment, HIV status, nationality, race, religion, sexual orientation or for any reason.

2.2.6 Other unacceptable behaviour

Condition 21. You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the police.

2.15 Pet(s) and animal(s)

Condition 76. You have the right to keep one pet, or animal such as a cat, a dog, small bird, fish, non-poisonous insect, spider, small snake or lizard, rabbit, hamster, guinea pig, mouse, gerbil or domestic rat as long as they do not cause damage to the property, or nuisance or annoyance to anyone in your locality.

Condition 81. If your pet(s) or animal(s) is/are causing a nuisance, annoyance or disturbance to others, or is/are being treated inappropriately or cruelly, we

2702,

will take action and give written notice asking you to remove it/them from your home.

It is very important that we meet with you to discuss these very serious allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield,

EN1 3XY at 2pm on Tuesday, 6th December **2016** to discuss this matter.

Please ask to see Mr Lemmy Nwabuisi from the ASB Team, Community Safety Unit at the reception when you get to the Civic Centre.

Yours Sincerely

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on 29th December 2016 to arrange to meet with you on 6th December 2016 to discuss these reports, but you cancelled the meeting. I wrote to you again on 31st January 2017 to arrange to meet with you on 9th February 2017, you also cancelled the meeting. I then wrote to you again on 16th February 2017 to arrange to meet with you on 22nd February 2017 and again you cancelled the meeting. I have enclosed all three letters for your information.

It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your neighbours. The allegations made against you by your neighbours, if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on Wednesday, 22nd March 2017 to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you.

Dear Mr Cordell,

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th November 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged, that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.

It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy. If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:
