27. On
EE.

12th July 2017

Mr. Neville Gary, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr.-Neville Gary attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely but the Defendant also refused him access.

The Defendant later shouted abuse and swear words at Mr. Gary and would not allow him to approach his car.

Mr. Gary has provided a witness statement in relation to this incident.

28. The Defendant is in breach of the following conditions of his tenancy agreement;

Condition 10 - "You must not act in any way which causes, or is likely to cause, a 'nuisance or annoyance or is anti-social."

Condition 21. - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a counsellor. This applies at any time and in any place. We may report the matter to the Police".

Condition 31 - "You must take care not to cause damage to your property or the property of your neighbours",

Condition 33 - "You must-keep the inside of your property clean and in reasonable decorative order".

Condition 34 - "You must not use the property in any way that may cause a health and safety' hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)"

Condition 53 - "You must keep the inside of the property, the fixtures and fittings and glass if. The property in good repair during the tenancy"

29. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother, but he declined to attend. Letters were sent to him on

These letters are exhibited at pages 63-70 of the exhibit bundle.

30. I have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

31. The Claimant's operatives have had difficulties in accessing the Defendant's flat. to inspect the state of the property and the unauthorized works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant the Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since

NN.

December 2016

The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

32. The Defendant has intimidated the residents in the entire block and because of his Behaviour, we have received numerous complaints from residents, requests to be **transferred** from the block and we have had to move a vulnerable tenant from the block.

33. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening Behaviour. towards the Claimant's members of staff and his neighbors. A Notice of Seeking Possession has been served to him and possession action is being considered.

However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the

Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

And in the Evening and of the Night

The tenants of 113 - 117 and 111 Continue to victimize me by-

Stain knocked on my letter box and woke me up again this Morning, when he is leaving his premises, like a person playing the game called knock down ginger!

Then the Loud and aggressive banging in the bathe room got worse and this got achieved by the new tent of 113 and the original tents of 117 slamming objects on to their floors with evil intent of criminal actions!

At the night time Stain played with his front door locks to try and scare me again!

The Mathiyalagan family and also Stain Curtis off 111 Burncroft Avenue continue Slamming the water tap on and off, and now with George Quinton also involved I continue to document their Hate Crime towards me and report it to the relevant persons without any fair prosses of support and this is causing damage too my health and the buildings fixtures at an unacceptable rate!

Jumping on the floor above me when I am studying!

They all mentioned in the address of 111 Burncroft Avenue keep Dropping articles on to their own wooden flooring to make loud banging noises!

Stain banged on the kitchen wall again with intent of victimising me on a full 4-hour assaults!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me

causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

R.

23 December 2016 and they were advised to contact the council.

S.

26/12/2016 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone but he continued to swear and shout abuse at them. They then walked away.

T.

03/01/2017 at 10.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him a lying cunt and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims of anti-social behaviour and to see if they rehouse them.

DIRECTIONS ORDER

1. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

2. The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems with the lady. Since then the Defendant has made living in

this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin and me.

3. The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.
4. The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported

was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

23. On **28th June 2017 at 11:45am**, the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

26. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about

ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

Statement of Truth

I believe the facts in this Witness Statement are true.

DIRECTIONS ORDER

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived at Burncroft Avenue in temporary accommodation provided by Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV

he installed on the internal communal door attached.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a

lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his

family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to

terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Backgrounds facts

3. This matter was allocated to the Claimant's Legal Services department in **August 2017**, following many complaints received from some of the Claimant's employees and residents living in the same block as the Defendant. The Claimant's anti-social behaviour team instructed our legal services to issue an application for an injunction under the Anti- Social Behaviour, Crime and Policing Act **2014**.

4. An ex-parte application was made and the Court made an interim injunction order against the Defendant on **09th August 2017**. The matter was re-listed for a return hearing on **21st August 2017** but adjourned to **25th September 2017** where the Defendant attended with his legal representative. The Defendant indicated that it wished to defend the claim and some directions order was made.

5. The parties were ordered to file their directions questionnaire by **23rd October 2017**; however, this deadline was overlooked by me and the Court made an order on **06th November 2017** asking the Claimant to file a completed directions questionnaire by 4pm on **17th November 2017**. A copy of the Order can be found under exhibit L11.

6. On **17th November 2017 at 11 ;59**, I sent an email to the Court on the following address: enquiries@edmonton.countycourt.asi.Qov.uk. with a copy of the Claimant's directions questionnaire. The Defendant's solicitors were also copied into this email. A copy of this email is attached in exhibit LI2.

7. Just before filing the directions questionnaire with the Court, I contacted the Defendant's solicitors on **16th November 2017**, Mr Emmanuel Onwusiri of VLS Solicitors, with a suggested draft directions order. However, he responded by saying that it was not necessary to agree directions in the proposed form. He was therefore fully aware of the fact that I was about to file the Claimant's directions questionnaire. A copy of my email correspondence to Mr Onwusiri can be found in exhibit LI3.

DIRECTIONS ORDER

8. I then received an order from the Court dated **13th December 2017**, advising me that a judge has considered the file and having seen that the questionnaire was received on 20th November **2017**, has decided to apply the sanction as set out in the order dated **06th November 2017**. As a result, the Claim was struck out and the interim injunction made on **09th August 2017** was discharged. A copy of the order is attached under exhibit LI4.

9. Upon receiving the above order, I emailed the Defendant's solicitors Mr Onwusiri and advised him that the Court made the order in error as the Claimant had filed the directions questionnaire electronically on **17th November 2017**. Mr Onwusiri was fully aware of this fact as he was copied in to the email. A copy of my email to Mr Onwusiri dated **15th December 2017** can be found under exhibit LI5.

10. On **14th December 2017**, Ms Zena Ndereyimana on behalf of the Claimant's legal services emailed the Edmonton County Court advising that Claimant's directions questionnaire was emailed to the Court on **17th November 2017** and provided evidence in support. The email requested that the Court reconsider the order dated **13th December 2017** as the Claimant has complied with the earlier directions order made on **06th November 2017**. A copy of the email correspondence to the Court can be found in exhibit LI6.

11. **The Claimant has received no response from the Court following the email it sent out on 14th November 2017.**

12. On **03rd January 2017** I received an order from the Edmonton County Court ordering the Claimant to pay the Defendant's costs of the action on a standard basis to be assessed if not agreed. Please refer to exhibit LI7. The order was made after the Defendant's representatives filed an application notice at Court on **21st December 2017**. The application was only received by the Claimant on **27 December 2017** and as I was on annual leave, the application notice only came to my attention on **03rd January 2017**, so I was not able to respond.

MR SIMON CORDELL

DIRECTIONS ORDER

13. It was inappropriate for the Defendant's representatives to have made this application as he was fully aware of the fact that our directions questionnaire was dully filed at Court on **17th November 2017**. He was copied in to all the correspondence sent to the Court. He was also advised by me that the Court must have made an error when it stated to have received the order on **20th November 2017** while clearly it received it electronically on **17th November 2017**.

I am of the view that the Defendant's representatives have taken advantage of the situation as when making this application he already knew of the fact that the Claimant's questionnaire was filed on **17th November 2017** and there could be a possibility of the Court reconsidering its decision of striking out the Claim. I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court. The Court order dated **02nd January 2018** could have been avoided had the Defendant acted with more fairness and this conduct has partly triggered the necessity to make this application notice which means that the Claimant is now incurring more costs.

14. I am also instructed that since the Court made the interim injunction order on **09th August 2017**, the Defendant's anti-social behaviour has ceased towards the neighbours and no complaints have been received from them. I am therefore of the view that the residents and employees of the Claimant could be prejudice if the Claim and interim injunction order were not reinstated.

15. As a result of the above, we would like the Court to set aside the orders made on **13th December 2017** and **02nd December 2018**. The Claimant would also like the Claim and interim injunction to be reinstated and an order that the Defendant pays the Claimant's costs as his conduct has led to the necessity to make the present application.

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016**.

I will respond to the issues you raised as follows;

1. Anti-Social Behaviour Order

We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.

2. CCTV

We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

1. Subject Access Request (SAR)

The SAR that you have submitted is being responded to separately in accordance with required timescales.

2. Communications

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

3. Housing Options

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. OPERATIONAL REFERENCE NO./PTI URN: 01YE0355816 DEFENDANT: Simon

CORDELL (D.O.B. 26/01/1981)

Dear A. PARMAR

I am writing this letter due to the letter of discontinuance you sent to my solicitors dated the 15/11/2016.

I asked my solicitors to obtain my custody records for when I was arrested on the 14/08/2016 for Threats to kill, where I was taken to Wood Green Police station as Edmonton police station was closed due to ongoing work being carried out, which has never been supplied by the CPS or police to myself or my acting solicitors before this case was discontinued, for this case I was bailed until the 04/10/2016 as they classed me as unfit for interview.

I was charged on the 05/10/2016 for Section 4 POA for this case. The Office in charge of this case was PC Campbell PC 205732 he was the person that interviewed me for both the case of the 14/08/2016 and the 04/10/2016.

On the 04/10/2016 I was again arrested just before I was due to go to Edmonton Police station for the bail to return for the above case this time for Criminal damage, I was interviewed for both cases by the above named police officer and charged on the 05/10/2016 for both dates the charges where Section 4 POA and Criminal damage I have also asked for the my custody records for the 04/10/2016 and this has also not been supplied to myself or my acting solicitors.

I would still like a copy of the custody records so they can be filed with my paper work and was wondering if you could send me a copy of the custody records for the whole of my detention for the 14/08/2016 and the 04/10/2016 I would be most grateful if this could be done.

I believe custody record no for the 14/08/2016 is 01YD 6024 16 but I am not sure of the custody record no for the 04/10/2016.

I have also never had any paperwork for the Criminal damage charge and again would like copies of these and the statement from the person who said I done what I did. As my solicitors was only ever served the paperwork for the case for the 14/08/2016.

I like to keep all my paper work on file so without the missing papers work I cannot do this, I believe due to being charged I do have a right to the paper work and would be grateful if this could be sent via this email address I hope you can help in this matter.

If you cannot help in this matter could you please let me know via this email address

lorraine32@blueyonder.co.uk

Regards

Mr Simon Cordell

Stain 111 Burncroft Avenue on my life also attacked me by hitting the kitchen wall with metal objects I can tell they are metal because of the noise it makes when he does it to have the negative effect he desires to create and I keep on washing all of my cloths so that they do not smell of the damp but the smell continues to linger on and become noticeable on all of my garments!

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday

04/11/2016 at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Joint home visit conducted with Lemmy. Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

Many Thanks

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and

that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that

he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr John Bates on
behalf of his friend Mr Stanley Curtis. He explained
that Mr Curtis is 83 and having to attend court to give
evidence against a male named Simon Cordell who
verbally abused him. We are aware of Simon Cordell
as Steve/Pat obtained an ASBO against him for
illegal raves etc. I believe he is also a council tenant

■ request I contacted the victim explained the reason for my call – Mr Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016 at 2:30 pm then we discuss the matter further.**

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care
he advised that the CPS have dropped the case of
Curtis v Cordell. Reason - Not enough evidence to
provide a realistic prospect of any conviction. In
further discussion Thomas said DC Campbell was of
ill - has now returned; however, he said he will
contact Mr Curtis in relation to the current position of
the matter. I asked Tom if the CPS will be writing to

Mr Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: 16/11/2016: 16/11/2016:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis. She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr Curtis and Karen to hand deliver incident diaries.

28/11/2016:

Copy of the letter sent to Mr Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Mr Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. **The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016**. However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

5. **The Defendant was previously known to the Claimant and an anti-social behaviour order was made on 4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise**, for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1**.

7. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported this incident to the police and was given reference number CAD

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

11. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

12. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, **I'm gonna take her job just for fun**' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

13. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016**. A file note of this incident is at page 37 of the exhibit bundle.

14. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

15. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

16. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

17. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

18. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

20. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

21. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

22. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. 24. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

25. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block

without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

26. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

2. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

3. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

4. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the

Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on **04/10/2016**, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**. On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and

his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make

out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

Lemmy for the Enfield Council Asb team office

11/01/2017:

I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat; he went around to SC's flat to introduce himself: After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police .and that he was trying to sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues. Straight after he moved in, SC will come up to his flat at least once a week to shout at him he would complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to

him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr. Quinton stated that on

04/10/2016

he. was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/

04/10/2016

On n/12/16,

SC came up to his flat 3 times to shout abuse and complain 'about noise from his flat. Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and. called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough: SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has. been away for a long time and that his family was coming to look after his dog. He asked SC if he knew. anything about his bike and SC replied 'You know what; I'm a grown man I'm not gonna lie, it-was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up' more' He then asked SC about his tyres which was punctured with knife and he denied cutting them he then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised. SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look. About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them. Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction. He stated that his friends. Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Dear 'Concetta Nobile'

Thank you, for the update and information you will need I have my driving licence but since 08 June 2015 the

paper part is no longer needed so I do not have this so do not have both parts only the card. I have bills to show my address dated within the last 3 months so that should not be a problem. As for the information I have asked for it is all the information that is held by Enfield Council within all departments. This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about myself. The minutes from the meeting that was held about me by Enfield council on the 15/12/2016 with regard to the formal complaints that was put in. I did request minutes were taken when I was told I could not attend. Any phone calls made by myself or my mother on my behalf to Enfield

Council All that were put in for Enfield Council to address this would include all comments made on any such report such as I have removed all my piping for my heating system. All my housing benefit and anything to do with my rent account and council Tax. Any complaints that have been put in about me this would include any neighbours or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction. If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld. As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released. If you could get back to me about the ID, I would be grateful and get this emailed across to you so that this can be dealt with.

Dear 'Concetta Nobile'

Thank you, for the update and information you will need I have my driving licence but since 08 June 2015 the paper part is no longer needed so I do not have this so do not have both parts only the card. I have bills to show my address dated within the last 3 months so that should not be a problem. As for the information I have asked for it is all the information that is held by Enfield Council within all departments. This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about myself. The minutes from the meeting that was held about me by Enfield council on the 15/12/2016 with regard to the formal complaints that was put in. Dear Dionne Grant

I requested this as said on the 24/11/2016 and I did not get a reply about the ID that was needed until the 21/12/2016, I wrote back on the 22/12/2016 asking about the ID due to what was written in the email from Concetta, but before this Daniel Ellis repeatedly asked for contract to be made with me about my request as he was over seeing my complaint. As said above this did not happen until the 21/12/2016. I do not understand why I will need to wait longer for my request when it was not down to me as to the delay.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that

as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise. She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. 06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back

and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Mr Mathiyalagan telephoned to report an incident that happened today **at 11,55am** as his wife was going to pick their daughter from school. He stated that Simon confronted her outside the communal entrance door and said to her that he knows what time she goes out and when she returns and to tell her husband that he wants to speak to him. He also stated that another incident happened on Friday **16/06/2017 at 11.55am** when Simon confronted his wife as was going to pick their daughter from school and accused

her of making noise. He stated that Simon also told his wife that he has their bank account and personal details and that she should tell him to pay him money.

26/06/2017:

Mr Mathiyalagan telephoned to report an incident that occurred on Friday **23/06/2017**. He stated that his cousin returned from work at **11.35pm** and as he entered the block, Simon Cordell came out of his flat with his dog swearing and shouting abuse at his cousin and attacked him by punching him twice on the chest. He stated that SC tried to push his cousin out of the block and snatched his cousin's mobile phone as he tried to record the incident, but he managed to get the phone back from him. He stated that SC's dog was also barking loudly and was not on a lead-. Mr M stated that his wife overheard the commotion and woke him up and as they came down the stairs shouting at his cousin and asking what was going on, SC went back to his flat. They called the police and when the police came, they explained what happened. The police then went and knocked on SC's door to talk to him, but he refused to let them in. He stated that his cousin did not provoke SC in any way and did not do anything to cause SC to attack him.

03/07/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today to report further incidents with Simon Cordell and gave me a DVD recording of another incident.

Mr Mathiyalagan stated that on **28/06/2017 at 11 45am**, Simon confronted his wife at the main entrance door as she was going to pick up their daughter from school and demanded to talk to her. His wife told him that she cannot stop to talk to him as she was on her way to collect her daughter from school but he insisted on talking to her. He stated that Simon ran after her, stood in front of her, accused her of making noise inside their flat and started shouting at her and said to her that he knows all their personal details including their full

Dear Concetta Nobile

Thank you, for the update and information you will need I have my driving licence but since 08 June 2015 the paper part is no longer needed so I do not have this so do not have both parts only the card.

I have bills to show my address dated within the last 3 months so that should not be a problem.

As for the information I have asked for it is all the information that is held by Enfield Council within all departments.

This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body

4.

that has passed information to Enfield Council about myself.

The minutes from the meeting that was held about me by Enfield council on the 15/12/2016 with regard to the formal complaints that was put in. I did request minutes were taken when I was told I could not attend.

Any phone calls made by myself or my mother on my behalf to Enfield Council

All that were put in for Enfield Council to address this would include all comments made on any such report such as I have removed all my piping for my heating system.

All my housing benefit and anything to do with my rent account and council Tax.

Any complaints that have been put in about me this would include any neighbours or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction.

If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld.

As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released.

If you could get back to me about the ID, I would be grateful and get this emailed across to you so that this can be dealt with.

Dear Ms Cordell

Thank you for your email below. I am sorry for the delay in progressing your case.

Unfortunately, we are dealing with a lot of requests at the moment and this has contributed to our delay. I am also sorry that this was not explained to you at the time when we initially made contact on 21st December. Ordinarily there is a £10 fee payable for dealing with such requests however in your case we will not be applying this charge because of the delay you have experienced. I can confirm that we are now progressing with your request and Concetta is the allocated officer dealing with matters. I have also raised matters with Concetta today and she is currently reviewing your case and will be contacting you directly. I have also copied Concetta into this email for reference. I hope this helps to clarify matters further and we thank you for your patience during this time.

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was

already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the

things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Your Horner

I am written this letter after yesterday 17/01/2017 being in court and felt as did 3 other people there is no point carrying on with this Appeal as you have already made you mind up before even hearing the Appeal.

This is not the only time you have brought up the conditions the lower court set Mr Cordell when they granted the ASBO order on the 04/08/2015 after the full hearing.

We felt you was only worried about the conditions so in fact had made your mind up there was only issues with the conditions when in fact you have not even heard the Appeal. So why are you even talking about the conditions and what you believed where problems with the conditions that where set by the lower court, before even hearing the Appeal.

There was more worrying issue such as my son having a solicitor and an acting barrister for the Appeal hearing and legal Aid in place for the acting solicitors.

Your Horner knew after the last solicitor was removed from record by yourself on the 21/09/2016 when we had notified the court we were going to be late to court by 5 or 10 minutes due to traffic, by the time we got to court you had already removed the solicitors while we were not there from record.

We were told this by the acting barrister the solicitor had sent who waited at court till we got there to inform us you had granted their application they could be removed from record.

We were told by the barrister to wait at court that you would call us into court to talk to us which we did and was called into court around 16:00 hours as you were dealing with other trial.

On being called into court you were told by the Respondent Barrister this was not the only time the solicitors had put an application to be removed from record this had been done on the 19/02/2016 again just before the trial was due to start on the 22/02/2016 and had been dismissed by His Honour Judge Morrison sitting that day and notes put by His Honour Judge Morrison, If any attempt is made to repeat this application the Court will require it to be made in person by the Senior Partner of Michael Carroll & Co. You said you could not force a solicitor to act against their will, but no acting Senior Partner of Michael Carroll & Co was in court.

We at this point we asked for an adjournment of the 3 day Appeal hearing that was due to start on the 26/09/2016 to get a new solicitor put in place which you refused to do and stated my son could do this himself, there was great concern with this due to my son's learning problems not being able to read and write and health problems which you was aware of.

In fact my son could not even attend court due to this on the 26/09/2016 due to what this had done to him and made him so ill I had to write a letter to yourself which on the 26/09/2016 had to be addressed by you.

22,

Letter-to-Judge-18-01-2017.doc

At that hearing I told you I had spent days calling solicitors trying to get one put in place and no one would take the case on due to this being at appeal stage and how much legal Aid paid for appeal hearings and I was being told we would have to pay private to get a solicitor so my son could have a barrister put in place for the appeal hearing to act for him, you said due to the letter I had written you had 3 option open to you and believed this would go to judicial review.

1. Carry on with the Appeal hearing in the hope my son would turn up the next day
27/09/2016.

2. Dismiss the Appeal.

3. Adjourn the Appeal to a later date.

You choose to adjourn the Appeal to a later date to start on the 16/01/2017

Issues were also raised about the bundles we were working from which were old Respondent bundles and files being missing. We had worked that out when waiting to be called into court with the Respondent barrister. You order that the solicitor hand the bundles over to us that day. And set a date for us to come back to court to check we were all working from the same bundles. I believe this date was the 14/10/2016.

Upon getting the bundles from the solicitors it was noted that my own son's bundle had not been updated since Dec 2015. I tried to add the documents that were missing myself and make new indexes up but knew there were still missing documents. It was also noticed that the Respondent bundles we were working from there was around 13 missing statements we had never seen before all dated before the full hearing on the 03/08/2015 and 04/08/2015 at the lower court that we had never seen before.

On the 14/10/2016 you were informed of this and ordered the solicitors to attend court I believe this date was for the 19/10/2016 the Appeal hearing date was also changed to start on the 17/01/2017 for 3 days.

I tried again to contact the solicitors to work out what was missing so I could add it and they did not get back to me.

On the 19/10/2016 the solicitors did not turn up at court which you were not please about I had tried to add and index as much documents as I could but could not be sure 100% if I had all the missing documents.

A new date was set when again you ordered the solicitors to attend and had also contacted the new company Miss Ward worked for. Later that day Miss ward contacted me, and we meet to go over my son's bundle to check the documents and see if there were

23,

Letter-to-Judge-18-01-2017.doc

any missing documents left that needed to be added. Miss ward believed I had covered all the documents.

Each time this was in court after the 26/09/2016 I informed you I was having a great deal of trouble finding a new solicitor to take this case on due to it being at appeal stage. On the 19/12/2016 I wrote a letter to you saying I had tried everything and could not get a new solicitor and asking if the court could help. I got a reply from you from the court on the 21/12/2016 stating.

Good afternoon

Your emailed was placed before HHJ Pawlak who replies:

'We cannot help

1. The Appellants solicitor came off the record at your request not at the direction of the Court
2. This is the Appellants appeal and it first came before the Court in January 2016
3. The Appellant has had long enough to find a solicitor and/or counsel
4. The Court cannot force a solicitor to act against his will for a client.'

Point 1: is incorrect my son did not ask for his solicitors to be taken of record.

Point 2: I believe is also incorrect as this was listed before the court on 26/10/2015.

Point 3: I was doing all I could to find a solicitor and/or counsel. I also cannot force a solicitor and/or counsel to take an appeal case on and I could not afford to pay for one if I could have paid for one, I would have done so long ago.

On the 12/01/2017 late in the day as I did not give up trying to get a new solicitor to take this case on I was given a number for a company called MK-Law I broke down on the phone to them as they were the 1st solicitors who even wanted to hear about the case after I said it was at appeal stage.

They were willing to act as long as legal aid was put in place. I got an email sent to them on the 13/01/2017 re transferring legal aid as I believed it was still in place with the old

24,

Letter-to-Judge-18-01-2017.doc

solicitors from what I had been told by the court. They were also going to need time to get all the bundles and go over them and meet with my son. I do not have an office or an office printer to copy all the bundles and I was only sent one copy from the Respondent due to all the issues with the bundles.

On the 16/01/2017 I know that MK-Law contacted the court about legal aid.

On the 17/01/2017 the appeal hearing was due to start and MK-law sent a Barrister to the court to address the matters of legal aid and ask for an court adjournment so they had time to get the bundles in order have time to go over them and meet with my son and deal with the appeal in the correct way how it should be done.

There were issues with legal aid, and it was said it was granted but the old solicitors were saying it was revoked Legal aid was of little help as they could only say if it had been revoked or not.

You refused the court adjournment and said you would give MK-Law the 17/01/2017 to get updated with the case and meet my son and get the bundles in order and could not see a problem with legal aid. And the Appeal would start with them or not on the 18/01/2017. seeing as we did not get out of court until around 13:00 hours yesterday this was down to half a day to be ready for this appeal hearing on the 18/01/2017.

How is a new solicitor want to get involved in a case when they have not even had time to go over it in the correct way so once again my son has been left with no acting solicitors and is meant to deal with this on his own? My son has learning problems and health problems how is he meant to cope with this?

- Issues from the start of this case from when it started in 2014

We have never been given any discloser which has been asked for many times.

The whole case relies on hearsay.

We know the Met police hold information on their systems that prove my son never done this and this has been said many times. This is being covered up.

PNC has information on it that is incorrect which has been said in the lower court and appeal court many times.

Statements of police have information in them that can be proven to be incorrect.

Witness statements being written and signed for by police.

CAD timelines being incorrect and so much redaction with them and covering up they have nothing to do with this case.

The list above is only a few of the issues yet this was meant to be a fair trial in the lower court and this appeal.

There are beaches of my son's ECHR which both the court and the police have to follow, and this has not been done in this case.

25,

Letter-to-Judge-18-01-2017.doc

You know my son has health problems and the stress that is being put on him is not making these health problems any better he should not be subjected to what has been going on in this case.

I feel I only have one option left and that is to take this to judicial review due to what has gone on from the start of this case to date.

To Whom It May Concern:

I am writing this down for Simon Cordell to an incident that happen 12/09/2014 around the Time off around 12:00pm Of concern to all of many factors such as British Standards relevant to good business practice.

Human Rights, Laws protecting our community governed by the United Kingdom well as many other relevant factors. as of date prior explained in this chapter what happened leading up to events today at address. 109 Burncroft Avenue EN3 7JQ on the 12/09/2014

Mr Simon Cordell was at home making plans for positive future development in regard to his company and future proposals as well as relevant documents and data,

To the surprise of a knock on his front door, this was a surprise because he has no intercom and was expecting no visitors.

So with this all explained he was cautious to open the door, as he approached the door with caution of unexpected visitors he looked into the keyhole on his front door,

He could see it was the police through his keyhole. He asked them without opening the door what was wanted of him, they said they needed to talk to him. At this point Mr Simon Cordell opened his door a little to see what the police wanted to talk to him about, once the door was opened a little they then said to him that they wanted to serve some documents on him at which point Mr Simon Cordell replied he was not willing to accept anything and closed the door.

Upon closing his door he told the police he was not being rude but he was not willing to accept receipt of any documents due to him having learning difficulties as noted on the police national police system and other governing services, which he then heard the lady police officer say through the closed door I was again looking through the keyhole watching what the police officers was doing I heard the “ Lady police officer say what should we do to the man police officer said just put it on the floor in front of the door and he took some letters from the lady police officer and posted them into my letter box”

The Man police officer posted 4 pages of papers in Mr Simon Cordell letter box and the lady police officer put a large blue file on Mr Simon Cordell front doorstep outside.

My son then called me and told me what had happened but due to a death in the family I was unable to attend his address until today the 13/09/2014 when I got to Mr Simon Cordell address I saw the blue folder that the police had left at his front door which was in plain view of anyone. It had been opened and left open so anyone could have looked into it.

I was shocked to see that inside the document there was full details of Mr Simon Cordell and also other people names under the data protection act the police should have never left this folder outside Mr Simon Cordell address which would give anyone access to it.

I am going to the police station to hand this back to them as it was never served on Mr Simon Cordell and he will not accept it from the police. I am not sure if any papers are missing from the folder as I said it was opened on the floor when I got there.

I believe that the police when Mr Simon Cordell did not accept the documents they should have took them back with them and arranged for signed delivery or tried to again serve them on Mr Simon Cordell as the file is far too big to put into a letter box.

This is also a complaint due to the data protection issues that the police could have avoided by not leaving the folder on a doorstep that anyone had access to. The folder would have never fitted in a letter box and I do not feel that the police putting 4 bits of paper in a letter box is serving

27,

anyone the full paperwork which should have been done and not just left it on the doorstep for anyone to see and read and take data out of it if they so wished, this is a breach of the data protection act.

I have taken pictures of the folder and I am disgusted that the police could just leave a folder with such data on a doorstep.

Mr Simon Cordell will not accept the file or paperwork that was put in his letter box and there for have not be rightly served.

I would like this issue looked into and to be informed if there is any paperwork missing from the folder which have full details and information to Mr Simon Cordell and other people.

Regards

Miss L Cordell

18/01/2016

Your Horner HHJ PAWLAK

I am written this letter after yesterday 17/01/2017 being in court and felt as did 3 other people there is no point carrying on with this Appeal as you have already made you mind up before even hearing the Appeal.

This is not the only time you have brought up the conditions the lower court set Mr Cordell when they granted the ASBO order on the 04/08/2015 after the full hearing.

We felt you was only worried about the conditions so in fact had made your mind up there was only issues with the conditions when in fact you have not even heard the Appeal. So why are you even talking about the conditions and what you believed where problems with the conditions that where set by the lower court, before even hearing the Appeal.

There was more worrying issue such as my son having a solicitor and an acting barrister for the Appeal hearing and legal Aid in place for the acting solicitors.

Your Horner knew after the last solicitor was removed from record by yourself on the 21/09/2016 when we had notified the court we were going to be late to court by 5 or 10 minutes due to traffic, by the time we got to court you had already removed the solicitors while we were not there from record.

We were told this by the acting barrister the solicitor had sent who waited at court till we got there to inform us you had granted their application they could be removed from record.

We were told by the barrister to wait at court that you would call us into court to talk to us which we did and was called into court around 16:00 hours as you were dealing with other trial.

On being called into court you were told by the Respondent Barrister this was not the only time the solicitors had put an application to be removed from record this had been done on

the 19/02/2016 again just before the trial was due to start on the 22/02/2016 and had been dismissed by His Honour Judge Morrison sitting that day and notes put by His Honour Judge Morrison, If any attempt is made to repeat this application the Court will require it to be made in person by the Senior Partner of Michael Carroll & Co. You said you could not force a solicitor to act against their will, but no acting Senior Partner of Michael Carroll & Co was in court.

We at this point we asked for an adjournment of the 3 day Appeal hearing that was due to start on the 26/09/2016 to get a new solicitor put in place which you refused to do and stated my son could do this himself, there was great concern with this due to my son's learning problems not being able to read and write and health problems which you was aware of. In fact my son could not even attend court due to this on the 26/09/2016 due to what this had done to him and made him so ill I had to write a letter to yourself which on the 26/09/2016 had to be addressed by you.

272

30,

Letter-to-HHJ PAWLAK-18-01-2017.pdf

At that hearing I told you I had spent days calling solicitors trying to get one put in place and no one would take the case on due to this being at appeal stage and how much legal Aid paid for appeal hearings and I was being told we would have to pay private to get a solicitor so my son could have a barrister put in place for the appeal hearing to act for him, you said due to the letter I had written you had 3 option open to you and believed this would go to judicial review.

1. Carry on with the Appeal hearing in the hope my son would turn up the next day
27/09/2016.

2. Dismiss the Appeal.

3. Adjourn the Appeal to a later date.

You choose to adjourn the Appeal to a later date to start on the 16/01/2017 and said for us to get a solicitor which you said you would help with and make sure legal aid was in place.

Issues were also raised about the bundles we were working from which were old Respondent bundles and files being missing. (It was not wonder the solicitors wanted to dismiss themselves) We had worked that out when waiting to be called into court with the Respondent barrister. You order that the solicitor hand the bundles over to us that day. And set a date for us to come back to court to check we were all working from the same bundles. I believe this date was the 14/10/2016.

Upon getting the bundles from the solicitors it was noted that my own son's bundle had not been updated since Dec 2015. I tried to add the documents that were missing myself and make new indexes up but knew there were still missing documents. It was also noticed that the Respondent bundles we were working from there was around 13 missing statements we had never seen before all dated before the full hearing on the 03/08/2015 and 04/08/2015 at the lower court that we had never seen before.

On the 14/10/2016 you were informed of this and ordered the solicitors to attend court I believe this date was for the 19/10/2016 the Appeal hearing date was also changed to start on the 17/01/2017 for 3 days.

Again you were told the problems I was having trying to get a new solicitor to take this case on.

I tried again to contact the solicitors to work out what was missing so I could add it and they did not get back to me.

On the 19/10/2016 the solicitors did not turn up at court which you were not please about I had tried to add and index as much documents as I could but could not be sure 100% if I had all the missing documents.

I have taken pictures of the folder and I am disgusted that the police could just leave a folder with such data on a doorstep.

Mr Simon Cordell will not accept the file or paperwork that was put in his letter box and there for have not be rightly served.

21/01/2017 when Mr Corded aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

5. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

6. The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I

refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems with the lady. Since then the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin and me.

7. The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.
8. The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported

41. On **9th June 2017**, my cousin returned from work late at night and as he opened the main communal door, the Defendant came out of his flat and started to shout abuse at him. As my

The Defendant then physically attacked my cousin; he grabbed my cousin round his arm and neck and injured his arm thereby causing it to bleed. was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

45. On **28th June 2017 at 11:45am**, the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. The Defendant demanded that we should pay him some money and that my wife should tell me to come and talk to him. The Defendant also accused my wife of making noises inside our flat.

46. On **30th June 2017 at 11:45am**, the Defendant confronted my wife as she was leaving the block to go and pick up our daughter from school and accused her of slamming the door. My wife denied slamming the door and the Defendant called her a liar and proceeded to swear and shout abuse at her.

I told him that I was not going to give him any money and that he should go and work so that he could earn some money. As we left the block, the Defendant came running after us and was

shouting abuse and swearing at me and said to me that I should pay him some money if I want him to leave me and my family alone. The Defendant also said to me that he has all our personal details including phone numbers, date of birth

and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

48. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I

no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment to me and other residents.

BACKGROUND

3. The problems that I have encountered with this tenant have been a regular occurrence since the commencement of my tenancy. The Defendant would come to my flat three or four times a week, on occasion this would occur more frequently whereby he would extend this harassment to not only myself but to my visitors also often following them as they would leave the building. He would often play loud music after which he would become very argumentative and bang on my door accusing me and my visitors of maliciously making loud noises to annoy him.

4. The Defendant would often make threats to me and on one particular occasion the Defendant said to me, 'he is on a curfew for 12 days, but he would come 'after me' once this is over'.

5. The Defendant had also made accusations claiming that the noises I was allegedly causing had resulted in the sudden death of his child.

6. On another occasion on the **9th October 2016** the Defendant came to my flat banging on the door and when I answered immediately started shouting at me. He then went downstairs and about ten minutes later he approached my moped which was parked outside the building and started smashing it with a wooden stick. The damage that caused to my vehicle was significant and prevented me from using it for some time and caused me to lose my job through lack of transport which was a requirement of my employment. The

damage to the motorcycle was damage to tyres,

with both the breaks and the mirrors. The matter was reported to the Police who attended and arrested the Defendant. A crime reference number was obtained relating to this incident and I will be happy to provide this at the hearing when I attend. I also have a recording of conversation - between the Defendant and I where he admitted having caused damages to my moped. The recording will be provided at the hearing.

7. A further incident occurred with the Defendant around **January 2017** whereby he came to my front door and started shouting and complaining about noise and that he was being wrongfully accused by the Police and accused myself and other tenants of 'being out to get him'. I asked him to leave but he refused to do this, so I then left my flat to stay at my friends as the Defendants behaviour had scared me. When I returned to the property a couple of days later, superglue had been inserted into the front entrance door lock preventing me from gaining access, this also caused the key to break.

8. This was reported to the council and an order was required to gain entry to my property.

This was recorded under works order reference number 1814013/1.

9. Due to the erratic and abusive behaviour of this tenant I have been forced to flee my property because I feel scared and uncomfortable and I have not returned since. As a result of this I have also fallen into arrears, I am now facing homelessness.

DIRECTIONS ORDER

28. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burhcroft Avenue.

29. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy

agreement and terms and conditions are hereby attached at pages 1-24.

30. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016**. However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

31. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise**, for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

32. On **6th August 2016**, the Defendant threatened and shouted abuse at Mr and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1**.

33. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016**. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

34. On **27th September 2016**, Mr Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

35. On **28th September 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

36. On **11th November 2016**, my former colleague, **Sarah Fletcher interviewed an elderly**

resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-September 2016, one of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle LNI.

37. I had meetings with Mr George Quinton, one of the Defendant's neighbours on 16th December 2016 and 11th January 2017. He reported that he was experiencing problems with the Defendant's behaviour, and that on 4th October 2016, the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the

front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

38. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, I'm gonna take her job just for fun' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

39. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016**. A file note of this incident is at page 37 of the exhibit bundle.

40. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

41. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

42. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

43. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

44. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

46. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

47. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

48. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

50. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

51. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

52. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

53. On **12th July 2017**, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

h. The Defendant is in breach of the following conditions of his tenancy agreement;

i. **Condition 10** - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

j. **Condition 21** - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the Police".

n. Condition 53 - “You must keep the inside of the property, the fixtures and fittings and glass in the property in good repair during the tenancy”

2. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. 30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the

team and was informed that he is no longer under their care.

5. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

6. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

7. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. 03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street.

As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Dear Martin

As you know the case in **2013** when the police lied to KGM about my Son Simon Cordell, this case is still ongoing under complaint re the police officer. As part of their investigation they were meant to have contacted you to get a report of the 1st phone call that was made on that day which was to you by Simon where Simon passed his phone to the police officer for you to speak to and you told the police officer Simon was insured and the police officer never said anything about any tools. It was after this the police officer felt the need to contact KGM and say what he did to make Simon insurance void so he could do what he wanted. This was not done by the 1st investigation and a reinvestigation is now ongoing. I was wondering if you kept the audio of phone calls made to Broadsure and if so, could a copy be made of that call. If not, could you write something up so it could be passed to the investigating officer. As I sure notes should still be on file. If you could get back to me in regards to this I would be most grateful.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to

know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Threats and intimidation (General)

Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri

Home visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

She was on her way out to attend her appointment with her CPN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't

taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call. She found this very frustrating and advised that it was not the first time this would happen to her. Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. Ms Andrews felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates Bola Quadri has already put in place a safe guard alert.

Hi Dolly,

Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense. We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke

to him and things seemed to get better. After that we have had no further calls from the lady at 118.

We will try and get around to see her when were back on duty on Monday.

Kind Regards

Good afternoon Mark,

Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.

As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services.

However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.

She advised that she had reported this to the police a few times but, wasn't taken seriously. I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.

Thank you for your support and assistance

Good afternoon Louise,

Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.

Ms Andrews suffers from a history of mental health; she is currently being supported by Bola Quadri Care-coordinator / CPN / Nurse Prescriber Psychosis Service Line Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP

She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her. The mean concern here is that the perpetrator in question also suffers from mental health and is known to be very aggressive, violet and anti-police. He has on a few occasions threatened to kill her and petrified the life out of her.

It was on this basis that a decision was made to move her out immediately.

Hope the above information is useful.

Hi Louise,

Thanks for this - I'm pleased to hear you think Deborah is being properly supported and that she sounded better - she was in a right state when we spoke to her last.

Good news that it looks like she might be able to get help to move.

For the camera, we are very happy to come along for a visit. I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to Cordell. Let me know when your best days for it would be and I'll see when we can manage best.

Best wishes,

Hi James,

I spoke with Deborah Andrews this morning; the leak issue was sorted over the weekend this was from the flat above.

I do not know anything about Mr Cordell moving in two weeks' time, unless she is getting confused with his threat that he will get her in two weeks' time? Overall, I am concerned that Deborah is not managing and appears to be getting more confused the last few times I have spoken to her last week and today, she is also feeling that she needs further support by way of supported accommodation. I do agree with her as the level of support that St John of God provide is high and the dependency with other agencies is also constant and not something that housing or myself could provide long term.

Deborah was much calmer this morning and I reassured her that if she has any concerns to contact me.

With regard to the camera not he is not allowed it to be train on anything else other than his front door. Probably means I will need to visit him to get this sorted. I may request your assistance with this I don't really fancy

Subject: Cordell

Hi Louise,

I hope you are well.

Since 15/01/2016 we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.

Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and Cordell has been making accusations relating to it. She said that she believes Cordell is leaving his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?

Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.

While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!

Best wishes,

James

Hi Louise, Jackie,

Mr Cordell called this afternoon requesting to speak with yourselves in regard to his case against his neighbour.

I am sure you know the details however; he did say that his neighbour is making noise when he undresses. He did go on to mention an incident that resulted in both himself and his neighbour in an awkward position when he attempted to help her move her bed.

Mr Cordell is expecting a call back this afternoon.

Kind Regards

Dear Sarah,

Thank you for your email and updated information. This incident yesterday I am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence. Yes, this is a separate incident to 15.01.2016. The police were not called as a crime had not been committed and Barbara was able to walk away without Mr Cordell trying to prevent her or following her. In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) Yvonne has copied Bola into the same communication as yourself and expressed concerns. Debbie has also contacted Bola. I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation. Supported living is something Bola would need to arrange. Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team?

Please can you confirm if she has expressed this to staff at St John of god? Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?

As you are aware, Debbie has said that she is not coping and I understand that you are in the process of providing a report in order to facilitate Debbie to move. Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take?

Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater? We are requested and funded to provide 6 hours support per week (3 hours twice a week for shopping). Bola is responsible for increasing the care package if Debbie is assessed as needing more support. With regard to the Safe guarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am

raising this directly with George Benyure Bolas manger. My understanding was that Bola had already raised a safeguarding alert?

Subject: Debra Andrews Importance: High Sensitivity: Confidential This message has been sent on behalf of Yvonne Stacey.

Hi Louise

I am extremely concerned about Debbie Andrewes neighbour and the increased risk to the support workers and indeed Debbie, who, as you are aware is unable to leave her own home unescorted.

Yesterday it was reported to me that the neighbour approached Barbara de Polla as she entered the communal door, he was very aggressive and began shouting at her saying, you should not be coming here, she is an alcoholic, you shouldn't take her out anywhere etc." Barbara said that she did not want to talk about it and walked away from him, luckily, he did not follow her.

In relation to Debbie is safety, I strongly feel that it is only a matter of time before something serious or even fatal happens to her. As you are aware, the neighbour has a dog, which appears to be a Staffordshire bull terrier which

Page 18 of 21

he allows to roam free in the communal area which is highly intimidating and potentially very dangerous.

Please can you clarify the interim safeguarding protection plan and timescale as to when Debbie will be moved to a place of safety.

I have completed an internal incident form and unfortunately, if another incident occurs, I will have no other option but to temporarily withdraw our service, which will put Debbie in a situation where she is even more at risk.

I look forward to hearing from you at your earliest convenience.

Dear **George & Bola**,

Thank you for your email, I have only copied you both as there is other information on Mr Cordell that urgently needs to be considered.

I received an email informing me that a mental health warrant had been granted for Mr Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations.

Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.

Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a

position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it js a quick jab, in and out no one speaks with you. With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process and all elements need to be considered. It is not necessary for Ms Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms Andrews.

Transferring Ms Andrews into another independent accommodation without fully assessing her current needs and the full support required should to be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support

Threats and intimidation (General)

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

R

16/12/2016: I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

Page: 3 of 3

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked

SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

Many Thanks

As to our view about Mr Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man. Mr Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Speaker 2:	05:30	Your call is important to us. Please continue to hold and we will answer your call as soon as possible.
Speaker 2:	05:44	Good afternoon Luran Speaking how can I help
Speaker 3:	05:46	Hello. How are you doing? My asking you speaking again.
New Speaker:	05:48	My name is Luran
Speaker 3:	05:51	How are you doing Luran,.
New Speaker:	05:52	I'm I am just trying to get a case resolved that I've seem to have ongoing. There is a serious miscarriage of justice and it was, I'm can I give you the case number.
New Speaker:	06:03	Yes, please.
New Speaker:	06:03	Hey, how you doing? And the case number is A20150064

Speaker 3:	06:10	is thatA2.
New Speaker:	06:10	A for Alpha 201500 (500) 64.
Speaker 4:	06:22	Is that a Magistrates Court number, sorry? Sor have you got another number that begins with eight one or eight seven one seven
Speaker 5:	06:27	no, this was in Wood Green. No, I actually, this isn't the correct number. Can I give you my name and do it through the number because it changed for the appeal date? The case number did. So, can I give it to you for the Appeal please.
Speaker 4:	06:38	all right.
New Speaker:	06:39	My name.
New Speaker:	06:40	Have you been even to them? have you been to the magistrates court?
New Speaker:	06:42	Yeah.
Speaker 5:	06:43	I went to this magistrates court and when I went to this magistrates court, I kept. I went, I, I had a case put against me for the organization of a legal raves. So, it stated illegal inside of it, I never got arrested for the organization of illegal raves. So I think that was a serious miscarriage in justice, that I weren't arrested for something that was illegal Me and my barrister, come to court in Highbury and Islington and what we understood is that we was fighting against defending myself against the organization of illegal Raves, I copied the Facebook accounts of the people that I was being accused of being, which I still have here now. And I kept trying and I didn't want to submit them in to the, into the files until the Crown Prosecution file 2011 I requested for MG6 b or e in regards to all criminal prosecutions of all of the people that was dealing with me.
Speaker 5:	07:30	And there's a bloke called Robert Taylor who was the barrister. He falsified all of the paper. He was also under criminal investigation for another case for holding someone illegal. Now I have a court number here and is it, okay, if I give this to you with a pen and you have a pen.
New Speaker:	07:44	Yep.
New Speaker:	07:44	It's, it's called the clarity of Highbury Corner Court, magistrates commissioner of the place of Metropolitan 2007 1wlr1272 2006 ewhc 1869 and what that says is a case can't rely solely on hearsay and they agreed for that in Civil Litigation and criminal and also for Asbo's. And this happened in Highbury Corner Court. Now when I went to court, I noticed that each police officer had done four statements in a second perspective, pretending to be like Um, writing for the victims and there's no victims Signatures at the bottom of none of the victim's statements. So, I kept asking for the

witnesses to attend court and no witnesses would attend to the Highbury and Islington Court. now.

Speaker 4: [08:39](#) Ok, Sorry, just to stop you there. I'm not legally trained so I can only ask can only, I can only help you with some details of the case can I take your name and then I can look to see what's going I can look to see what's going on, ok.

Speaker 5: [08:52](#) My name is Mr. Simon Paul. Cordell. My Christian name is Paul and my last surname is Cordell, C.O.R.D.E.L.L. Now being held illegally in my house. I've got a nine year. I've got five years for the injunction order itself that they put on me illegally when there's no victim statement or signatures. Everything was hearsay in the whole file. Yeah. Plus, on top of everything being hearsay all the timestamps to the 999 calls to the cads are wrong. Yeah. Plus, in inside the paperwork it says that white males and females commit the offense. Yeah. Now I'm an IC3 so I can't fit an Ic1 profile So, they knew it wasn't me. Now I've got these Facebook profiles here and I built a website called horrific corruption.com and I have put everything inside of it, that has happened. Made brand new pdf books for it all, I had 30 appeal dates.

Speaker 5: [09:46](#) and 20 appeal dates at wood green crown court and Wood Green crown court failed me and my Human Rights as well as this court. You had no, there was no witnesses in the court and you were illegally holding me in my house. Now if I got arrested for the organization of illegal raves, I could get six months maximum sentence and do three months inside prison and three outsides. Now somehow I've got a standalone Asbo, not even a CBO, so it's not supposed to be a criminal prosecution under the Organization of Illegal Raves and somehow I got five years plus the two years for the injunction order, which makes seven years curfew plus on top of the seven year curfew, I've read a year for another case that I just won prior to that as well from the same court as here. So in total, I'm riding an eight year curfew now it says lady howl and Prince Philip, who are who do the supreme crown court in their film It says that they can't even detain a erm, detain somebody that's going to blow up this country for that long inside of a house, let alone somebody less dealing with a civil dispute over music. Yeah. Now I'm very upset that I'm being held illegally in my house right now and at this court's authorized for it all to happen. Yeah. I'm documenting my report down every single day and everything that's happened to me in the meantime from my impact statement, from my recovery of my damages, that I am suffering throughout and it's been a

continuation of foul play or breaches, a process and a breach of trust under the criminal attempt Act. Yeah, that has been found. It's been played from this court now I would like to, I would like to call a statutory Duty in the court and no is now, and I'd like you to help me issue that if you'd be great, if you'd be kind enough to do so. And I would like to be able to call this back into the court as an EGM meeting an emergency application. I'd like you maybe now if you,

Speaker 4: [11:35](#)

OK, I can't do anything over the phone I'm afraid

Speaker 5: [11:39](#)

Yes, but can you put me onto the court manager?

New Speaker: [11:41](#)

I don't have the power.

New Speaker: [11:41](#)

Can you put me onto the court manager.

New Speaker: [11:42](#)

we don't have one, they don't have the power for that.

Speaker 4: [11:44](#)

The Clark?

New Speaker: [11:45](#)

Oh, they don't have the power for that.

New Speaker: [11:48](#)

The Clark.

New Speaker: [11:48](#)

Everything. Everything has to be submitted in writing to the court.

New Speaker: [11:51](#)

Yes, I can. I can accept that everything has to be submitted

Speaker 5: [11:54](#)

but if I come to the court today year, or I come to the court tomorrow with my evidence that I've been set up by the judges in this court. In your courthouse. Yes. And that they understand the laws from the case number that I just gave you from 2006 that no case can rely solely on hearsay evidence without first hand witnesses. I requested the witnesses, I'm right. I shouldn't be riding a nine-year curfew if they didn't have enough for a criminal conviction in the beginning and to arrest me. Yeah. They shouldn't have. They shouldn't have given me nine years otherwise now on top of the nine years that I'm riding yeah. That I'm supposed to be riding, I'm not, I, I've, I understand that a standalone Asbo is not supposed to be a form of punishment, but I understand that I've got a 10 o'clock curfew and a curfew is used, people get that for early release from prison.

Speaker 5: [12:41](#)

Yeah. Early release from prison. It's a form of punishment. So how if they involve a stand, uh, uh, a curfew inside of a standalone Asbo if they didn't have enough for a criminal conviction and to follow after with a CBO Asbo. Yeah, I'm very upset with that. I'm being held in my house every day and I've got lots of other government members now. I've had another possession order put on me since then after that possession Order I have had an injunction order put on me then another injunction order and then another injunction order and all my neighbours attack me in my house continuously because to cover up the missing signatures I was phoning up all of the 999 call centres

saying to them that you're missing your signatures and you're missing all this stuff. Then I was recording all the conversations, the minutes to the meetings cause you your, your, your, your servant for the full fall for the queen now and you're being paid a wage.

Speaker 5: [13:29](#) So this is classed as a meeting so I am aloud to take the recordings of these meetings in a digital format, I can give you the case number. So, I'm recording all these conversations and, and transcribed them up afterwards. You know, I made over a hundred phone calls to the court um, to the police station explaining to them about their missing signatures and about and requesting all the MG, all of the Crown prosecution **2011** files. I requested everything correctly and they've just they have just, they started to spread that I had a disease in the public to scare me out of the country. And, and I've never had nothing wrong with me. I've got all my medical notes and everything there to prove this, to cover up this case, now that I'm talking to you about, they, they use a use, my partner and me and my partner have never argued.

Speaker 5: [14:11](#) She's not my partner no longer, but we never ever, ever argued throughout all of this happening. So, we've still got I've got emails of me and her talking till **2016** that we never argued. Yeah. And texts in my phone, I put into my report year, and we've never had it, me and her have never had a dispute. Then Sally Gilchrist, the head of the Metropolitan Police legal executive who was dealing with all of my cases and all the paperwork. She come to all your court, all the court cases. She, she started spreading all this stuff about my personal data and they've tried to attempt to put an attempt to murder me. Yeah. It's more than hate crime. Yeah, it's, it's an issue. They've tried to, to do that. There's a breach of our personal data in the beginning and it was an attempt to cover up what's going on. In this case, this court has turned.

New Speaker: [14:53](#) Ok.

New Speaker: [14:53](#) This court has turned its phones off for how long.

New Speaker: [14:56](#) Mr. Cordell.

New Speaker: [14:56](#) Can we call this back into the court please?

Speaker 4: [14:59](#) Sorry, I can try and put you through, but there's no guarantee that I think that someone will answer pick up the phone

Speaker 5: [15:05](#) How long has these court numbers,.

New Speaker: [15:07](#) I accept that

Speaker 4: [15:08](#) We are very busy at the moment.

Speaker 5: [15:09](#) It's an emergency. Meeting,

Speaker 4: [15:11](#) We've only taken over the calls for Highbury, within the last six months.

New Speaker:	15:15	Year because Highbury.
New Speaker:	15:15	we deal with all the calls.
New Speaker:	15:21	How long, Go on sorry.
New Speaker:	15:21	We deal with all the courts for every magistrate court in London, so we've taken over their calls where we're an outsource call centre. We're not based in Highbury Magistrates Court. We're not based in any magistrate's court
Speaker 5:	15:29	Because they turned their phone lines because I was phoning them about all of this and recording it in the beginning. I except that.
New Speaker:	15:35	ok, So,.
New Speaker:	15:35	So, now. I know that. Okay. Okay. Like I except that I can understand what you're saying. Thank you for explaining that to me.
Speaker 4:	15:40	So, what I'm advising, what I'm saying as well, what I'm advising you to do. If you want. Any application you have, any application you have to make to the court has to be made in my writing. That's the only that the best you have to go before the legal advisors. It's not down to the court managers whether they can accept the hearing. They have to go before someone that is legally trained in the court.
Speaker 5:	15:57	I Except that this is how I use, I've got the contract that use lot have got now, because I was recording the conversations and over what I'm just explained to you and what they've done to me and my partner to cover all of this up and that why now they turned the phones off to the courtroom and now today I phoned for the first time in ages to check because I've been dealing with these other possession orders and an injunction orders that I have had overturned and I noticed it was back on. So, I'm thinking I'm going through to the court and that's why I've been a bit more so if I've been, if I've been more than what I was when your job's worth, I apologize to you for that.
New Speaker:	16:29	So, what I will do if you can just hold the line for a second for me please.
Speaker 4:	16:30	I will, I'll do that cause he just hold the line for me. I'll see if I can put you through, if I can't put you through, I'll come back to you. And as I said, I can't, I can't, visicley can't do anything, but you need to send something in writing to the court. If you want to go down to the court you can do. But you have to go down when the public councils open. but I can't, there is no guarantee that I can put you through to someone because they are very busy. Can you just hold the line for one second for me? You'll hear some music and I'll just see what's going on. Okay, thank you.
New Speaker:	16:56	Thank you.

Speaker 6:	17:49	Right, thank you.
Speaker 5:	19:24	Hello.
New Speaker:	19:25	Hello, Highbury Corner Court how can I help you.
New Speaker:	19:25	Hello, can I just go through a case with you? So, may I ask who I am speaking to?
Speaker 7:	19:30	Miss Mill's,.
New Speaker:	19:30	Miss Mill's I am the customer service.
New Speaker:	19:31	How are you doing Ms. Mills? My name is Mr. Simon Cordell.
New Speaker:	19:34	Hmm, Hmm.
Speaker 5:	19:36	and I have an issue with the court and a miscarriage of justice as the court is illegally detaining me in my house at present and it's an emergency. Matter, that I would like to be able to call back before the court, Hm, a load of police officers fraudulently built an application in Highbury and Islington Court and we'll out of it and brought, well presented it into Highbury and Islington Court. There were no witnesses that attended the court. And I've gone over the paperwork. It basically says is what it's basically says to the organization of illegal raves. I never got arrested for anything that was illegal. The maximum sentence if you did get arrested it would be six months, do three month's insides. Somehow, they put a standalone as Asbo against me, which is for non-criminal offense I went to court to defend myself against the claim, which was the organization of illegal raves. They couldn't prove illegality in the court, but somehow, I've ended up with a five-year curfew and two years for the injunction order, which is seven years plus. I've ridden a year for another case which I one, which is eight years of my life. I'm on curfew right now.
Speaker 7:	20:38	Have you emailed the court,
Speaker 5:	20:40	I've spoken to, I spoke to the court on numerous occasions in regards to it, but at the time the court, so what was, what was you advised.
Speaker 7:	20:45	my advice, was at the time, we just.
Speaker 5:	20:47	No, what was the deal? What was the advice given to you?
New Speaker:	20:49	at the time was to go through to go through the appeal stages? So, I took it to wood green crown court and I went through the approval stages and we had 20 different dates in the crown court. I still never at the end of it all managed to actually have a trial in regards to my claims. They just kept trying to say, oh, I'm going crazy. And I kept winning by the doctors and proving there was nothing wrong with me. What each police officer actually done is they, they pretended that um, say, you've got, say there was two parties on two roads that are half a mile away from each other. The police knew that one party was going on for six months prior.
Speaker 5:	20:52	

Now that, that that was one had been going on six months prior is opposite a police No, opposite of a train station.

Speaker 5: [21:32](#)

Now another party, got closed down in Essex and because it, I wasn't involved in none of this, I was in my house. Yeah. And that's the truth. Because the other party, got closed down in Essex, a police officer called Adrian combs, landed in the field and spoke to the people and served them in abatement notice, which I have a copy of here now, which he says he served Chris lurcher Lewis. Yeah. And he owns Hippy Fest Party, which I'm being accused for now. Straight after that, the police, this police officer, sent them Metropolitan Police to Chris lurchers profile and they took his profile out of it because his white and put mine in it and then they scribbled all over it. I'm a black boy on the block all in the application. Now I noticed year, that all of the 999 call all of the CAD calls the timestamps go backwards and forwards for it.

Speaker 5: [22:19](#)

So I know noticed that um, they, they're all for progress way. So, because they are all for progress way, which is this, which is the other party to where the boy moved to. So now what the police done is they took all the crown road parties and put them into the folder and redacted most of the crown road name out of there and pretended that they were progress way so they made up the 999 calls for this other building and used another party that was going on that day, but they forgot to take out the x 2 y locations. And on some of the pages they forgot to take out crown road. Now when I asked, when asked under oath if they're sure that every party in that folder is actually progress way, they swear under oath in your court in that courthouse. Now I've got the transcripts here that approve that, but now I've done my homework. You can see they're all really crown road and there really was no call's to progress way, which they've sent me up. Now they have each done four statements each and at the bottom of their statements. Therefore, therefore the members of the public that are supposed to be kept up overnight, that's what this is all about. None of them have put their statements, their signature at the bottom of them. So, there's each four police.

Speaker 7: [23:23](#)

Hello, can I. Hello Mr. Cordell. I know that you are explaining to me and I'm working in the customer service department, right? What you're telling me, um, what is it you exactly want that I can **transfer** you.

New Speaker: [23:32](#)

I need.

New Speaker: [23:32](#)

Because I've got quite a few calls coming through

Speaker 5:	23:36	I need to be able to get back, I'm illegally being detained in my house right now. Supposed to ride another two and a half years illegally being detained in my house. I like to call an emergency application back into the court, a Stationary Declaration of notice.
Speaker 7:	23:48	well you need to email us with that. Um, you, have you got our email address.
Speaker 5:	23:53	I've, I've w I've got an email for the court.
Speaker 7:	23:57	Yeah. have you got the new, the new one the London north mc@justice.gov.UK?
New Speaker:	24:04	London north.
New Speaker:	24:04	Because, we changed up our email address.
Speaker 5:	24:07	Yeah, because now all the phone numbers because I was making lots of recordings.
New Speaker:	24:10	Let me finish.
New Speaker:	24:11	Yeah, because a lot of it has changed up now. So, what I'll give you is the new email address.
Speaker 5:	24:19	I have got that already. I just got it on Google just now
Speaker 7:	24:22	London North MC @justice.gov.uk.
New Speaker:	24:27	Ok. I have got that already. but can I not have.
New Speaker:	24:27	Hold on, hold on because what I'm trying to explain to you is that we. because we don't do thing over the phone now, thing have all change up. So, what you just told me, so you could just put it in an email,
New Speaker:	24:40	Can I not just come into the courthouse itself.
New Speaker:	24:41	No, it's not like that. Everything's all changed up now.
Speaker 5:	24:46	I got an official report here, which is thousands of pages and I can't send that to yourselves.
New Speaker:	24:50	Yes but I know, but you need to do it
Speaker 7:	24:50	Yes but I know, but you need to do it, before you come up, we cannot deal with anything because everything is done by appointments. So, this is what I'm trying to explain to you.
New Speaker:	24:59	Yeah, I am listening to you.
New Speaker:	24:59	If he can just, if you just email and everything what you just said to me.
New Speaker:	25:04	Yeah.
New Speaker:	25:04	Okay. Put a contact telephone number.
New Speaker:	25:07	ok. because we did not contact you by telephone. We will respond to your, um, email address. Okay. But you just have to bear with us throughout because we are a bit shorter staff. It's coming up to the summer holidays. I know that shouldn't be a problem. You know, it shouldn't be a problem.
Speaker 5:	25:23	I'm illegally detained in my house and I can't go out because of the police officers that have set me up for this.
New Speaker:	25:30	I know. I hear you; I hear you.
New Speaker:	25:30	Yeah, I followed them up and I'd been making phone calls.

New Speaker:	25:32	Mr. Cordell.
New Speaker:	25:32	May, I say something to you madam, I know you've listened to a lot. Yeah. Madam and I appreciate your time so far and I know you are an important lady and that you need to help a lot of other people. But in true in all truth, I was speaking to the court's making recordings and they turned off their whole phones to the whole court just to avoid this case. Yeah, now, they've just been turned back on. That's why the court phones got turned off. I've got hundreds of recordings explaining this and going through the, I've got formal complaints in regards to,
New Speaker:	25:58	I do understand.
New Speaker:	25:59	they say that I'm a, white person in the paperwork? It says that I'm a white people. White females or males committed the crime. I'm an IR3 black 3.
New Speaker:	25:59	
Speaker 7:	26:07	Yes, but hold on. Hello Mr Cordell, I know that your frustrated and that you want to get your point across, but unfortunately what you're requesting, I don't deal with it, where customers,
New Speaker:	26:19	Can I speak to the Clark manager?
New Speaker:	26:21	Yeah, but that's what I'm saying there all in court now it's half past two.
Speaker 5:	26:24	It's an emergency. Matter it a tier one level offence.
New Speaker:	26:26	We do not deal with things like that.
New Speaker:	26:26	Year, but there is corruption within your offices.

WITNESS STATEMENT

OF

MR JOHN IRVING

I, Mr. John Irving, of 117 Bumcroft Avenue, Enfield, EN3 7JQ (Leaseholder) make this statement believing it to be true and understand that it may be placed before court. Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

I am the landlord of Flat 117 Bumcroft Avenue, Enfield, EN3 7JQ. The flat is located just above the Defendant's. The Property is currently let to Mr Mathiyalagan and it is being occupied by him, wife and his children.

I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment

and alarm to me, my tenants and other residents on Bumcroft Avenue, Enfield, EN3 7JQ. The application also seeks access to the Defendant's Property to enable the Claimant to

carry out checks on the Defendant's water pipes which are possibly affecting my tenant's water pressure and supply.

Background

3. In the evening of **12 July 2017**, I met with one of the Council's in-house legal surveyors, Mr Neville Gray with regards to an ongoing low water pressure issue. Mr Gray attended my property (Flat 117) at 11am on the day and agreed that the water pressure was not adequate. An attempt was made to gain access to the two flats immediately below, including the Defendant's but this was unsuccessful.

4. At approximately 17.00 hrs the same day I was contacted by the managing agent informing me that there was now no water at the flat. I contacted Mr Gray and we both decided to attend the Property out of hours. I arrived at the flat to discover that water had been totally cut off for approx. 30 minutes, but surprisingly shortly after our arrival a supply was resumed and with good pressure. This despite the fact that low pressure had been a continual problem since **27 December 2016**. Thames Water and plumbers have attended my property on at least 5 occasions but could not find a reason for the low pressure.

5. The Defendant lives in Flat 109 and in conjunction with his mother/mediator, was contacted by Mr Neville Gray with the intention of inspecting his flat. However, this was declined by the Defendant. Although I was inside the block, (on the landing), I watched the discussion from the open window. It was obvious the Defendant was becoming increasingly agitated by the raised voices and approaches towards Mr Gray. I could

see that he was not comfortable with the situation, and he backed off. He seemed to be very vocal with an aggressive manner, which was intimidating; at this point Mr Gray called for the police to attend.

6. I wish to add that on a previous visit to the property on **26 January 2017**, to resolve the low water pressure, the Defendant had informed me that he was restricting the supply and stated: you will not solve the problem as I am restricting their water supply'. This was mentioned to me in

front of an independent witness, a plumber who was attending with me. As I was leaving my Property, I saw the Defendant in the communal hallway and asked whether he could reinstate the water pressure to my tenant's property, however he responded by saying I cannot do anything at the moment I will sort it out later. This information has previously been reported to the Claimant.

Statement of Truth

I believe the facts in this Witness Statement are true.

Re: Low water pressure to 117 Burncroft Avenue

Subject: [SEC=OFFICIAL]

Ref: 117 Burncroft Ave, Enfield, EN3 7JQ low water pressure - harassment by tenant at 109

Thurs **26/01/2017** - While in attendance at 117 Burncroft, where we were attempting to resolve a low water pressure issue, we were approached by the tenant of 109 Burncroft the ground floor flat. He stated that there were problems between him and the tenants of 117 without going into specific details. I was with a private plumber who was looking at the low water pressure problem at 117. We explained the problem to the tenant from 109 who stated, 'you will riot solve the problem as I am restricting their water supply!' obviously both myself and the plumber were shocked at this statement. Despite thorough investigation to the low water pressure problem we were unable to increase the pressure. However, before leaving the site I knocked at 109 asking whether he would increase their pressure, he

stated 'I cannot do anything at the moment I will sort it out later! Despite the attendance of Thames Water (twice), the agent's plumber, my plumber and various sub-contractors from Enfield Homes this matter remains unresolved.

Yes, I am dealing with on behalf of my son have been from the start. So, if everything can be done via this email, I would be grateful. I will look at the attached document today, but do believe you have had contact with Martin Jerkins and he confirms that the Police officer did not say about any tools or Mr Cordell going around doing odd jobs on that call. As the police officer did when he made the call to KGM.

Good Morning,

You are correct, I am to re-investigate the matter. I look forward to working with you to bring this matter to a satisfactory conclusion. Early in December I wrote to Mr Cordell though received no reply. I wrote to him again in early January though again received no reply. If you're dealing with this matter on his behalf then that explains it. Am I to assume I'm to communicate with you going forward?

I've attached the letter I sent to Mr Cordell. I'd appreciate it if you could respond to my request at your earliest convenience. Any questions please do ask.

Ref. 117 Bumcroft Ave, Enfield, EN3 7JQ low
water pressure - harassment by tenant at 109

Thurs 26/01/17 - While in attendance at 117

Bumcroft, where we were attempting to resolve a
low water pressure issue, we were approached by
the tenant of 109 Bumcroft the ground floor flat.

He stated that there were problems between him
and the tenants of 117 without going into specific

details. I was with a private plumber who was
looking at the low water pressure problem at 117.

We explained the problem to the tenant from 109
who stated, 'you will not solve the problem as I

am restricting their water supply!' obviously both
myself and the plumber were shocked at this

statement. Despite thorough investigation to the

low water pressure problem we were unable to

increase the pressure. However, before leaving the

site I knocked at 109 asking whether he would

increase their pressure, he stated 'I cannot do

anything at the moment I will sort it out later!'.
Despite the attendance of Thames Water (twice),
the agent's plumber, my plumber and various sub-
contractors from Enfield Homes this matter
remains unresolved.

The occupiers of 117 and 111 Continued to victimizing me by: --

This is an innovation of my privacy!

Loud and aggressive banging in the bathroom got worse and this got achieved by George Quinton and the Mathiyalagan family slamming objects on to their floors with evil intent of criminal actions!

Jumping on the floor above me when I am studying

113 and 117 woke me up straight after I feel to sleep by attacking me on purpose by stamping and dropping articles above my head!

Stain has now banged on the kitchen wall for weeks at a time with intent of victimising me on a full 24-hour assault in collaboration with the other named in the address of 113 and 117!

A full investigation is supposed to take place within the first stages of my complaints once the Enfield Councils and the Enfield Homes got put in receipt of the emergency issues, I claim about but they keep on failing me!

There is also the issue of the lack of security due to old and in Modern-fitted main communal external door system's, so as living tenant to be able to see who comes in and out of the building, the locking system is faded on the buttons and any person can make out the entry code not having a security front door causes problems with security for the block of flats this

issue and the Mould on the walls and ceilings me unneeded stress inclusive of the heating and sound issues I have raised with them!

My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!

I continue to highlight my issues of concern causing me dissatisfaction with the disrepair issues within my flats but no reasonable person from Enfield Council or Enfield homes complies with their statutory duties and the time that these problems have got left to eclipse is unprofessional behaviour!

31/01/2017. Mrs Mathiyalagan stated that at about 6.30pm, she was inside her flat with her two-and-a-half- year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise, I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

Dear Mr Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on 29th November 2016 regarding these reports and invited you to meet with me at the Civic Centre on 6th December 2016 to discuss the allegations made against you, copy attached. I received a letter from your mother dated 24th November 2016 in which she stated that she does not believe that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them.

The allegations include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Mr Simon Cordell 109 Burncroft Avenue Enfield EN3 7JQ Environment Enfield Council Civic Centre, Silver Street Enfield EN13XY

I wrote to you on 29th December 2016 to arrange to meet

again on 16th February 2017 to arrange to meet with you on

have enclosed all three letters for your information.

It is unfortunate that you have repeatedly refused to meet

Subject: RE: PC/6804/13

Dear Jamie Newman,

Thank you for the below email.

I believe you have spoken to Martin Jenkins and he has confirmed with you that when Mr Cordell was spoken to by the police officer, Mr Cordell used his phone to call Martin Jenkins and Martin Jenkins confirmed he told the police officer Mr Cordell was insured to drive, and also the police officer never said anything about any tools to him on that phone call. I also made calls that day as my son also called me what was going on. I have asked many times to see a copy of the police officer note book, as until I saw the report from Jeanette Reilly, and it was confirmed the police officer did in fact have a note book, Mr Cordell always said he took notes but the police officer even said in court he never and it was only the ticket he had used that day. The reason for asking for a copy is due to the fact of the name my son give and it is stated in his note book a name was given, then it seemed to change to Mr Cordell saying he was homeless, but the police officer would have done checks of the name given, which I believe the note book proves my son give his correct name as there was no reason for him not to have done as he never done anything wrong. and this would have been confirmed when the police officer done his police checks. There is also one other issue and that is when Mr Cordell asked for an inspector to be called due to what the police officer had said to the insurance company. Mr Cordell was telling the inspector that the police officer had lied to his insurance company about tools being in the van, all it would have took was for the inspector to check the van at that time, he would have then seen something was really wrong as there

was no tools and would have seen this, and this could have been addressed there and then without the need for my son to have been arrested. If there is anything you need for me please let me know.

Dear Mr Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours. I wrote to you on 29th November 2016 regarding these reports and invited you to meet with me at the Civic Centre

on 6th December 2016 to discuss the allegations made against you, copy attached. I received a letter from your mother dated 24th November 2016 in which she stated that she does not believe that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with. The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat. These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 2pm on Thursday, 9th February

9. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

10. The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems with the lady. Since then the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin and me.

11. The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.
12. The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported

63. On **9th June 2017**, my cousin returned from work late at night and as he opened the main communal door, the Defendant came out of his flat and started to shout abuse at him. was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

67. On **28th June 2017 at 11:45am**, the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. The Defendant demanded that we should pay him some money and that my wife should tell me to come and talk to him. The Defendant also accused my wife of making noises inside our flat.

68. On **30th June 2017 at 11:45am**, the Defendant confronted my wife as she was leaving the block to go and pick up our daughter from school and accused her of slamming the door. My wife denied slamming the door and the Defendant called her a liar and proceeded to swear and shout abuse at her.

69. On **2nd July 2017 at 5:18pm**, my family and I was going out to visit some friends and as we were about to exit the block, the Defendant popped his head out of his front door and asked me when I was going to hand over the money to him. As we left the block, the Defendant came running after us and was shouting abuse and swearing at me and said to me that I should pay him some money if I want him to leave me and my family alone. The Defendant also said to me that he has all our personal details including phone numbers, date of birth

and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

70. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016 where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for 17 November 2016. A file note of this report is exhibited at pages 28-30 of the exhibit bundle LN1.

59. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

63. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. 65. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle LNI. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given

CAD 5753/**23 December 2016**. A file note of this incident is at page 37 of the exhibit bundle.

66. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

67. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

68. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

69. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

70. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

71. On **2nd July 2017**, Mr Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

72. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

73. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

74. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were

trying to fix the problem. The Defendant said to the leaseholder, “you will not resolve the problem as I am restricting their water supply”. The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

75. On **24th February 2017**, the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant’s property following reports of low water pressure in the

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

76. On **8th May 2017**, the Claimant’s officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant’s block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the

Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

77. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

78. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

79. On **12th July 2017**, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

o. The Defendant is in breach of the following conditions of his tenancy agreement;

p. Condition 10 - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

3. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother

January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

s. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016**.

The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

9. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

10. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

DIRECTIONS ORDER

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that

he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Behaviour

I write with regards to reports of anti-social
behaviour, intimidation, harassment and
threatening behaviour made against you by your
neighbours.

I wrote to you on **29th November 2016** regarding
these reports and invited you to meet with me at
the Civic Centre on **6th December 2016** to
discuss the allegations made against you, copy
attached. I received a letter from your mother
dated **24th November 2016** in which she stated
that she does not believe, that it is justified to hold
the meeting before your formal complaint and
subject access request is dealt with. I understand
these have now been dealt with.

The Enfield Council, Community Safety Unit,
Anti-Social Behaviour Team have continued to
receive various allegations from your neighbours
against you concerning alleged nuisance and anti-
social behaviour towards them. The allegations
include using threatening, abusive and insulting
words and language, aggressively demanding
money. Intimidation, making threats towards your
neighbours and tampering with the electricity and
water supply to their flat.

These are very serious breach of tenancy
conditions and it is very important that we meet

with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Environment *

31/01/2017. Mrs Mathiyalagan stated that at about 6.30pm, she was inside her flat with her two-and-a-half- year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise, I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived Burncraft Avenue in temporary

accommodation provided Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts

23 December 2016 at about 3.43pm - Mr Cordell banged on his front door while door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply. He stated that the incident was reported to the police, CAD 5753/ and they were advised to contact the council.

S.

26/12/2016 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone but he continued to swear and shout abuse at them. They then walked away.

T.

03/01/2017 at 10.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him a lying cunt and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims of anti-social behaviour and to see if they rehouse them.

I visited Mr Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole fiat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if there are excessive notices from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his fiat I then went and knocked at flat 113 but there was no response.

Hello Ms Cordell,

Thank you very much for your email, the content of which is very illustrative. I can confirm I have made contact with Mr Jenkins and can also confirm according to Mr Jenkin's recollection the officer did not mention their being tools in Simon's van. Regarding the officer's notebook, as you're aware the officer did make use of one on the day in question, of course its content will form part of my investigation. Going forward, I note that in their appeal findings the IPCC made direct reference to a transcript in your possession concerning a phone call between Broadsure Direct and KGM. Can you please send me a copy?

Dear Jamie Newman,

Thank you for the below email.

I believe you have spoken to Martin Jenkins and he has confirmed with you that when Mr Cordell was spoken to by the police officer, Mr Cordell used his phone to call Martin Jenkins and Martin Jenkins confirmed he told the police officer Mr Cordell was insured to drive, and also the police officer never said anything about any tools to him on that phone call. I also made calls that day as my son also called me what was going on. I have asked many times to see a copy of the police officer note book, as until I saw the report from Jeanette Reilly, and it was confirmed the police officer did in fact have a note book, Mr Cordell always said he took notes but the police officer even said in court he never and it was only the ticket he had used that day. The reason for asking for a copy is due to the fact of the name my son give and it is stated in his note book a name was given, then it seemed to change to Mr Cordell saying he was homeless, but the police officer would have done checks of the name given, which I believe the note book proves my son give his correct name as there was no reason for him not to have done as he never done anything wrong. and this would have been confirmed when the police officer done his police checks. There is also one other issue and that is when Mr Cordell asked for an inspector to be called due to what the police officer had said to the insurance company. Mr Cordell was telling the inspector that the police officer had lied to his insurance company about tools being in the vane, all it would have took was for the inspector

to check the van at that time, he would have then seen something was really wrong as there was no tools and would have seen this, and this could have been addressed there and then without the need for my son to have been arrested. If there is anything you need for me please let me know.

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived at Burncroft Avenue in temporary accommodation provided by Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and

threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street.

As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked

down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment,
Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour,
intimidation, harassment and threatening behaviour made
against you by your neighbours.

I wrote to you on **29th November 2016** regarding these
reports you to meet with me at the Civic Centre on **5th**
December 2016 to discuss the allegations made against you,
copy attached. I received a letter from your mother dated
24th November 2016 in which she stated that she does not
believe that it is justified to hold the meeting before your

formal complaint and subject access request is dealt with. I understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them.

The allegations include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation, making threats towards your neighbors and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 2pm on

Thursday, 9th February

Dear Sarah Fletcher

After Mr Cordell got the hand delivered letter yesterday, he called the out of hour's team.

Miss Gaccey

Ref no T1484282

Who told him they were going out last night to him?

Which they did and confirmed that the low water pressure is not coming from his flat, Mr Cordell also has low water pressure and a full report was made up last night by the out of hours team. I will also say in the last 3 week Mr Cordell has allowed Thames Water into check his flat who told him the problem was not in his flat and he also had low water pressure, and then Mr Cordell also allowed 2 males that the landlord sent out from the 3rd floor to enter his flat and also check and nothing was found to be wrong in Mr Cordell's flat. I do not understand why the council is not aware of this already as it seems that Enfield Council is putting the blame solely on Mr Cordell when the problem is not within his flat. And taking complaints from people on the 3rd floor saying the issue is within Mr Cordell's flat when it is not and they know it. This needs to stop and Enfield council needs to address what is going on here. The neighbours are not leaving Mr Cordell alone. It seems as if Enfield Council is fast enough to blame Mr Cordell for everything that is going on band, I believe this is due to a number of issues including the colour of Mr Cordell skin. I am still waiting for the Subject access request also I will also be replying to Mr Lemmy Nwabuisi letter I got today via email by tomorrow. And will also be dealing with the reply to my complaint letter once I have the subject access request.

Dear Mr Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on 29th November 2016 regarding these reports and invited you to meet with me at the Civic Centre on 6th December 2016 to discuss the allegations made against you, copy attached. I received a letter from your mother dated 24th November 2016 in which she stated that she does not believe that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 2pm on Thursday, 9th February

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up. .

It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.

Hello Ms Cordell,

Thank you very much for your email, the content of which is very illustrative. I can confirm I have made contact with Mr Jenkins and can also confirm according to Mr Jenkin's recollection the officer did not mention their being tools in Simon's van. Regarding the officer's notebook, as you're aware the officer did make use of one on the day in question, of course its content will form part of my investigation. Going forward, I note that in their appeal findings the IPCC made direct reference to a transcript in your possession concerning a phone call between Broadsure Direct and KGM. Can you please send me a copy?

Dear Jamie Newman,

Thank you for the below email.

I believe you have spoken to Martin Jenkins and he has confirmed with you that when Mr Cordell was spoken to by the police officer, Mr Cordell used his phone to call Martin Jenkins and Martin Jenkins confirmed he told the police officer Mr Cordell was insured to drive, and also the police officer never said anything about any tools to him on that phone call. I also made calls that day as my son also called me what was going on. I have asked many times to see a copy of the police officer note book, as until I saw the report from Jeanette Reilly, and it was confirmed the police officer did in fact have a note book, Mr Cordell always said he took notes but the police officer even said in court he never and it was only the ticket he had used that day. The reason for asking for a copy is due to the fact of the name my son give and it is stated in his note book a name was given, then it seemed to change to Mr Cordell saying he was homeless, but the police officer would have done checks of the name given, which I believe the note book proves my son give his correct name as there was no reason for him not to have done as he never done anything wrong. and this would have been confirmed when the police officer done his police checks. There is also one other issue and that is when Mr Cordell asked for an inspector to be called due to what the police officer had said to the insurance company. Mr Cordell was telling the inspector that the police officer had lied to his insurance company about tools being in the vane, all it would have took was for the inspector to check the van at that time, he would have then seen something was really wrong as there was no tools and would have seen this, and this could have been addressed there and then without the need for my son to have been arrested. If there is anything you need for me please let me know.

I visited Mr. Mathiyalagan at- 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in: He stated that they do not make noise deliberately and that any noise from 113 flat is household noise. He also stated that as far as he is aware that the person living below them does not complained of noise and that he will be the one that will be affected if there are excessive noises from his. flat.

He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his floor, shouting abuse at him and his wife, threatening that he will confront them when they come into the block.

I informed him that laminate- flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat. I then went and knocked at flat 113 but there was no response.

31/01/2017. Mrs Mathiyalagan stated that at about 6.30pm, she was inside her flat with her two-and-a-half- year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise, I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data. I have asked for the dates these complaints were put in and yet have had nothing about the dates and times. Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.

Complaint from B on date and Time: Body of complaint from B.

Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and failed to supply any other information. If I can get this back today, I would be most grateful, as it has been asked for before. Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Regards

Lorraine Cordell

Dear Miss Cordell,

Please find attached letter to Mr Cordell regarding ongoing reports of anti-social behaviour, verbal abuse and threatening behaviour made against him by his neighbours. It is very important that we meet with Mr Cordell to discuss these allegations and agree on the best way to resolve them. I have also attached a copy of my letter to Mr Cordell dated 29th December 2016 regarding allegations of antisocial behaviour made against him by his neighbours. Copies of both letters will be sent to Mr Cordell's address.

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived at Burncroft Avenue in temporary accommodation provided by Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts.

Mr Mathiyalagan telephoned to report that Simon Cordell aggressively banged on his front door and accused them of making noise. He stated that he also shouted abuse and threats and swore at them.

22/12/2016: 10/01/2017: 13/01/2017: Si Note: "This is different than the FOI 16/01/2017"

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the

water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that

he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Dear Ms Cordell,

Thank you for your email.

I will put the complaints in the format you have requested and emailed same to you by Friday 10 February 2017 and a copy will be sent to Mr Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr Cordell. In the meant time, we are continuing to receive reports from the residents of 117 Burncroft Avenue that Mr Cordell is coming up to their front door to shout abuse and threaten them. Could you please ask Mr Cordell to refrain from doing this?

He should contact his neighbourhood officer, the Anti-Social Behaviour Team or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of

anti-social behaviour against his neighbours instead of confronting them. If the behaviour persists then the council will have no option but to take out an injunction against him to stop him from harassing his neighbours.

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data. I have asked for the dates these complaints were put in and yet have had nothing about the dates and times. Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.

2828.

Complaint from B on date and Time: Body of complaint from B.

Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and failed to supply any other information. If I can get this back today, I would be most grateful, as it has been asked for before. Also, we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards need fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very

limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Dear Gary Quan

It is not a PNC check I want I all information that the police hold on me whenever the police have had contract

with me, which has been a lot. A PNC check will only show limited information as to if I was changed and found guilty, any NFA's, and found not guilty. I want a lot more data than that as I want everything that the police hold on me. Which I believe is your department that deals with this. I will also be putting in a request to ACRO but that will be on top of the request I have asked in my application to you. If you look at the application the data I want is listed right after that on page number 1 and 2 that data is not a PNC check, I do understand it is a

large amount of data I am asking for as I want everything the police hold on me across all systems.

Dear Sir,

Thank you for your email, I had a look at your application form, it looks like a PNC (Police National Computer) Check is better suited to deal with the information you're looking for.

This is done through ACRO. You can apply for one online on their website

If there are any specific report(s) you require then reply to us and we'll press ahead with your request.

Dear Sarah Fletcher

I am writing this email as I had no reply to the below email. Today I have made a call to repairs to check what is going on with this low water pressure which 117 has put a complaint in regarding my son Mr Cordell causing this. Ticket number for today's call is 1775790/1 I spoke to a lady called Linda. Who confirmed this is not down to Mr Cordell Flat that is causing the low water pressure?

It seems Enfield Council are fully aware the low water pressure has nothing to do with my son or his flat. Yet you fail to notify us of this and it seems my son is still getting the blame. It also seems that Enfield Council sent M&N out to 117 to try and sort the low water pressure out and 117 refused access on the 03/02/2017 and now M&N has closed down the job for Enfield Council. After getting an email today from Lemmy Nwabuisi it seems he is not being updated, and the blame is still going toward my son. Why is Enfield Council not doing anything about this?

Why does Enfield Council seem to be hiding the fact and not dealing with the issue?

Dear Sarah Fletcher

After Mr Cordell got the hand delivered letter yesterday, he called the out of hour's team. Miss Gacey Ref no T1484282 Who told him they were going out last night to him. Which they did and confirmed that the low water pressure is not coming from his flat, Mr Cordell also has low water pressure and a full report was made up last night by the out of hours team. I will also say in the last 3 week Mr Cordell has allowed Thames Water into check his flat who told him the problem was not in his flat and he also had low water pressure, and then Mr Cordell also allowed 2 males that the landlord sent out from the 3rd floor to enter his flat and also check and nothing was found to be wrong in Mr Cordell's flat. I do not understand why the council is not aware of this already as it seems that Enfield Council is putting the blame solely on Mr Cordell when the problem is not within his flat. And taking complaints from people on the 3rd floor saying the issue is within Mr Cordell's flat when it is not and they know it. This needs to stop and Enfield council needs to address what is going on here. The neighbours are not leaving Mr Cordell alone. It seems as if Enfield Council is fast enough to blame Mr Cordell for everything that is going on and I believe this is due to a number of

issues including the colour of Mr Cordell skin. I am still waiting for the Subject access request also I will also be replying to Mr Lemmy Nwabuisi letter I got **2840,2841**

Dear Sarah Fletcher

I am writing this email as I had no reply to the below email. Today I have made a call to repairs to check what is going on with this low water pressure which 117 has put a complaint in regarding my son Mr Cordell causing this. Ticket number for today's call is 1775790/1 I spoke to a lady called Linda. Who confirmed this is not down to Mr Cordell Flat that is causing the low water pressure?

It seems Enfield Council are fully aware the low water pressure has nothing to do with my son or his flat. Yet you fail to notify us of this and it seems my son is still getting the blame. It also seems that Enfield Council sent M&N out to 117 to try and sort the low water pressure out and 117 refused access on the 03/02/2017 and now M&N has closed down the job for Enfield Council. After getting an email today from Lemmy Nwabuisi it seems he is not being updated, and the blame is still going toward my son. Why is Enfield Council not doing anything about this?

Why does Enfield Council seem to be hiding the fact and not dealing with the issue?

Dear Sarah Fletcher

After Mr Cordell got the hand delivered letter yesterday, he called the out of hour's team. Miss Gacey Ref no T1484282 Who told him they were going out last night to him. Which they did and confirmed that the low water pressure is not coming from his flat, Mr Cordell also has low water pressure and a full report was made up last night by the out of hours team. I will also say in the last 3 week Mr Cordell has allowed Thames Water into check his flat who told him the problem was not in his flat and he also had low water pressure, and then Mr Cordell also allowed 2 males that the landlord sent out from the 3rd floor to enter his flat and also check and nothing was found to be wrong in Mr Cordell's flat. I do not understand why the council is not aware of this already as it seems that Enfield Council is putting the blame solely on Mr Cordell when the problem is not within his flat. And taking complaints from people on the 3rd floor saying the issue is within Mr Cordell's flat when it is not and they know it. This needs to stop and Enfield council needs to address what is going on here. The neighbours are not leaving Mr Cordell alone. It seems as if Enfield Council is fast enough to blame Mr and I believe this is due to a number of issues including the colour of Mr. Cordell skin.

Dear Lemmy Nwabuisi

Thank you for the reply to my email and I look forward to getting the information by the 10/02/2017, I know that Dionne Grant is now dealing with the subject access request as Concetta who was dealing with it has had to take some leave. Mr Cordell has not been up to his neighbours at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat) The other day also another neighbour got around 7 of his friends to come and intimidate, and harass my son for no apparent reason. We will be asking for evidence which substantiates your allegations as to what the neighbours are stating in their complaints. As

clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues. Does this mean you have seen evidence which substantiates 117 complaints? Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested. Mr Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations. We just need to see if any of the other complaint has been addressed by the police. In fact, my son has put a lot of complaints about his neighbours into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbours' complaints always get followed up instantly, I wonder why? You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidate and harassed by the neighbours with nothing being done by Enfield Council every day he lives there?

It is not Mr Cordell harassing his neighbours it is the neighbours tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get him out of his flat.

Dear Ms Cordell,

Thank you for your email.

I will put the complaints in the format you have requested and emailed same to you by Friday 10 February 2017 and a copy will be sent to Mr Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr Cordell. In the meant time, we are continuing to receive reports from the residents of 117 Burncroft Avenue that Mr Cordell is coming up to their front door to shout abuse and threaten them. Could you please ask Mr Cordell to refrain from doing this?

He should contact his neighbourhood officer, the Anti-Social Behaviour Team or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of anti-social behaviour against his neighbours instead of confronting them. If the behaviour persists then the council will have no option but to take out an injunction against him to stop him from harassing his neighbours.

Enfield council claim they received a report that on

07th February 2017

you approached the leaseholder of 117 Burncroft Avenue and his plumber outside the block as they were attempting to resolve the problem causing low water pressure in the flat. You said to the leaseholder that there were problems between you and his tenants but gave no specific details. The leaseholder explained to you that his tenants were experiencing low water pressure in the flat and you said to him 'you will not solve the problem as I am restricting their water supply, the leaseholder later knocked on your door and asked whether you would increase the water pressure and you stated 'I cannot do anything at the moment, I will sort it out later and that I said that I am experiencing problems with you tenants and restricted their water, the leaseholder then claims to have knocked on my front door latter on in the day and asked can I increase the water pressure and I said that I can do nothing about it and will fix it latter.

80. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burhcroft Avenue.

81. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006**. I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

82. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. **The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016**. However, the trial did not

84. On **6th August 2016**, the Defendant threatened and shouted abuse at Mr and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase

railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle LN1.

85. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016**. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

86. On **27th September 2016**, Mr Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

87. On **28th September 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

88. On **11th November 2016**, my former colleague, **Sarah Fletcher interviewed an elderly resident who wished to remain anonymous**. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

89. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

90. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, **I'm gonna take her job just for fun**' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

91. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by

the Defendant. The case history is at pages 35 to 40 of the exhibit bundle LNI. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/23 December 2016. A file note of this incident is at page 37 of the exhibit bundle.

92. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on 21st January 2017, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

93. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

94. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

95. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

96. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

98. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

99. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

100. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

102. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm

going to ruin your life”. A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

103. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

104. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC’s statement are at pages 61-62 of the exhibit bundle LN1.

105. On **12th July 2017**, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

v. The Defendant is in breach of the following conditions of his tenancy agreement;

w. Condition 10 - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

x. Condition 21 - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the Police".

y. Condition 31 - "You must take care not to cause damage to your property or the property of your neighbours".

z. Condition 33 - "You must keep the inside of your property clean and in reasonable decorative order".

AA. Condition 34 - "You must not use the property in any way that may cause a health and safety hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)"

BB. Condition 53 - "You must keep the inside of the property, the fixtures and fittings and glass in the property in good repair during the tenancy"

4. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. Letters were sent to him on **29th November 2016** inviting him for a meeting on **6th December 2016, 31st**

9th February 2017, 16th February 2017 for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016**

January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

11. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

12. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints

from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

13. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Bumcroft Avenue [SEC=OFFICIAL]

Ref. 117 Bumcroft Ave, Enfield, EN3 7JQ low
water pressure - harassment by tenant at 109

Thurs 26/01/17 - While in attendance at 117

Bumcroft, where we were attempting to resolve a

low water pressure issue, we were approached by
the tenant of 109 Bumcroft the ground floor flat.

He stated that there were problems between him
and the tenants of 117 without going into specific

details. I was with a private plumber who was

looking at the low water pressure problem at 117.

We explained the problem to the tenant from 109

who stated, 'you will not solve the problem as I

am restricting their water supply!' obviously both
myself and the plumber were shocked at this

statement. Despite thorough investigation to the

low water pressure problem we were unable to

increase the pressure. However, before leaving the

site I knocked at 109 asking whether he would

increase their pressure, he stated 'I cannot do

anything at the moment I will sort it out later!'

Despite the attendance of Thames Water (twice),

the agent's plumber, my plumber and various sub-
contractors from Enfield Homes this matter

remains unresolved.

Subject: 109, BURNCROFT AVENUE ENFIELD, EN3 7JQ

Further to my conversation today please note the following, I carried out a joint with Sarah back in January regarding low water pressure to 117 While on location the following was noted

Kitchen internal wall has been partly removed

3 large industrial type printers found with assorted inks and cleaning liquids Internal gate installed to front door

While all these items could be used in normal day to day interests the tenant made claims he was actively involved in planning and conduction events and the equipment was used to produce marketing leaflets and posters.

This Monday we has reason to attend 113 to carry out a full lock change given accusation from the tenant that his lock had been glued so was unable to gain access the tenant claim the damaged was caused by 109, (this cannot be confirmed) as the tenant did not attend **both Sarah and myself did go in and while there was confronted by the tenant from 109**, the tenant for about twenty minutes would not leave us alone and became increasingly aggressive despite attempt to explain to him that we had not come to see him or indeed were able to comment of any of his accusations on how Enfield had ruin his lie were putting him in danger by leaving him in his flat, during this confrontation the tenant from 117 passed through the passage and the tenant from 109 stated he was going to ruin his life and generally became more irate towards the tenant.

It is clear that we are unable to allow this to continue as the body posture from 117 was defensive and did not wish to reply or get into any form of conversation with this tenant

Given that two members of staff were present and the confrontational attitude towards not only us but the other resident I believe we need to action this event to try and stop any further escalation from this tenant

Lastly I would recommend that we need full access to 109 to assess what is the true cause of the low water pressure to the flats above given the items found in the flat as well these need to be removed as does the internal gate please advise so I can carry out a full inspection as this is a complaint from the lease holder as they have very little water flow in the flat above and given the nature of the conditions and life style of 109 we are unable to show if he has caused the issue, on a housing point the internal wall that has been partly removed needs to be put back as it is a breach of fire regs

I visited Mr Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole fiat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if there are excessive notices from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his fiat I then went and knocked at flat 113 but there was no response.

[SEC=OFFICIAL]

Dear Lemmy Nwabuisi

Thank you for the reply to my email and I look forward to getting the information by the 10/02/2017, I know that Dionne Grant is now dealing with the subject access request as Concetta who was dealing with it has had to take some leave. Mr Cordell has not been up to his neighbours at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat) The other day also another neighbour got around 7 of his friends to come and intimidate, and harass my son for no apparent reason. We will be asking for evidence which substantiates your allegations as to what the neighbours are stating in their complaints. As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues. Does this mean you have seen evidence which substantiates 117 complaints?

Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested. Mr Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations. We just need to see if any of the other complaint has been addressed by the police. In fact, my son has put a lot of complaints about his neighbours into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbours' complaints always get followed up instantly, I wonder why? You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidate and harassed by the neighbours with nothing being done by Enfield Council every day he lives there?

It is not Mr Cordell harassing his neighbours it is the neighbours tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get him out of his flat.

Dear Ms Cordell,

Thank you for your email.

I will put the complaints in the format you have requested and emailed same to you by Friday 10 February 2017 and a copy will be sent to Mr Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr Cordell. In the meant time, we are continuing to receive reports from the residents of 117 Burncroft Avenue that

Mr Cordell is coming up to their front door to shout abuse and threaten them. Could you please ask Mr Cordell to refrain from doing this?
He should contact his neighbourhood officer, the Anti-Social Behaviour Team or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of anti-social behaviour against his neighbours instead of confronting them. If the behaviour persists then the council will have no option but to take out an injunction against him to stop him from harassing his neighbours.

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data. I have asked for the dates these complaints were put in and yet have had nothing about the dates and times. Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.

Complaint from B on date and Time: Body of complaint from B.

Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and failed to supply any other information. If I can get this back today, I would be most grateful, as it has been asked for before.

Dear Ms Cordell,

Thank you for your email.

We have made enquiries with the Repairs Team and our contractors and they have advised that they did not send a contractor to 109 Burncroft Avenue this morning. We do not know who knocked on Mr Cordell's door and I can confirm that no Council official went to his flat at 8am this morning. Could you please provide the?

vehicle registration number to enable us to take up the matter with the police to try and identify who this person is. I have also attached an anti-social behaviour incident diary for Mr Cordell to log any further incidences of noise disturbances and anti-social behaviour from his neighbours. He should please return completed logs to me by 23 February 2017. You also mentioned that you are keeping a full history of what has been going on, could you please forward a copy to me so that I can investigate accordingly?

Dear Lemmy Nwabuisi

Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 me son Mr Cordell's door knocked he was not expecting anyone, but went and shouted who was it without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel

right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for. He does know which neighbour the person was talking to as I do. But at this time, he feels too unsafe to give the person's door number. Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to me?

2868.

son's door and say they were the council?

This is getting way too much now and Enfield Council needs to do something about it before my son gets hurt. My son is lucky he does not open the door to people and calls before opening his door to see who it is, and does not go outside his flat as I feel something would have already happened to him. And yes, we are keeping full history of what has been ongoing.

Subject: RE: Anti-Social Behaviour Allegations against Mr Simon Cordell

[SEC=OFFICIAL]

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt

with, but we are still waiting for the data.

2870.

I have asked for the dates these complaints were put in and yet have had nothing about the dates and times.

Could you please forward me a list of dates and times these complaints were put in, and list them in an order

like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.

Complaint from B on date and Time: Body of complaint from B.

Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and

failed to supply any other information.

If I can get this back today, I would be most grateful, as it has been asked for before. Also, we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards need fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Dear Miss Cordell,

Please find attached letter to Mr Cordell regarding ongoing reports of anti-social behaviour, verbal abuse and

threatening behaviour made against him by his neighbours. It is very important that we meet with Mr Cordell to discuss these allegations and agree on the best way to resolve them.

Dear Lemmy Nwabuisi

Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 my son Mr Cordell's door knocked he was not expecting anyone, but went and shouted who was it without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for. He does know which neighbour the person was talking to as I do. But at this time, he feels too unsafe to give the person's door number. Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to me? son's door and say they were the council?

This is getting way too much now and Enfield Council needs to do something about it before my son gets hurt. My son is lucky he does not open the door to people and calls before opening his door to see who it is, and does not go outside his flat as I feel something would have already happened to him. And yes, we are keeping full history of what has been ongoing.

Dear Lemmy Nwabuisi

Thank you for the reply to my email and I look forward to getting the information by the 10/02/2017, I know that Dionne Grant is now dealing with the subject access request as Concetta who was dealing with it has had to

take some leave. Mr Cordell has not been up to his neighbours at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat) The other day also another neighbour got around 7 of his friends to come and intimidate, and harass my son for no apparent reason. We will be asking for evidence which substantiates your allegations as to what the neighbours are stating in their complaints. As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues. Does this mean you have seen evidence which substantiates 117 complaints?

Due to the complaints and how they have been set out this should be a matter for the police and my son

should have been arrested.

Dear Ms Cordell,

The allegations are from at least three residents of Burncroft Avenue. They have alleged that he is coming up to their front door to shout abuse and threats and they have provided evidence to back up their allegations. Some of them have also alleged that he has confronted them outside the block and on different occasion have followed them up the communal staircase shouting abuse and threats and on at least one occasion have tried to prevent them from going up to their flat. They have also provided evidence to back up the allegations. I am aware that some of these incidents have been reported to the police and it is up to the police to deal with them as they see fit. However irrespective of whether the accusations were

dismissed by the police or not, they are very serious allegations and if true, constitutes a breach of tenancy conditions and they need to be addressed by the council. It is therefore very important that we meet with Mr Cordell to discuss the allegations made against him and give him the opportunity to respond to them. We are not aware that Mr Cordell's neighbour allegedly "got around 7 of his friends" to intimidate and harass him for no apparent reason. Mr Cordell did not report the incident to the council and I will advise him to report it through the appropriate channel and provide the name and address of the neighbour to enable us to investigate and take appropriate action. He should also report the matter to the police. With regards to your concerns regarding the nature of the flooring in the two flats above your son's. We have inspected one of the flats and we have made an appointment to inspect the second flat. I will arrange for a noise impact assessment to be carried out as soon as we complete our initial investigations to determine the level of noise transmission and make appropriate recommendations if necessary. We will need access to Mr Cordell's flat to enable us to investigate this matter and we will contact him in due course to arrange access. You have stated that it is not Mr Cordell that is harassing his neighbours and that it is his neighbours that is harassing him. Could you please ask Mr Cordell to provide evidence of this to enable us to investigate and take appropriate action if necessary.

Threats and intimidation (General)

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

16/12/2016: 11/01/2017:

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on **04/10/2016**, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016**. On **11/12/2016**, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted

further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me.

Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that

as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise. She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

DIRECTIONS ORDER

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back

and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen.

Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in: He stated that they do not make noise deliberately and that any noise from 113 flat is household noise.

He also stated that as far as he is aware that the person living below them does not complained of noise and that he will be the one that will be affected if there are excessive noises from his. flat.

He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his floor, shouting abuse at him and his wife, threatening that he will confront them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat. I then went and knocked at flat 113 but there was no response.

Dear Lemmy Nwabuisi

Just an update email that I wanted to put to you today as its worrying, this morning at around 08:00 my son Mr Cordell's door knocked he was not expecting anyone, but shouted who was it without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to get told no one had got sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for. He knows which neighbour the person was talking to as I do. But he feels too unsafe to give the person's door number. Why should my son get made to feel so unsafe in his own home, please tell me why someone would come to my son's door and say they were the council? Dear Lemmy Nwabuisi

Thank you for the reply to my email and I look forward to getting the information by the 10/02/2017, I know that Dionne Grant is now dealing with the subject access request as Concetta who was dealing with it has had to take some leave.

Mr Cordell has not been up to his neighbours at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat)

The other day also another neighbour got around 7 of his friends to come and intimidate and harass my son for no apparent reason.

We will be asking for evidence which substantiates your allegations as to what the neighbours are stating in their complaints.

As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues. Does this mean you have seen evidence which substantiates 117 complaints?

Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested.

Mr Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations.

We just need to see if any of the other complaint has been addressed by the police.

In fact my son has put a lot of complaints about his neighbours into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbours' complaints always get followed up instantly, I wonder why? You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidate, and harassed by the neighbours with nothing being done by Enfield Council every day he lives there?

It is not Mr Cordell harassing his neighbours it is the neighbours tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get him out of his flat.

Dear Ms Cordell,

Thank you for your email.

I will put the complaints in the format you have requested and emailed same to you by Friday 10 February 2017 and a copy will be sent to Mr Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr Cordell.

In the meant time, we are continuing to receive reports from the residents of 117 Burncroft Avenue that Mr Cordell is coming up to their front door to shout abuse and threaten them.

Could you please ask Mr Cordell to refrain from doing this. He should contact his neighbourhood officer, the Anti-Social Behaviour Team, or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of anti-social behaviour against his neighbours instead of confronting them. If the behaviour persists then the council will have no option but to take out an injunction against him to stop him from harassing his neighbours.

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.

I have asked for the dates these complaints were put in and yet have had nothing about the dates and times.

Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

- Complaint from A on date and Time: Body of complaint from A.
- Complaint from B on date and Time: Body of complaint from B.
- Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and failed to supply

56,

any other information.

If I can get this back today, I would be most grateful, as it has been asked for before.

Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer.

As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago.

We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Dear Ms Cordell,

Thank you for your email.

We have made enquiries with the Repairs Team and our contractors and they have advised that they did not send a contractor to 109 Burncroft Avenue this morning. We do not know who knocked on Mr Cordell's door and I can confirm that no Council official went to his flat at 8am this morning. Could you please provide the vehicle registration number to enable us to take up the matter with the police to try and identify who this person is.

I have also attached an anti-social behaviour incident diary for Mr Cordell to log any further incidences of noise disturbances and anti-social behaviour from his neighbours. He should please return completed logs to me by 23 February 2017. You also mentioned that you are keeping a full history of what has been going on, could you please forward a copy to me so that I can investigate accordingly.

Dear Lemmy Nwabuisi

Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 my son Mr Cordell's door knocked he was not expecting anyone, but went and shouted who was it without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for.

He does know which neighbour the person was talking to as I do. But at this time he feels too unsafe to give the person's door number.

Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to my son's door and say they were the council?

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on **29th November 2016** regarding these reports you to meet with me at the Civic Centre on **5th December 2016** to discuss the allegations made against you, copy attached. I received a letter from your mother dated **24th November 2016** in which she stated that she does not believe that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them.

The allegations include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation, making threats towards your neighbors and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 2pm on

Thursday, 9th February

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on 29th December 2016 to arrange to meet with you on 6th December 2016 to discuss these reports, but you cancelled the meeting. I wrote to you again on 31st January 2017 to arrange to meet with you on 9th February 2017, you also cancelled the meeting. I then wrote to you again on 16th February 2017 to arrange to meet with you on 22nd February 2017 and again you cancelled the meeting. I have enclosed all three letters for your information.

It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your neighbours. The allegations made against you by your neighbours, if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on Wednesday, 22nd March 2017 to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you.

DIRECTIONS ORDER

106. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burhcroft Avenue.

107. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006**. I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

108. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an

elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016 where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for 17 November 2016. However, the trial did not proceed due to insufficient support as the elderly tenant was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

109. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on 4 August 2015 by the Magistrates Court to prevent him from knowingly using or supplying property, personal or otherwise, for the use in a rave as defined in s.63(1) of the Criminal Justice Order Act 1994. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle LN1.

111. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016**. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

115. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

116. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him,

'I'm gonna do her over, I'm gonna take her job just for fun' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

117. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016**. A file note of this incident is at page 37 of the exhibit bundle.

118. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

119. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

120. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

121. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

122. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

123. On **2nd July 2017**, Mr Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

124. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

125. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

126. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem

as I am restricting their water supply”. The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later”. A report of this incident is at page 55 of the exhibit bundle.

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

128. On **8th May 2017**, the Claimant’s officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant’s block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant’s officers were outside flat 113, the Defendant came up to them and started to

complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

129. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

130. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

131. On **12th July 2017**, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016 and 16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

14. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the

Claimant's maintenance operatives access to his property to investigate and rectify the problem.

15. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

16. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Subject: RE: Antisocial

Behaviour Allegations against Mr Simon Cordell [SEC=OFFICIAL]

Classification: OFFICIAL

Dear Ms Cordell,

Please see below as requested the details of recent allegations made against Mr Simon Cordell. I have listed the complainants as Complainant A, B and C.

1. On **6th August 2016** Complainant A reported that Simon Cordell, his neighbour at flat 109 is threatening him and his wife and aggressively demanding money from him. He alleged that Mr Cordell called his wife 'a bitch' and tried to stop him from going up the stairs to his flat. He also alleged that in **July 2016**, someone used a knife to puncture his tyres, all **4** of them, that he believes that the tyres were slashed by Simon, that although he did not see Simon do it but he was quite

certain that it was him. He also alleged that Mr Cordell damaged the lock to his electric cupboard and removed his fuse box resulting in no electricity.

2. On **5th October 2016** Complainant B reported that Mr Cordell has been harassing him for a while in relation to alleged noise disturbances from his flat. He alleged that the previous day on **4/10/16**, Simon was banging on his ceiling and later came upstairs and started kicking his door and shouting aggressively. He alleged that Simon then went downstairs dragged his motorbike from where he parked it and started smashing it up. He then called the police. He also stated that Mr Cordell had previously slashed his motorbike tyres with a knife, that he did not report it as he did not see him do it.

3. On **31st October 2016** telephone call received from another resident on behalf of Complainant C. He alleged that Complainant C's neighbour, Simon was using threatening, abusive and insulting words towards Complainant C. Subject: RE: Anti-Social Behaviour Allegations against Mr Simon Cordell
[SEC=OFFICIAL]

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data. I have asked for the dates these complaints were put in and yet have had nothing about the dates and times. Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.

Complaint from B on date and Time: Body of complaint from B.

Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and

failed to supply any other information.

If I can get this back today, I would be most grateful, as it has been asked for before. Also, we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards need fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Dear Lemmy Nwabuisi

I was wondering if you will still be sending the information I have asked for re the dates and times and body of complaint today as you said you would? I do need this as I have had the subject access request today, I am going over this in detail but the dates and times of each complaint is not clearly marked and it seems there is some really incorrect information that does need addressing. I am also having some problems so it may take me a while to go over some of this and get back to you as I am using my mobile, as today I was meant to have been having my ceiling replaced and when they started to take my old ceiling down, it seems it could be asbestos so they have had to shut off the whole of my down stairs off. so, I won't have access to my main computer with all my files on, until they come and confirm or not, they are due around today just not sure what time. and if it is confirmed not sure what I will be able to do as it is the weekend now and I will not access to downstairs which could be a problem as that's where my bathroom and kitchen is. But I really want to get this all listed and need the information from you to be able to do this. a friend said they can loan me a laptop if it is confirmed as asbestos or maybe there will be a way to get my computer out as not sure if I will be able to stay here. If you can get back to me as soon as possible with the information I would be most grateful.

They are the original letter of authority everything that is written is done via PDF and signed this way also. so that everything that is written are saved as original documents so we have full backups of everything that is sent to anyone. if you want me to print them again and get Simon, Tyrone, Deon, and myself to sign them by hand, I will do this but I cannot see why this would need to be done in this day and age. I will get this done over the weekend and resent to you so you should have this early next week send recorded.

Outgoing call

Metropolitan police recording introduction: --

Police Officer; hello police how can I help

Simon; hello someone needs to stay on the phone to me and keep talking to me because, I am going to end up killing myself because of what these corrupt coppers are doing to me and I have got evidence in saying that I am correct in what I am saying, my name is Simon by the way

Police Officer; “muttering un auditable”

Simon; and I have been locked in my house for two and a half year's proof, trying to proof to the police that I am not a white person yes, that I am of mixed race and that I could not have committed the offence that they are setting me up for, yes and I am at a stage I can't take it, they keep avoiding disciplinary action by pro longing the case in knowing that I cannot put a complaint in against them and that no one will deal with anything

Simon; I have put article six's in yes and now Jane Johnson who is supposed to be intendent has been transferred to, somebody needs to do some think about this case, I have been phoning you lot up for so long just asking to get one descent police officer to oversee Steve Elmore work and see the applicants case that he has put against me and no one will do it, it is not fair I should not be held hostage in my house

Simon; this is making me suicidal

Police Officer; you are being held hostage in your house

Simon; yes I am being held hostage under section 63, which is to do with outdoors, under the crime and disorder act 1994, which is to do without door events and all the incidents that I am in question for are for indoors and I was not even involved in them, for the organisation of illegal raves, I was not even found guilty at the court and my name has been tarnished in the newspapers, they have now pulled it out of the Metropolitan police website, it is not fair these police officers sat around a table and made false information reports, they do not have 101 police note books for none of the incidents that I am in trouble for, they have not signed none of their 101 book's I am freaking out

Simon; and I am recording ever conversation that we all have, I have recorded about 20 I have so many, and I have got loads and loads of tapes, yes and I have got all of the court transcripts proving that I am right and that I was not found guilty, I got the court submissions proving that I was not found guilty right.

Simon; someone needs to do some think I have got video tapes of cops coming into my house which shows that they are endangering my life and that all my neighbours are banging at me because of the information that the metropolitan police put into their website, this is not fair somebody needs to take this police officers Stevens Elmore's work of him and over see it and stop hold me hostage in my house it's incorrect madam I know that you might this might not be your problem but you represent the Metropolitan police force even as a civilian a civil person you are still representing them and this is why I am having this conversation with yourself

Police Officer; so, it, it Burncroft Avenue that you live in then

Simon; yes, madam that is correct it is Burncroft Avenue that I live

Police Officer; and who do you live there with

Simon; on my own

Simon; I am sitting here

Police Officer; and what is your name

Simon; my name, my name is Mr Simon Cordell some body can't leave these police officers running around dealing with other people's lives and I am here clearly proving that they are corrupt, they sit down together and made the information reports and back dated the created dates so that the whole lot of them went back other one year, I can check and every Urn number goes up numerically in order for one day when they were all logged into the police computers when they done it, then they created the cad numbers and I can prove all the cads were made and then they made the witness statements and the witness statement are not even real to their address, I could go to all the address alongside wood grove avenue right now and knock on all the doors and no one would tell me that they put any witness statements in to the police

Police Officer; err

Simon; I should not be in my house I shouldn't feel like this when all it would take, I have heard that Jane Johnson was the supper intendent and she is supposed to see all of the police officers in Edmonton police station and now I believe that she was as corrupt as the police officers that she instructed to make the application and that is why her signature is at the bottom of all the pages and that is why she has not done any think over one hundred and forty days that I have been screaming that I am right and now she has been transferred

Simon; I believe that now there is a Colin Anderson and I want him to oversee the case because he is new and independent and he does not have anything to do with the application and all he has to do is look at the officer's work and he could clearly see that I am correct and that these officers should face disciplinary action and I should not have to wait another one hundred and twenty days and if I go to court in another one hundred and twenty days what happens when another one of them coppers says oh I got the toilet problem or he is ill again and he cannot attended court what is that another six months of my life again till I can get another court date they have been putting this off for long enough long enough avoiding disciplinary action and I am suicidal because of what they are doing to me and it is my right under article three of my human rights no police officer or state official should degrade me or make me feel humiliated even vesicle or Mental health

Police Officer; "silence"

Simon; I am correct in what I am saying madam

Simon; and I really need a good police officers help right now

Police Officer; if you are Sue sidle do you need an ambulance

Simon; no I do not need an ambulance what I need I feel depressed because I am being held captive, what I need is a police officer to oversee Steve Elermore's case and to make sure that the application being brought against me is within the jurisdictions and constraints of the laws, for the people you represent which I am one of those people which helps pay your moorages, you lot are here for us the people not for yourselves, you lot work for us

Police Officer; "muttering"

Simon; and I am telling you that one of your coppers that work for me is corrupt and I am giving you evidence

Police Officer; and if you do not leave your house, what do you do sir what do you do for a living

Simon; I was in the entertainment industry hire in sound equipment to lock to lock festival to Enfield Town Festival to kids with celerpualse I was doing Durant's park festival Enfield town festival I was also managing my community hall down the road plus I had the keys to club juice night club plus I had the keys to a few other place I was a valid member of my community and I was networking with the homeless and people in poverty at the same time exactly how Glastonbury and the rest of the festivals were created from people who were stuck in poverty

Police Officer; "muttering"

Simon; madam and right now I am not allowed to hire any sound equipment to anybody or even hire any equipment to anybody even for a house party

Simon; in your house madam you have the maximum extent to your human rights the only law in our own houses that stops us for playing any entertainment to anybody else is under the licensing act 2003 is if you make profit with an intention of making a profit in your own home so I do not understand how no one has talked about profit in over a thousand pages that have been wrote to destroy my life, yes so how is it illegal if there is nothing in the licensing act that says that and under section 63 says it is omitted in it that in open air only in public only unless trespass has taken place I have never been arrested for trespass not even one of the police officers even talk about trespass in the application let alone profit the laws that they are supposed to be representing they did not even build the application under them grounds

correctly I am being held captive by law and imposed with conditions that should have never been imposed on me

Police Officer; ok

Simon; someone needs to oversee this I am not asking for an ambulance I am asking for you to get one of these police officers and to oversee all of the corruption I have handed to different article six's in and I have handed them in at occasions at the court with all of the corruption clearly printed out and I have also made three or four complaints in through this process such as yourselves just the standard police complaints process and nobody wants to pay attention to what is correct to the reason that you all signed up and that was to help people and to do right by people

Simon; I understand that when being a police officer sometimes it might be hard when you all signed up because you feel like a whistle blower, grassing up on your other colleges but you are not you have got to remember why everybody is there

Police Officer; I am just having a look at that now

Police Officer; well what where you accused of

Simon; I was accused of the organisation of illegal raves yes and it states illegal madam

Simon; I am sorry if I seem a bit abrupt, I do not ever mean to be rude or disrespectful to you as a person I just want to put that clear yes

Police Officer; ok

Simon; I do not have a problem with ever police officer I have been in trouble in my life and I have always had good relationships with the ground force no matter what trouble I get myself into but these police officers crossed the line here and they forgot what they really signed up for and I am a man that is standing for my rights right now yes

Simon; I was arrested for the organisation of illegal raves No sorry I was never arrested, I have not even been arrested, I do not have no similar previous convictions of any similar sort yes and it says the organisation of illegal raves

Simon; if it states illegal and it is a criminal act under the section 63, I should have been arrested

Simon; I have never been arrested I don't even previous similar convictions

Simon; and as an Asbo there is two to four sorts of Asbo's a county order a standalone Asbo order or a Cbo Asbo order which is a an Asbo on conviction for criminal convictions they never put the Cbo on me like they should of they put a standalone Asbo on me which is for civil proceedings but named it the organisation of illegal raves they should have just said the organisation of raves because when they put illegal into it, it means that the Dps and Cps now have a say in what is being said

Police Officer; "Muttering you are dead"

Simon; and they are not following the correct protocols

Simon; yes, the whole case is upside down from the beginning of the go yes

Police Officer; but where the raves legal

Simon; pardon

Simon; no, no, no they are not "rave's" they are house parties they are house parties and if you go Google

Police Officer; and how many people were at this house party

Simon; yes, and if you go to Google, if any place is a place of residence madam yes

Police Officer; hum

Simon; like this is the law yes, if any place is a place of residence or you live in it or I live in it or a squatter or any other person is living in it you have the maximum level of your freedom of rights within your own house, if I choose to swear in my own house and a police officer comes in he cannot arrest me for swearing, all he can do is leave my house because I am aloud to swear in my own house, but In public he can arrest me for a civil matter or a

breach of the peace, now, it is the same with the music we are allowed to play music in our own houses or any place or residence the only time that we are not allowed to play music in our own houses is when we are outside in public which is what section 63 says in open air yes these are places of homes and because of that what the police have to do to prove that they are illegal they have to prove any think is prove that profit has been made under the licensing act 2003 under appendix four, we are allowed to play music in our back gardens and in our houses that is it that is the law about it

Police Officer; only up till eleven o'clock

Simon; no until any time that we want madam

Police Officer; no

Simon; since 2007, since 2007, no sorry since **2013** since January **2013** the 7th they put new laws into place, which say that they are de restricting the licensing act and what they mean by that is from 8 am till 11 pm there is no noise pollution limits no more decibel reading limits you're a loud to do plays and theatres and that outside and you don't really have to apply for a temporary events notice any more

Police Officer; ha, ha

Simon; unless the police decide impose these conditions on you

Simon; I know for fact in your own home there is no noise limit all that can cause you a problem in your own home is if you continually do it over a consecutive period of time

Simon; what you have to do in your own home is run a company

Simon; in Face book ever person I n m y account says friend, that's what it says friends because they are all my friends

Simon; let's be real about this

Police Officer; how many friends do you have on Face book

Simon; how many friends have I got on Face book

Simon; what I am actually in trouble for yes this is straight yes, what I am actually in trouble for is that in **2013** I had a friend birthday party in Bianca Road yes, now and this was legal for me to do so because I got arrested the police came to my house and arrested me over a gazebo they took my passport off me and told me that I am not allowed to leave the country yes, for one year yes, told me, what they also did to me I had to sign on at the police station every day I had to be in my house on curfew from 8 o'clock £1000 pounds in surety, barred from central London after that case, I won my case yes, I proved my innocents yes, but what the police done was come a shoved an Asbo application outside of my house for the period of time that I was on my curfew accusing me of being seven of my friends companies Every Decibel matters he is his own company at company house you can go and check it at company house right now, go to Google and write Every Decibel Matters and I have got a letter of Every Decibel Matters director saying that I was not hired on these dates, they tried these Metropolitan police tried to turn me into a super grass and make me grass all of my friends for stuff for when I was on curfew yes, I am not in trouble for any think that I have really done wrong, yes I am in trouble for being seven other people, four of them I do not even know who they are but the other three I do no and are my good friends

Police Officer; Right

Police Officer; so how is this affecting your life I cannot even go on to an industrial estate right now

Simon; because I want to go I have been accused section 63 is for outdoor events only I got the transcripts here I got the transcripts of the court from trial I wasn't found guilty because I went there and explained to the judge that section 63 is for outdoor events only and all these are incidents I am being accused of are indoors, yes I didn't do any think wrong to cause alarm harm or distress while indoors yes and that is a fact yes the judge knew that I was right, yes, so she said I got it in the transcripts well I cannot find you guilty under the applicant's

case but what I am giving you an Asbo for is because you had nitrous oxide in the car in 2013, I was like you could not even prove that it was nitrous in the bottles yes I was like if you ever listen to all of these transcripts of these, police saying that we copied and pasted all of the information out of the police national computer, I learnt over Steven kings shoulder and I copied and pasted his statements without him knowing, it is all in the transcripts, there copying each other's statements and stuff and it's in the transcripts and that it's a joke
Simon; these ance between a charity because if I own am chalot are destroyed and I am trying to walk away from it and let me live my life and let them walk and still have their careers, they do not want their careers, they want to try and kill me other civil proceedings something I can't even go to prison for, If I was a copper I would never risk my career over some think like civil proceedings over another person.

15:54 **Police Officer;** but how is it affecting you, what is happening right now I am not allowed to go out, I am not a loud to go onto an industrial estate after ten Occlloc I can't even go on to a Mac Donald's a 24 hour Mac Donald's after ten Ocloc because it is an industry estate I am not a loud to give a friend an amp because I seem to be liable or prosecutable for their my friends actions I should not be I am liable for my own actions not for friends actions, I should not have to have a charity as it seems to have been said in the newspapers to be a loud to do what is legal right in the beginning yes they are saying that there is a difference between a limited company and difference between a charity because if I own a limited company I am not a loud to do what is legal but if I own a charity I am a loud to do what is legal and they wrote that in the newspapers that is a joke what is the difference it is up to me wherever I own a limited company or not charity they cannot force me about what I am a loud to do with what is legal from one to the other

Police Officer; yes, so how did it come a bout that it was raves

Simon; how did it

Police Officer; how many people were in attendance

Simon; it does not matter how many people are inside

Police Officer; yes, it does matter

Police Officer; what do you agree about these questions

Simon; madam I never being disrespectful what I am explaining to you yes is that I know the law, that I represent even if I am mixed race

Police Officer; why is it that every time I ask you a question you do not answerer it?

Simon; what has been said to be a one of them at the most is 200 people at progress way that is what is said to be at the most yes but the building its self that the occupiers were occupying under section 144 Lasbo can hold up to 6000 people now for as long as there is no licensed bars inside that place and there is only music being played to our friends I would be a loud 6000 people in that building and there is not any think that the cops can do

Police Officer; who owns the building

Simon; you are not even aloud to put a section 63 on a dispersal order on a person's home

Police Officer; who owns it low

Simon; who owns the building, whoever owns that building while it is under a section 144 lazbo while whoever is entitled to it

Simon; I was not involved

Police Officer; "mutter"

Simon; Madam I am being had a go at for being every decibel matters and other names at no point it Too Smooth the company that I own been accused of anything other than running legitimate activities for the community I ant in trouble I was not there I was on curfew I might have attended for five minutes outside of the gates and said hello to my friends.

Do you know what is even worse when the police officers were making the applicants case yes they blocked when you look at your police computers recording all of the information

when you make yes when you are inputting a 999 call yes for Met CCC I know how it goes first, first you put recorded by ordinary or third party or whatever then they blocked all locations, ltn locations and blocked everything else out, but the idiots forgot to block out the grid reference numbers out, now when we was in trial at the magistrates they got asked under oath are they shore that every incident here is progress way, they swear under oath because I have got it in the transcripts that ever incident is progress way when we were making the development now when you show them grid numbers it shows different locations all across the county, I could not have been in a hundred places at the same time these cops set me up now if you go to one of the main 999 call the first thing that the 999 caller that the 999 callers says is that I can see people entering a building and there all white males and females now the police officers go there and surround the building and they go into the building write every person's name down put it all in the police computer and then into my bundle so that it is all in my bundle every person's name that was really there, they hold them there hostage in their own place of occupation for eleven hours and when I turn up there on the eighth hour outside of the gates I do not even manage to get in there into the premises because it is all surrounded because the police have got the white people that they are referring to inside of the building and they have listed their names I get arrested outside I get taken to the police station and I don't even get booked in and get held captive for hours and then finally realised that is a joke they had them their hostage for eight hours and the 999 call saying it was all white people eight hours before I even got there and they forgot to block these silly things out of the applications case when they were building it, they have gave me the evidence to kill them

Police Officer; right Simon I am going to go now

Simon; so, what actual, why are you, go to were, this is what I would to do

Police Officer; I have got to take emergency calls that is what I am here for

Simon; I respect that do you know that I respect that yes, but like am I wrong in anything that I have explained to you, because you have challenged me with a few things yes right

Police Officer; yes, but you do not answer the questions you talk about these places being owned by people, their own for the time you are in it

Simon; there house parties do you know how many houses, I am in trouble for

Police Officer; there is not a house that can hold 6000 people so it is not a house is it?

Simon; it is a place of residence

Police Officer; yes

Police Officer; yes, but whose residence

Simon; it's a place of residence, you listen to this you may not like marmite but that don't mean that you can go and nick every one that does like marmite

Simon; the law is the law and if it is not writing down that it is a law that you are breaking and this ant, you lot cannot make up your own laws and your own thighs because you do not like something

Simon; and if it says that there is no limit to the amongst of people that you are a loud in your house party then there is no limit, that is it, just because you lot do not like it do mean you can

Police Officer; it doesn't have to be a house low does it

Simon; no, it does not it has to be a place of residence madam a place of residence or fixed a bow

Police Officer; "mutter" what like a

Simon; it does not matter as long as it is a place of residence a fixed a bow were somebody is living and you can send your mail, you lot are happy as long as you have an occupier and he is living homeless some were and you want to put bail conditions on him you are happy to bail them to that address quick another, you would bail them to a squat quick another or bail them to a place like that as quick as you could

Police Officer; "Silence no mutter"

Simon; what they usually do is fixed a bow

Police Officer; "Mutter-what they usually do is fixed a bow"

Simon; no they do not if they give their door number and address they get bailed to the door number and address if they want to be cockeye and give no field a bow to yourselves that is what you will write down but if they are smart and give you an address you will put that address down because that is what they have told you and that is there place of residence

Police Officer; yes, but we will go to that place to do the bail inquiry

Simon; yes, but as long as they are living there, there is no issues because they are illegally aloud to do so

Police Officer; that is correct they are

Simon; yes, see so there is no issue

Police Officer; but that is not what we are talking about we are talking about raves

Simon; no, we are not talking about raves we are talking about private house party's madam

Simon; private house parties

Police Officer; ok then

Simon; Simon I am sorry but I cannot continue this with you any longer

Police Officer; yes, but what I would like to know can Colin Anderson now who has taken over Jane Johnsons place oversee Steve Elsmore work

Police Officer; "Silence"

Police Officer; officers are going to come and see you and have a chat with you

Simon; who is what today, coming to my house today

Police Officer; yes, yes

Simon; and that is one hundred presents yes

Police Officer; yes, I am sending officers to you

Simon; what is your name Madam

Police Officer; my name is Catherin

Simon; thank you Catharine I hope that you have a good day Catherin madam I am sorry if I have given you more than your jobs worth, I apologise

Police Officer; all right then thanks good bye

Simon; Good bye

Police Officer; bye

The Enfield Council and the Enfield Homes employees aloud the occupiers of 117 and 111

Continued to victimizing me by: --

Waking me up by stamping above my head!

Loud and aggressive banging in the bathroom got worse and this got achieved by George Quinton and the Mathiyalagan family slamming objects on to their floors with evil intent of criminal actions!

Continually, repeating to flushing the toilet when I went into the bathroom, so to be sick in my toilet because they made me ill!

Dropping articles on to their own wooden flooring to make loud banging noises!

No one would stop them from abusing me!

It leaves me humiliated when any person visits my home and saw the damp issues with my rented property, I continue to have the same feeling when I want to speak in private in my home, as we have to whisper to keep our conversations private from the estate's other residents!

This is an innovation of my privacy!

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!

I stay calm even when I see the damage to my personal property that the damp is causing and this neglect breaks my heart in knowing that if the Enfield Council and Enfield homes were efficient within their timescales that I would not have to go through such sacrilege of my memorabilia and electrical belongings getting damaged even more than ever necessarily I am not sure what it is no re painful to me this all adds to the demotion of my health and the additional average daily routine stress unrightfully!

Outgoing call

Metropolitan introduction

Outgoing call: -

Police Officer; hello Metropolitan police what is your reason for calling

Simon; hello I am just curious about a question, if I have got an appeal date set and I am just trying to get the case to appeal and I have been trying to get the case to appeal for one hundred days no sorry like one thousand and three days now and I have been to court over ten times and every time that I go to court they keep evading the truth and the evidence that I am showing, is there not no way that I can get a police officer to oversee the case

Police Officer; so right so you are reporting something to us a officer dealing with your case and you are not happy with the outcome of it

Simon; yes basically an officer, basically and the crown prosecution I have shown evidence continually showing the fact that I am being accused of an Asbo I have had an Asbo put against me I have proven that the Asbo was actually manufactured and fabricated in being made by all of the time stamps and that being incorrect, I am being forced to trial I have handed in two article six's in I have loads of complaints I have been phoning up this number trying to speak to official people and civilians like I believe Jane Johnson was the superior of an Steve Elmore's who was the developer of the application and no one wants to oversee the case or take responsibility or take on the fact that I am not white like on the 999 call the actual person the actual person that made the 999 call he states that the people females and males were actually white in colour and I am mixed race an ic3 and it is not hard for any police officer to pick up this case bundle and go to the page that I am referring to and see that

I am correct and not hold me captive any longer I have got now another hundred and twenty days till I can even get to a trial again I have been told I have been waiting one thousand and one hundred all ready

Police Officer; right ok

Police Officer; and what is it that you agree wanting me to try and do for you what is it then

Simon; I want somebody to oversee the Case I heard that there is a new Colin Andrews who has taken over Edmonton police station am I correct in believing that the superintendent now and that he should be able to oversee the conduct of any other police officer below his rank is that correct

Police Officer; I could not tell you who the super intendment was to be honest because I deal with the whole of London if you want to file a complaint about the officer's conduct then we can do that if you want

Simon; I have done that bout the complaint keeps being suspended` every time I go to trial the case is being postponed because I have already handed in article six's about showing that I cannot have a fair trial

Simon; I have done that bout the complaint keeps being suspended` every time I go to trial the case is being postponed because I have already handed in article six's about showing that I cannot have a fair trial so I am being forced to another trial in one hundred and twenty days again and when I get to that trial I am going to refuse to have a trial because I have handed in an article six showing corruption in the time stamps and the Urn's numbers and that they were continuously logging in one after the other and the created dates being changed I have shown evidence beyond reasonable doubt so I do not see why I should have to wait another one hundred and twenty days again for me to feel that I have to scream and shout article six to my human rights to be told that I cannot have another trial that it is going to be suspended for another six months again and this is what keeps happening I have been to court over ten times now so someone must be able to oversee this because I am clearly stating what is going to happen in a hundred and twenty days I am going to go to court and scream my article six to show that I am correct and write and they're going to supposed it for another six months again and this is my life that is going to waste because no one wants to act correctly within the constraints of the law that they represent

Police Officer; I mean whoever is the officer dealing with it I offersley get in contact with their line manage if you want me to do that well at the end of the day we are subject to the crown prosecution services and what they decide but if you want me to cross this across the officer line manager then we can do that

Simon; well who would the line manager be for a Pc Steve Elsmore and a Jane Johnson herself?

Simon; because Jane Jonson's signature is on it and so is Steve Elermore's as well as many other officers' signatures are on it

Police Officer; right, so Steve Elsmore, is one of them with a signature on there?

Simon; well yes, he is the developer of the application Jane Johnson instructed him to make an application and I was not even arrested for that and it states illegal

Police Officer; let's just start with this is Steve Elermore hum an Edmonton officer?

Simon; yes, and he is the developer of the application

Simon; it is his logging on every page when he has been logging into the police nation computer and been manufacturing the evidence

Simon; the time stamps are wrong and I have spoken to so many people and they have said that it is impossible for the time stamps to go backwards on cads, like you cannot have one cad at cad number 500, every hour the call centre would most probably get over three hundred phone calls and that would work out to like one hundred and 50 calls for like every twenty minutes so you would know that if you have got a time stamp of 500 for instance if it

is one hundred calls latter you should know that it should be at least twenty minutes after and not go backwards in time and that is what continually happens thought all of the cads they go backward in time to each one

Police Officer; right, Steve Elermore's line manager is a person called Alan Steff

Simon; Alan Steff

Police Officer; yes

Simon; and who is Jane Johnsons line manager and can you tell me what department Jane Johnson has been **transferred** to please

Police Officer; I can tell you what she has listed herself as in reality she can be lots of different things

Police Officer; sorry what was that a Jane Johnson

Simon; yes

Police Officer; is she going to be the same borough

Simon; yes, she was in the same borough I understand that she was supper intendent for Edmonton police station but I have been told that she has been **transferred** to Royal diplomatic protection but is there even a department called that

Police Officer; yes, and that is what she has come up as

Simon; she has come up as Royal diplomatic protection

Police Officer; yes

Simon; all right ok

Simon; and what is that department

Police Officer; parliamentary

Simon; parliamentary

Police Officer; yes

Simon; and what about a silly Guil Christ is she, I think that she is the legal executive director for the whole of the country how many legal executive directors are there to the country is she in charge of Hu guiles solicitors is that correct and she is in charge of this department and like bow and so forth

Police Officer; she is just the legal director of legal serves

Simon; yes, is that correct

Police Officer; that is what she has come up as

Simon; and is there any other directors of legal services because her signature is all over the paper work and I have been recording every one when I have been calling them and I have got her on recording as well as well as me sending emails to Jane and that asking them to over see

Police Officer; "police officer cut the phone off"

Victimizing me by Banging above the Bath to which I get into, once they understand that I have stopped running the water for my bath to be ready, this is after they wait for any other tail, tail signs that I have gotten undressed and soaked within the water, creating a brutal attack against my person in their wrongful self-gains!

117 - Slamming their own living room, door closed!

Eavesdropping, / Listening to where I am in my home and then chasing me around into each room as listed, while banging on the floor with objects!

Offer the period of mutable complaint that I highlighted the correct attention needed to upkeep the maintenance of my property regarding the damp to the Enfield Council; they left most opportunities to rectify the issues as invalidated!

To explain that I got left Embarrassed because of their actions towards me is an understatement!

27. On

EE.

12th July 2017

Mr. Neville Gary, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr.-Neville Gary attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely but the Defendant also refused him access.

The Defendant later shouted abuse and swear words at Mr. Gary and would not allow him to approach his car.

Mr. Gary has provided a witness statement in relation to this incident.

28. The Defendant is in breach of the following conditions of his tenancy agreement.

Condition 10 - "You must not act in any way which causes, or is likely to cause, a 'nuisance or annoyance or is anti-social."

Condition 21. - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a counsellor. This applies at any time and in any place. We may report the matter to the Police".

Condition 31 - "You must take care not to cause damage to your property or the property of your neighbours",

Condition 33 - "You must-keep the inside of your property clean and in reasonable decorative order".

Condition 34 - "You must not use the property in any way that may cause a health and safety' hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)"

Condition 53 - "You must keep the inside of the property, the fixtures and fittings and glass in good repair during the tenancy"

29. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother, but he declined to attend. Letters were sent to him on

30. I have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

31. The Claimant's operatives have had difficulties in accessing the Defendant's flat. to inspect the state of the property and the unauthorized works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant the Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since

NN.

December 2016

The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

32. The Defendant has intimidated the residents in the entire block and because of his Behaviour, we have received numerous complaints from residents, requests to be **transfer**red from the block and we have had to move a vulnerable tenant from the block.

33. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening Behaviour. towards the Claimant's members of staff and his neighbors. A Notice of Seeking Possession has been served to him and possession action is being considered.

However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This

application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Dear Ms Cordell,

Please see below as requested the details of recent allegations made against Mr Simon Cordell. I have listed the complainants as Complainant A, B and C.

1. On 6th August **2016** Complainant A reported that Simon Cordell, his neighbour at flat 109 is threatening him and his wife and aggressively demanding money from him. He alleged that Mr Cordell called his wife 'a bitch' and tried to stop him from going up the stairs to his flat. He also alleged that in July **2016**, someone used a knife to puncture his tyres, all 4 of them, that he believes that the tyres were slashed by Simon, that although he did not see Simon do it but he was quite certain that it was him. He also alleged that Mr Cordell damaged the lock to his electric cupboard and removed his fuse box resulting in no electricity.

2. On 5th October **2016** Complainant B reported that Mr Cordell has been harassing him for a while in relation to alleged noise disturbances from his flat. He alleged that the previous day on 4/10/16, Simon was banging on his ceiling and later came upstairs and started kicking his door and shouting aggressively. He alleged that Simon then went downstairs dragged his motorbike from where he

Outgoing call

Metropolitan's Police introduction.

Tape recording five z0000055

Out-going-call;

Metropolitan's Police introduction.

Simon; I am just phoning up, this is the Metropolitan police, yes.

Police Officer; yes, it is.

Simon; I am just phoning up in regards to two cads that I have put in on the 15th 14th and the 11th in regards to police corruption and getting a sergeant the new sergeant for Edmonton police station to call me back I think his name is Ian Rafael and the commander has not called me back, no one has called me back still.

Police Officer; so, you put in a complaint against the police and nobody has called you back.

Simon; yes, that is correct.

Police Officer; right, OK;

Simon;

Police Officer; I will take that information and pass it on to the police station that is all that I can do.

Simon; can I get a cad number.

Police Officer; can I take your name.

Simon; yes, my name is Mr Simon Cordell can I take your name please.

Police Officer; no, I will give you my name but I will give you the cad reference number when I have created the message.

Simon; ok I will take you doing the message then please.

Police Officer; Simon Cordell did you say.

Simon; yes, that is correct.

Police Officer; that is Cordell;

Simon; yes, that is Cordell, who is the commanding borough officer on right now?

Police Officer; I do not know who the commanding borough officer is at the moment I am in a call centre in Hen don.

Simon; yes, that is the reason that the call centre is designed in the beginning so that you no were every active police officer is while on duty.

Police Officer; no, we don't that is not what it is designed for can I take an address please.

Simon; 109 Burncroft Avenue Enfield;

Police Officer;

Simon; it is it is for any CFS caller making a call for services I am a call for services madam.

Police Officer; no, it is not sir, sirs, sir, where is Burncroft Avenue.

Simon; it is in Enfield I am a call err.

Police Officer; what is the postcode.

Simon; En3 7JQ.

Police Officer; "mutter."

Simon; I am correct I am a call for services that is correct it is for the general public to call when they have a concern and that is why I am calling 999 or 101 I can even call 112 or I can call 0207 230 1212 and every one of them directs me back to you or a member of your team and you lot are allocated to help members of the public when they call for services and if I give you got a call right now about a police officer outside my front door now and give you the badge number and I said I can look through my spy hole and I can see a police officer outside of my front door and I can see the badge number he is wearing but I do not think he is a real police officer if I call you now you should be able to tell me if that police officer is there or not if I ask you who is the sergeant for Edmonton police station you should be able to give that information or any other information that I require in regards to the company that you lot run, it is a company that you lot do run it is business yes and there are protocols for your business that you represent you have Sop regulations and laws.

Police Officer; silence;

Simon; Hello madam;

Police Officer; yes, I am listening to you.

Simon; am I correct that you follow Sop laws and that you lot are in practice towards the pace codes and conducts A, b, c, d, and E and the rest and so forth and that use lot were built from the 1961 police reforms Act, which is how the first police station was built and right now you are running in Co-Hurst to the regulatory 2000 Act, which Teresa May took a big part in writing due to you recording this phone call and that is how we are having this conversation right now and the reasons that this services are put there to provide for and I am concerned about corruption from the police officers and I have the evidence and if I was phoning about a chocolate bar being stolen from a shop you lot would act and you would send active police officers and you would create a cad and say that you are the caller creating that cad you would check the location to where I am were the caller is the Geological location.

Police Officer; ok, you wanted the cad reference number.

Simon; yes, yes can I have the cad number please.

Police Officer; right it is cad 32 87.

Simon; 3287.

Police Officer; and that is off to days date and that is to be passed through to the borough and that is of today's date.

Simon; and the days date is the 16th of the 2nd 2017.

Police Officer; its certainty is.

Simon; and you have put a message for me on the computer for Ian Rafael who had taken over Jane Johnson's job back in regards to.

Police Officer; sir you are clearly looking to argue with someone.

Simon; no, I am not I am just trying to be straight with the fact's madam.

Police Officer; and I am telling you now that I have passed this on.

Simon; I am not trying to argue with you I am just trying to be straight with the facts.

Police Officer; and I have to go because I have other people I need to help.

Simon; I can appreciate that but the call centre is built to handle 15,000 calls a day and if there was a football match on right now my one call should be a problem.

Police Officer; and I have got to go right now.

Simon; but my safety is a bigger concern as one person calling.

Police Officer; phone put down.

Dear Dionne Grant

Thank you for the information you sent regarding the subject access request. Sorry for the time it has taken for

me to get back to you but I have been having work done in my home so have had no access to my main computer which hold all my emails, and have been working from my mobile which is not the best option. And I won't have access to my main computer till most likely Monday as work is still ongoing. I do however feel that all the data has not been supplied that I have asked for, this was the same in March of 2016 I knew then we did not get all the data we asked for and an email was writing in regards to this but no one got back to me. Also, in the data you have sent there is hardly any dates or times, that complaints were put in why does Enfield Councils system not include dates and times information was recorded? There is no call data. No meetings data that government body's had meetings regarding Mr Cordell, the list goes on. I asked for all data that Enfield council holds, so all data should have been included and all audio call data and police data and meetings held and any other information that Enfield Council holds in regards to Mr Cordell. All police data and any letters that have been sent from police or to police. You seem to have asked for Mr Cordell health records who was this asked from and who gave the data? There seems to be a long list of information that is missing both from the request in March 2016 and the request that was submitted on the 24/11/2016. Can this please be looked into and if you are withholding any data for any reason could you please let me know this and what data it is and why you are withholding it. There is also a lot of incorrect data that is being held and it seems that Enfield Council has chosen to put Mr Cordell as the perpetrator, by the ASBT there is lists of emails that is missing that I have sent in regards to complaints as to what the neighbours was doing to Mr Cordell, I have also requested all my phone records as it seems there is no lists of all the calls I made on behalf of complaints regarding Mr Cordell's neighbours. As it also seems there is missing calls that Mr Cordell made himself regarding what his neighbours was doing to him, lucky for me I do keep all emails, but it seems Enfield Council does not and to try and get themselves out of trouble due to not doing what they were meant to this data is missing. I will give 14 days for this to be corrected and if it has not I will have no other option but to go to the ICO.

Regards

Lorraine Cordell

the complainants as Complainant A, B and C.

1. On 6th August **2016** Complainant A reported that Simon Cordell, his neighbour at flat 109 is threatening him and his wife and aggressively demanding money from him. He also alleged that in July **2016**, someone used a knife to puncture his tyres, all 4 of them, that he believes that the tyres were slashed by Simon, that although he did not see Simon do it but he was quite

certain that it was him. He also alleged that Mr Cordell damaged the lock to his electric cupboard and removed his fuse box resulting in no electricity.

2. On 5th October **2016** Complainant B reported that Mr Cordell has been harassing him for a while in relation to alleged noise disturbances from his flat. 132. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burhcroft Avenue.

133. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006**. I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

134. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. **The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016**. However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

135. **The Defendant was previously known to the Claimant and an anti-social behaviour order was made on 4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise**, for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

136. On **6th August 2016**, the Defendant threatened and shouted abuse at Mr and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1**.

137. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016**. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

138. On **27th September 2016**, Mr Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his

wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

139. On **28th September 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

140. On **11th November 2016**, my former colleague, **Sarah Fletcher interviewed an elderly resident who wished to remain anonymous**. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for

a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

141. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017**. He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016**, the **Defendant** aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

142. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, **I'm gonna take her job just for fun**' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

143. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016**. A file note of this incident is at page 37 of the exhibit bundle.

144. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

145. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

146. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

147. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

148. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

149. On **2nd July 2017**, Mr Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

150. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another

tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

151. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

152. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

154. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

155. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

156. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's

statement are at pages 61-62 of the exhibit bundle LN1.

157. On **12th July 2017**, Mr Neville Gray, the Claimant's repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

JJ. The Defendant is in breach of the following conditions of his tenancy agreement;

KK. Condition 10 - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

LL. Condition 21 - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use

violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the Police”.

mm. Condition 31 - "You must take care not to cause damage to your property or the property of your neighbours".

nn. Condition 33 - "You must keep the inside of your property clean and in reasonable decorative order”.

oo. Condition 34 - “You must not use the property in any way that may cause a health and safety hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)”

pp. Condition 53 - “You must keep the inside of the property, the fixtures and fittings and glass in the property in good repair during the tenancy”

6. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. Letters were sent to him on **29th November 2016** inviting him for a meeting on **6th December 2016, 31st**

January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

17. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

18. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

19. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your neighbours. Dear Ms Cordell,

Please see below as requested the details of recent allegations made against Mr Simon Cordell. I have listed the complainants as Complainant A, B and C.

1. On 6th August 2016 Complainant A reported that Simon Cordell, his neighbour at flat 109 is threatening him and his wife and aggressively demanding money from him. He alleged that Mr Cordell called his wife 'a bitch' and tried to stop him from going up the stairs to his flat. He also alleged that in July 2016, someone used a knife to puncture his tyres, all 4 of them, that he believes that the tyres were slashed by Simon, that although he did not see Simon do it but he was quite certain that it was him. He also alleged that Mr Cordell damaged the lock to his electric cupboard and removed his fuse box resulting in no electricity.
2. On 5th October 2016 Complainant B reported that Mr Cordell has been harassing him for a while in relation to alleged noise disturbances from his flat. He alleged that the previous day on 4/10/16, Simon was banging on his ceiling and later came upstairs and started kicking his door and shouting aggressively. He alleged that Simon then went downstairs dragged his motorbike from where he parked it and started smashing it up. He then called the police. He also stated that Mr Cordell had previously slashed his motorbike tyres with a knife, that he did not report it as he did not see him do it.
3. On 31st October 2016 telephone call received from another resident on behalf of Complainant C. He alleged that

74.

4. On 4th November 2016 met with Complainant C to discuss his concerns following the report from another resident. He stated the first incident happened sometime in July 2016, that he cannot remember the exact date. He alleged that he was approached by Mr Cordell as he came out of his front door and he started shouting abuse at him and threatened to burn down his flat. He alleged that the second incident happened in September 2016. He stated that he was on his way to meet a friend when Mr Cordell came at him 'ranting and raving' and said to him 'I can get you over at the park, I know you go for a walk'. He stated that two other neighbours witnessed the incident and that one of them told Mr Cordell to leave him alone. Complainant C also complained that Mr Cordell have installed a CCTV on the internal communal door and that he believes that he is monitoring his every move. He asked that the camera be removed as it is making him to feel very nervous, vulnerable, and uncomfortable and is an invasion of his privacy.

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.

I have asked for the dates these complaints were put in and yet have had nothing about the dates and times.

Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

- Complaint from A on date and Time: Body of complaint from A.
- Complaint from B on date and Time: Body of complaint from B.
- Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints and failed to supply any other information.

If I can get this back today, I would be most grateful, as it has been asked for before.

Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer.

As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago.

We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Regards

76.

Time: All-Day and All-Night whenever they knew that I was indoors!

The occupiers of 117 and 111 Continued to victimizing me by: --

After the mundane daily routine now of the already designated assailing me in my bathroom after waking me up transpired today!

The already Complained about Loud and truculent banging in the bathroom got worse and this got achieved by George Quinton and the Mathiyalagan family slamming objects on to their floors with evil intent of malefactor actions in the Morning then all day and night then 113 and 117 tenants kept on Continually, reiterating to flushing the toilet when I utilize it! Then 111 – 117 kept Slamming the dihydrogen Monoxide tap on and off, and now with George Quinton also involved I continue to document their Hate Crime towards me and report it to the relevant persons without any fair process of support and this is causing damage to my health and the buildings fixtures at an unacceptable rate!

I get faced with no re and no re distress every day and night because of the damp and no heating problems within my home and this continues without any fair response from the Enfield Council and the Enfield Homes departments in getting them fixed!

Outgoing call.

Metropolitan Police introduction.

Police Officer; Hello Metropolitan police what is your reason for calling

Simon; hello I have a few reason's to call I have general questions to ask yourself, hum, basically my name and I Mr Simon Cordell and I would like to find out, I put in to cad

number recently on the 16th and the 11th I believe in regards to asking an Ian rafial, who is the Sergeant of Edmonton police station to call me in regards to his officers that he is in charge of and notes were put down on the cad and I still have not revived a call back within 24 hours and it has been three days now and I still have not revived a call back in regards to this, so I was just wondering if you could put another cad in again asking him to call me again, because I have yes still to get his call and can I get a Cad number for this call please.

Police Officer; yes of course you can.

Simon; that is possible?

All so I have another question I would like to ask.

Police Officer; yes, go on.

Simon; I have been put on bail conditions no on conditions for my Asbo for an Asbo that has illegal been put against me it is forged and put against me basically I am being held for eight years in my house on well seven years on the Asbo two years on the injunction and five years for the Asbo in total that is seven years the maximum sentence and this was under the raves bill the maximum sentence that any one should get is six months in prison and a 20 grand fine but somehow I am riding eight years more than what most paedophiles and murders would get, hum I am quite upset about this but in my bail condition it says that I am not a loud on no industrial estate or that I am not a loud to do nothing of this nature now I would like to go to warehouse I would like to go out, I have not been a loud out for four years, I have not been allowed to go to out to anything, I would like to go to warehouse night club and I want to find out if I attend warehouse night club with my girlfriend then will I got to prison is that an arrest able offence.

Police Officer; sir what I would advise you to do is speak to.

Simon; Ian Rafael.

Police Officer; yes Ian Rafael.

Simon; yes, he is the new one.

Police Officer; he won't contact me back because he understands what is going to happen to the officers he is supposed to be in charge of, when Jane Johnson was in charge of them who was the last sergeant, she as a gold member team allowed access in to the police computers and allowed information to be forged, she was **transfer**red straight away once I recorded her conversation and was **transfer**red to royal diplomatic protection in Westminster but she basically has walked away from her duties of responsibility that she had at the time to the officers and to make sure there paper work was correct and now he is in charge of it, these officers are still on active duty I do not feel like I can leave my house I cannot even walk down my street because I feel that these officers are going to attack me and further manipulate the truth and I am going to end up with a sentence because they would rather that to happen to me rather than lose their mortgages or pensions and face up to what they have really done them self's in fraud paper work the fraud paper work in my Asbo.

Police Officer; sir, can I, just can we just- recorded some details, yes.

Simon; yes, that want to do.

Police Officer; silence.

Simon; hello.

Police Officer; sir, I am all on the computer and I am just typing away, just give me a minute and I will just see if I can get some answers for you.

Simon; thank you.

Police Officer; ok then.

Simon; they should have just dropped it under the trespass and I would have just forgot about the corruption, they never proved trespass in the buildings they had another chance.

Police Officer; who is the person dealing with your case.

Simon; well Steven Elsmore is the developer of the application he has done that under the order of.

Police Officer; no, no, from a police perspective.

Simon; yes Steven Elsmore who is a pc and he has been told to create the application develop it under Sir Holgon Howl's Bernard the commissioner of England and Wales which is Sir Holgon Howl, his told him to do it, he has told Jane Johnson to tell Jane to tell her officers to do it, Jane has told her officers to do it then Steve Elsmore created it then Steve Elsmore went to the civic centre and he spoke to Steve Elise and Steve Elis signed the forged paper work that Steve Elsmore created and they put the application against me I went to court under the grounds that trespass had not been proved under none of the incidents sighted in the application and basically I technically I won the case of what the applicant, what the respondent had put against me, Hum and when I walked out and went back home somehow it got advertised in the newspaper that I was found guilty for the organisation of illegal raves I had not even been arrested for some think that was illegal so I was quite shocked that this had happened to me and then basically at the end of it Steve Elsmore used a load of cad paper work his used hum sergeant Chile's Miles his used Inspector Sergeant Skinner paper work loads of them a Doglus Skinner the list to them is endless to them and basically they forged all of the time stamps and added cads in because all the call centre like the 999 call centre time stamps say cad five hundred happens every day and that has a time stamp of ten 0 clock cad five hundred and twenty five cannot have a time stamp of nine 0 clock earlier than the five hundred this happens continuously thought my paper work and then what made it even worse than that is that there is an inspector Hamill inspector Hamill actually went out side of the site of Progress he made ten he went there ten different times because his grid reference number has been put in there and he made ten different calls to 999 used his own personal mobile number and basically he created the cad outside now you can see if you look at the time stamps to the cads and you actually look at the x to y location correspondents you can see that each ten of these are in accurately the same place but out of the ten different ones, ten different cad numbers that he created to set me up one of them they forgot to block his name out and it says inspector Hamill calling on duty now he made that and let's say one of the calls he made that at 1:59 and he was at grid number so, and so, now if you look at the other cad papers two minutes before that accurately the same grid reference number another call was made from that actually same place so basically he made a phone call put the phone down two minutes later he made another phone call to 999 of his mobile unless he, some one body was standing on his toes and made this other phone call and did not speak to him the evidence that I have is over whelming to the true facts to what really happened hum the time cannot go backwards and trespass has to be proved in side of a building and under the licensing act when you are inside of a building then it should be proved that a communal building is being run none of these police officers went to none of the building owners but I gave them my cv of all the good work that I had been doing in the community lock to lock festival kids with celerpulsie, Enfield the list is endless I was the manager of my community hall and they went to every one of these places rather than go to a building owner and follow the true lines of investigation and they darkened all of my contracts and my work now I cannot get no work with these people again and I am sitting her upset that there is not even a building owner in side of the whole application.

Simon; hum I have got the folders what I got set up for is ten different events and I new that I had not committed them and I was not the organizer to them so what I done at the time I copied, I went to all of the Face book profiles of the true organisers and I copied there whole face books so I have eight different folders here right now that I have never handed to yourselves and it of all the true organisers face book yes but I am not a super grass and I do not want to do the officers lines of investigations.

Police Officer; Simon.

Simon; yes.

Police Officer; what I have.

Simon; hello;

Police Officer; what I have done is hum I have sent this through so hopefully someone will be calling you back shortly.

Simon; I would appreciate that I do not even want.

Police Officer; muttering;

Simon; can I just get a cad number please I do not want your name I would just like a cad number to this call please if that is possible.

Police Officer; yes;

Simon; I have got to ride another four, I have ride four years of it I have got to ride another four years, I cannot even go out to a night club, I cannot do anything, I cannot do anything right now I went to court and I did not attended a few times just to give them time to do the right thing because I have respect for the officers I have respect for all police officers I used to have good communications with them all until this happened like I would save them I have got pictures of me on you tube at Notting Hill watching a loud of officers two woman officers getting attacked I had to run over and offered them over and told ever one if they throw another bottles I have done so much for the officers when the time the crunch has hit it I have done the right things.

Police Officer; ok your cad reference number is 060194/24 Feb 17.

Police Officer;

Simon; thank you sir and I will be accepting a call back in 24 hours supposedly.

Police Officer; I have notified the correct department and made them aware of your complaint and that you're requesting call back within 24 hours.

Simon; ok thank you;

Police Officer; ok you welcome.

Simon; ok hope you have a good day sir.

Police Officer; bye for now;

Simon; bye;

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street.

As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Dear Mr Cordell

Re: Loss of water pressure/supply to block

Letter Hand Delivered

As you may be aware, there is an ongoing issue with loss of water pressure/supply to one or more of the flats in your block. Thames Water has attended more than once in recent weeks but have not been able to resolve the issue. They have advised that the external pressure/supply is satisfactory and that the restriction lies somewhere within the internal supply of the block. The Council's surveyor needs to investigate the matter further and will need to access flats 109, 113 and 117 to do so. We need to gain access into your property and an appointment has been made on

Friday

24/02/0000

between 10.00am and 12.00pm in order to establish the level of water pressure/supply in your property and to identify whether there is any restriction to the flow throughout the block. Please can you arrange for you or your personal representative to be there at this time to facilitate access. Please can you confirm that someone will be available to provide access by contacting me on 0800 40 80 160. We would appreciate your cooperation in this matter in order to resolve the issue for all residents in this block as soon as possible.

Yours sincerely,

Sarah Fletcher

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the

stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**, when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs

Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below

them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his

neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Dear Lemmy Nwabuisi

I will get back to you with a date. But I am very upset at what is on file within the subject access request it seems as if you put everything onto Mr Cordell and large amounts of data is missing. Like the information about Deborah Andrews this is incorrect, and the only reason we have found out about this is due to the subject access request. But there are lots of emails that are missing that I sent about Deborah Andrews and what the neighbours were doing, that are dated before any complaints went in from Deborah Andrews and the neighbours. yet nothing was done for Mr Cordell about this.

Also, there is missing dates and times of complaints, as to when things were meant to have happened and what

time they were meant to have happened why?

I do have many issues, with the report and why no emails are in the subject access request that was put in by me that are dated well before the neighbours put complaints in yet Enfield Council done nothing about this, There are also no phone calls I made or my son made, but as soon as the neighbours put complaints in these were?

taken up right away by Enfield Council. I will get back to you with a date I am due to see someone on the 09/03/2017 when I will be showing them all the information. So, it will need to be after this date. **Dionne Grant has also got until the 02/03/2017 to deal with the subject access** request and if I have not heard anything by this date, I will pass this on to the ICO.

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,

23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply, He stated that the incident was reported to the police, **CAD 5753/23 December 2016** and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of

tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone, but he continued to swear and shout abuse at them. They then walked away.

03/01/2017 at 1.0.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims ' of anti-social behaviour and to see if they rehouse them.

16/01/2017 :16/01/2017: 23/01/2017:

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday **21/01/2017**. when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017:

Mr and Mrs Mathiyalagan attended the Civic Centre today, **01/02/2017** to report an incident that occurred yesterday **31/01/2017**. Mrs Mathiyalagan stated that at about **6.30pm**, she was inside her flat with her two-and-a-half-year-old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and

shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise. She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 :08/02/2017:

I visited Mr Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-

I then went and knocked at flat 113 but there was no response.

17/02/2017:

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not

have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

neighbours.

I wrote to you on **29th December 2016** to arrange

- Contact request - TS Enterprise Hello I hope all is well for you, I am interested in a trial version of your software ps10 as I would like to test it, so to provide the best of quality prints on media such as canvas and high-quality paper this is to be inclusive of adhesive vinyl, this is for car wrapping and such activities. I am soon to be a starting company but am not yet, in the printing industry that is to say. I have obtained two printers because I want to re serviced them and there makes and models are canon w8400d and a canon w8400pg. I am also questioning whether you provide a discount with the ps10 software when purchased for educational purposes and if so, what would the price be.

Kind regards Mr Simon Cordell

Dear Ms Cordell,

Thank you for your email today regarding your son Mr Cordell's tenancy at 109 Burncroft Avenue. I did attend site with the Surveyor this morning to look at the low water pressure situation at the block. We were only able to gain access to one of the two other flats and the surveyor suggested we knock at Mr Cordell's on the off chance that someone was home. I honestly didn't expect anyone to answer as I had understood from you that no one was available. I am sorry if I misunderstood this and that you actually meant that you wanted to be present too. I will certainly try to take this into consideration in future. As I am sure that you may appreciate that for the Council to try and resolve this matter, we had to access three flats and to try to identify the cause it would assist in this process to access the three flats on one day if possible. Mr Cordell did answer the door and very kindly did give us access so that

the Surveyor could assess the pressure of water into his flat. Unfortunately, the visit was inconclusive as to the cause of the issues regarding the water supply to the block so the Surveyor is going to liaise again with Thames Water to try and move this forward. I would like to reassure you that we are just trying to resolve the issues related to the water pressure/supply to the block in the interests of all the residents affected by this including your son, Mr Cordell.

Dear Sarah Fletcher

After the call you made to me on the 22/02/2017 and I told you the date of the 24/02/2017 was not a suitable date to attend my son's home, in regards to the ongoing low water pressure issue in the block, you then said you would call me back on the 23/02/2017 with a date after you had spoken to the inspector, as to when you and the inspector could attend. The dates I gave you that were not suitable were the 24/02/2017 and the 27/02/2017. And the 28/02/2017,

2977,

01/03/2017 and the 02/03/2017 would be fine for you to attend with the inspector. On the 23/02/2017 you did call to give me an update, you said that you did not have an update as to a date, due the inspector not being in all day on the 23/02/2017, and that you was still going out to number 113 and 117 on the 24/02/2017 and that once you spoke to the inspector on the 24/02/2017 you would call me with an update as to what date you could attend with the inspector to my son's home. Why did you therefore go to my son's address on the 24/02/17 when you were told it was not convenient? The reason I said the dates were not suitable was that no one could be there with my son, and due to ongoing issues, which you are well aware off, I did not want my son there on his own when the council attended his home address. This has also been said to the council before, so why did you even go to my son's home when I told you it was not suitable? Could you please explain to me why? I was shocked when I got a call from my son today saying you had been to his home. From what my son also said to me today when he called, the inspector has also said the low water pressure issue in the block is not coming from his flat, can you also please confirm this via email.

Simon: that is possible? all so I have another question I would like to ask

Police Officer; yes, go on

Simon; I have been put on bail conditions no on conditions for my Asbo for an Asbo that has illegal been put against me it is forged and put against me basically I am being held for eight years in my house on well seven years on the Asbo two years on the injunction and five years for the Asbo in total that is seven years the maximum sentence and this was under the raves bill the maximum sentence that any one should get is six months in prison and a 20 grand fine but somehow I am riding eight years more than what most paedophiles and murders would

get, hum I am quite upset about this but in my bail condition it says that I am not a loud on no industrial estate or that I am not a loud to do nothing of this nature now I would like to go to warehouse I would like to go out, I have not been a loud out for four years, I have not been allowed to go to out to anything, I would like to go to warehouse night club and I want to find out if I attend warehouse night club with my girlfriend then will I got to prison is that an arrest able offence

Police Officer; sir what I would advise you to do is speak to

Simon; Ian rafieal

Police Officer; yes, Ian rafieal

Simon; yes, he is the new one

Police Officer; he won't contact me back because he understands what is going to happen to the officers he is supposed to be in charge of, when Jane Johnson was in charge of them who was the last sergeant, she as a gold member team allowed access in to the police computers and allowed information to be forged, she was **transferred** straight away once I recorded her conversation and was **transferred** to royal diplomatic protection in Westminster but she basically has walked away from her duties of responsibility that she had at the time to the officers and to make sure there paper work was correct and now he is in charge of it, these officers are still on active duty I do not feel like I can leave my house I cannot even walk down my street because I feel that these officers are going to attack me and further manipulate the truth and I am going to end up with a sentence because they would rather that to happen to me rather than lose their mortgages or pensions and face up to what they have really done them self's in fraud paper work the fraud paper work in my Asbo

Police Officer; sir, can I, just can we just record some details yes

Simon; yes, that want to do

Police Officer; silence

Simon; hello

Police Officer; sir, I am all on the I am just typing away, just give me a minute and I will just see if I can get some answers for you

Simon; thank you

Police Officer; ok then

Simon; they should have just dropped it under the trespass and I would have just forgot about the corruption, they never proved trespass in the buildings they had another chance

Police Officer; who is the person dealing with your case

Simon; well Steven Elsmore is the developer of the application he has done that under the order of

Police Officer; no, no, from a police perspective

Simon; yes Steven Elermore who is a pc and he has been told to create the application develop it under Sir Holgon Houle's Bernard the commissioner of England and Wales which is Sir Holgon Howl, his told him to do it, he has told Jane Johnson to tell Jane to tell her officers to do it, Jane has told her officers to do it then Steve Elsmore created it then Steve Elsmore went to the civic centre and he spoke to Steve Elise and Steve Elis signed the forged paper work that Steve Elsmore created and they put the application against me I went to court under the grounds that trespass had not been proved under none of the incidents sighted in the application and basically I technically I won the case of what the applicant, what the respondent had put against me, Hum and when I walked out and went back home somehow it got advertised in the newspaper that I was found guilty for the organisation of illegal raves I had not even been arrested for some think that was illegal so I was quite shocked that this had happened to me and then basically at the end of it Steve Elsmore used a loud of cad paper work his used hum sergeant Chile's Miles his used Inspector Sergeant Skinner paper work loads of them a Duglous Skinner the list to them is endless to them and basically they

forged all of the time stamps and added cads in because all the call centre like the 999 call centre time stamps say cad five hundred happens every day and that has a time stamp of ten 0 clock cad five hundred and twenty five cannot have a time stamp of nine 0 clock earlier than the five hundred this happens continuously thought my paper work and then what made it even worse than that is that there is an inspector Hamill inspector Hamill actually went out side of the site of Progress he made ten he went there ten different times because his grid reference number has been put in there and he made ten different calls to 999 used his own personal mobile number and basically he created the cad outside now you can see if you look at the time stamps to the cads and you actually look at the x to y location correspondents you can see that each ten of these are in accurately the same place but out of the ten different ones, ten different cad numbers that he created to set me up one of them they forgot to block his name out and it says inspector Hamill calling on duty now he made that and let's say one of the calls he made that at 1:59 and he was at grid number so, and so, now if you look at the other cad papers two minutes before that accurately the same grid reference number another call was made from that actually same place so basically he made a phone call put the phone down two minutes later he made another phone call to 999 of his mobile unless he, some one body was standing on his toes and made this other phone call and did not speak to him the evidence that I have is over whelming to the true facts to what really happened hum the time cannot go backwards and trespass has to be proved in side of a building and under the licensing act when you are inside of a building then it should be proved that a communal building is being run none of these police officers went to none of the building owners but I gave them my cv of all the good work that I had been doing in the community lock to lock festival kids with celerpulsie, Enfield the list is endless I was the manager of my community hall and they went to every one of these places rather than go to a building owner and follow the true lines of investigation and they darkened all of my contracts and my work now I cannot get no work with these people again and I am sitting her upset that there is not even a building owner in side of the whole application

Simon; hum I have got the folders what I got set up for is ten different events and I knew that I had not committed them and I was not the organizer to them so what I done at the time I copied, I went to all of the Face book profiles of the true organisers and I copied there whole face books so I have eight different folders here right now that I have never handed to yourselves and it of all the true organisers face book yes but I am not a super grass and I do not want to do the officers lines of investigations

Police Officer; Simon

Simon; yes

Police Officer; what I have

Simon; hello

Police Officer; what I have done is hum I have sent this through so hopefully someone will be calling you back shortly

Simon; I would appreciate that I do not even want

Police Officer; muttering

Simon; can I just get a cad number please I do not want your name I would just like a cad number to this call please if that is possible

Police Officer; yes

Simon; I have got to ride another four, I have ride four years of it I have got to ride another four years, I cannot even go out to a night club, I cannot do anything, I cannot do anything right now I went to court and I did not attended a few times just to give them time to do the right thing because I have respect for the officers I have respect for all police officers I used to have good communications with them all until this happened like I would save them I have got pictures of me on you tube at Notting Hill watching a loud of officers two woman officers

getting attacked I had to run over and offered them over and told ever one if they throw another bottles I have done so much for the officers when the time the crunch has hit it I have done the right things

Police Officer; ok your cad reference number is 060194/24 Feb 17

Police Officer;

Simon; thank you sir and I will be accepting a call back in 24 hours supposedly

Police Officer; I have notified the correct department and made them aware of your complaint and that you're requesting call back within 24 hours

Simon; ok thank you

Police Officer; ok you welcome

Simon; ok hope you have a good day sir

Police Officer; bye for now

Simon; bye

DIRECTIONS ORDER

158. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burhcroft Avenue.

159. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy

agreement and terms and conditions are hereby attached at pages 1-24.

160. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. **The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016**. However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

161. **The Defendant was previously known to the Claimant and an anti-social behaviour order was made on 4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise**, for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

DIRECTIONS ORDER

162. On **6th August 2016**, the Defendant threatened and shouted abuse at Mr and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1**.

163. On **8th August 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016**. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

164. On **27th September 2016**, Mr Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

165. On **28th September 2016**, Mr Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

166. On **11th November 2016**, my former colleague, **Sarah Fletcher interviewed an elderly**

resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-September 2016, one of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle LNI.

167. I had meetings with Mr George Quinton, one of the Defendant's neighbours on 16th December 2016 and 11th January 2017. He reported that he was experiencing problems with the Defendant's behaviour, and that on 4th October 2016, the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the

front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

168. On **22nd November 2016**, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, I'm gonna take her job just for fun' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

169. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1**. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016**. A file note of this incident is at page 37 of the exhibit bundle.

170. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017**, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

171. On **9th June 2017**, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

172. On **16th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

173. On **23rd June 2017**, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm**. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

174. On **28th June 2017**, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am**, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

his dog barking and without a lead as he was going out with his family at

He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

176. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

177. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

178. On **7th February 2017**, the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

180. On **8th May 2017**, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

181. On **14th May 2017**, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

182. On **28th May 2017**, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

183. On **12th July 2017**, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

qq. The Defendant is in breach of the following conditions of his tenancy agreement;

rr. **Condition 10** - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

ss. **Condition 21** - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the Police".

ww. Condition 53 - “You must keep the inside of the property, the fixtures and fittings and glass in the property in good repair during the tenancy”

7. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016 and 16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the

team and was informed that he is no longer under their care.

20. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since **December 2016**. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

21. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

22. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Simon Cordell - 109 Burncroft Avenue, EN3 7JQ
Following reports of continued low water pressure/supply to 117 Burncroft Avenue (second floor) despite information from Thames Water indicating that they had attended and that supply to the block 109-119 Burncroft Avenue was of a sufficient bar pressure, I tried to coordinate access to all flats on the right-hand side of the block, potentially affected by the issue: 109, 113 and 117.

I wrote and hand delivered letters to all 3 of the properties requesting access for the Council Surveyor to visit and assess the water pressure in each on **Friday 24th February 2017** between 10am and 12pm.

I spoke by telephone with Mr Irving, the leaseholder of 117; who had instigated the water pressure complaint who agreed that he would attend and give access.

I spoke by telephone with Mr George Quinton, the tenant of 113, who agreed that he would give access.

I spoke by telephone with Lorraine Cordell, mother of Simon Cordell, the tenant of 109 who said that no one was available to give access.

I attended with Steve Stirk, surveyor, on **Friday 24th February 2017 at 10am**. We were given

access to 117 and Steve Stirk investigated the water pressure to the taps in the kitchen and bathroom.

We were unable to gain access to 113 as the tenant was not home -1 called and left voicemail messages for the tenant but did not get any further response.

Steve Stirk suggested that we knock at 109 just on the off chance that someone was home. Mr Simon Cordell answered the door and, once Steve Stirk had explained that we were investigating the low water pressure/supply issue to the block, he allowed us into the property.

While Steve Stirk checked the water pressure in the kitchen, I introduced myself to Mr Cordell. He then became quite agitated and proceeded to regulate me with the same issues that he had relayed to me during our previous telephone conversation including issues about his neighbours, the police and the Council conspiring to ruin his life as well as his work arranging community music events. He did not give me much of an opportunity to respond and kept talking over me when I tried to do so. Steve Stirk then went and checked the bathroom taps which he discovered were all already open (water running in wash basin; water running in bath which was full and going down overflow). We then thanked Mr Cordell for his time and left the property.

Outcome: It is unclear whether Mr Cordell running all of the taps constantly is linked to the issue of low water pressure as he is on the ground floor and 117 is 2 floors up (we had been unable to check the pressure in 113). Steve Stirk to liaise again with Thames Water about the issue and to consider separation of the water supply to the ground floor flat.

Simon Cordell — 109 Burncroft Avenue, EN3 7JQ

Further to ongoing issues related to water pressure/supply to the block at 109 - 119 Burncroft Avenue particularly to the right-hand supply affecting 109,113 and 117, I visited the block on Monday **8th May 2017 at 11am with Steve Stirk, surveyor**, and .an MCP locksmith.

The purpose of this visit was to gain access to 113 Bumcroft Avene so to assess the water pressure/supply to this property. Several attempts had been made previously to do this but the tenant was not there to give access so a 'forced' entry was made and the locks subsequently changed (the tenant had been notified previously that we would be taking this action if he did not provide access). We entered the property so that Steve Stirk could test the water taps in the kitchen and bathroom. There was no flooring laid except for a rug in the living room (the kitchen was accessed through here) and the floorboards made a significant amount of noise as we stepped on them.

The resident from the property underneath, Mr Simon Cordell, heard us in the property and came upstairs. Steve Stirk and I were outside the property at this point as the locksmith started to undertake the work to install new locks on to the door (he was inside the hallway).

Mr Cordell proceeded to 'rant' at Steve Stirk and me about his perceived victimisation by his neighbours. He was very agitated and loud - recounting his experience with the police, previous housing management, a previous partner, a previous neighbour and allegations of anti-social behaviour made against him-

Steve Stirk tried to explain that we were there to deal with a specific issue and that this was not the time or place to address these concerns. Mr Cordell did not want to listen and became fixated on Steve Stirk being 'dismissive' towards him (Mr Cordell's words). He went on at length about his upstairs neighbours, both past and present on first and second floors, 'banging' hammers deliberately above his head.

He continued to go on, in his agitated state, about how he had been treated by the police and previous housing managers who had promised

him that they would re-lay the floor of flat 113 but had not done so. At this point the resident from 117, Mr Mathiyalakan Markandu, came down the stairs on his way out of the building. As he came down past us Mr Cordell focussed his attention on him and said to him: 'I'm going to the police station now with my evidence about you and I'm going to ruin your life'. Mr Mathiyalakan Markandu did not respond and proceeded to walk past and go down the stairs and out of the building.

Both Steve Stirk and I commented to Mr Cordell that the way he had behaved was threatening in nature and Was not acceptable. Mr Cordell responded, 'it's not a threat it's a fact'. He then continued to repeat his history with the police and previous housing management.

I asked Mr Cordell to calm down and tried to explain that some of these issues could have been addressed by attending the meeting that Lemmy Nwabusi in the CSU team had tried to convene with him. He said that he was not prepared to attend such a meeting but wanted to speak to me, his housing officer, now. I explained that as Steve Stirk had already said that we could not address his issues there and then I suggested that a meeting could be convened with both the CSU and neighbourly teams to look at some of the

issues with Mr Cordell. He indicated that he would be willing to do this if we came to his home to do so.

From: Steve Stirk.

Sent: 10 May 2017 08:42

To: Lemmy Nwabuisi

Subject: 109, BURNCROFT AVENUE,
ENFIELD, EN3 7JQ

Further to my conversation today please note the following I carried out a joint with Sarah back in January regarding low water pressure to 117

While on location the following was noted

Kitchen internal wall has been partly removed

3 large industrial type printers found with assorted inks and cleaning liquids Internal gate installed to front door

While all these items could be used in normal day to day interests the tenant made claims he was actively involved in planning and conduction events and the equipment was used to produce marketing leaflets and posters

This Monday we has reason to attend 113 to carry out a full lock change given accusation from the tenant that his lock had been glued so was unable to gain access the tenant claim the damaged was

caused by 109, (this cannot be confirmed) as the tenant did not attend both Sarah and myself did go in and while there was confronted by the tenant from 109, the tenant for about twenty minutes would not leave us alone and became increasingly aggressive despite attempt to explain to him that we had not come to see him or indeed were able to comment of any of his accusations on how Enfield had ruined his lie were putting him in danger by leaving him in his flat, during this confrontation the tenant from 117 passed through the passage and the tenant from 109 stated he was going to 'ruin his life and generally became more irate towards the tenant.

It is clear that we are unable to allow this to continue as the body posture from 117 was defensive and did not wish to reply or get into any form of conversation with this tenant

Given that two members of staff were present and the confrontational attitude towards not only us but the other resident I believe we need to action this event to try and stop any further escalation from this tenant

Lastly I would recommend that we need full access to 109 to assess what is the true cause of the low water pressure to the flats above given the items found in the flat as well these need to be removed as does the internal gate please advise so I can carry out a full inspection as this is a complaint from the lease holder as they have very little water flow in the fiat above and given the nature of the conditions and life style of 109 we are unable to show if he has caused the issue, on a housing point the internal wall that has been partly removed needs to be put back as it is a breach of fire regs

Outgoing call

Metropolitan Police introduction

Simon; hello

Police Officer; is that a Mr Simon Cordell

Simon; Yes, Mr Cordell speaking whom I speaking to

Police Officer; Sergeant Miller

Simon; Miller

Police Officer; yes, from Edmonton police station

Simon; how are you doing

Police Officer; I am calling in regards to a complaint that you have made

Simon; yes basically in 2000 and it is quite its quite over reached by now in **2013** I was put on I was arrested for burglary I had a police officer come to my house and they found a gazebo in my garden handling stolen goods and put it down as burglary I was on bail conditions for the whole of the year **2013** to 14 I had to give my passport to uses lot I was not a loud to leave the country I had to sign on at the police station every day at eight 0 clock plus I was on a house bail conditions I was not a loud to leave my house yes the conditions were endless I was barred from central London and so forth and after a year of being on bail and having to stick to all of these conditions I finally one the case I got released and I walked out side of my front door as I walked out side of my front door I meat a new partner and so forth like that

Simon; one day I was in my house and a loads of police officers knocked at my front door I asked them what they wanted through my front door being closed and they explained to me that they just wanted to speak to me, so I opened my door slightly a jar and they tried to force a massive folder through my front door I closed the front door and I did not let the folder in my house and I said to them I am not letting them put stuff inside my house, they throw the folder on the floor outside of my house and walked of I phoned my mother and asked my mother to come and get, collect the folder and she could not come till the next day, she come to my house the next day and picked up the folder she photo copied it her, herself and then she went to the police station and handed it into Edmonton police station, she got a recite that I have yes, with a stamp on it from Edmonton police station and it is in my name, the property of Mr Simon Cordell that has never been found, yes and now I have got that receipt and it got put in lost property and now that is true and this property is an Asbo application now it only ever had four witness statements CFS callers in it witness statements saying that they were keep up overnight, now somehow since through the ongoing of the case getting dragged on since **2014** I have gone to go and get this folder and it has been stolen out of Edmonton lost property, now I am quite concerned about it being stolen because the property room was only burnt down a couple of years ago because of police corruption so I am quite shocked that it disorganized that stuff can still be stolen out of it by over officers so I would like to know where my folder is and I have got the recite for that now the reason that I would like the folder is because it proves that the police fraudulently added an extra ten witness statements into the folder since the time that it has been going on now

Police Officer; is it not that this complaint being dealt with by sergeant Thomason

Simon; no police officer has tried to deal with this or any of my complaints I continually keep phoning you lot up and recording I have a bout years' worth of recordings I am even recording this conversation right now

Police Officer; I am sure you have

Simon; I am recording this conversation

Police Officer; honestly it does not matter you can record what you want I am jut calling in regards to your complaint`

Simon; this is not the only part of my complaint this property has been stolen by officers out of there

Police Officer; yes, yes, I no

Simon; what my further concern was

Police Officer; go on

Simon; I was I went I looked at the Asbo case and I knew that there was ten incidents in it and that I had not committed none of these incidents I was not the organizer to any if these events so I wouldn't be I felt as if in the police were trying to force me to be a super grass yes and using the paper and fabricating the paper work to turn me into a super grass I looked

at the laws that I represent from the land that I live off and I went to court and I said look trespass has not been proven inside none of these buildings, yes for under the raves bill trespass must be present, yes 1994 so I won the case applicants case any way but somehow she said because you had a nitro s oxide bottle on you at one of these days which is an ADR road traffic offence and it ant a traffic offence because it is not illegal to carry it she gave me a five year Asbo I had already been riding two years prior to that to the injunction so that is seven years plus I done a year for the other case the gazebo which I won that is eight years the maximum sentence under the raves bill is six months and a 20 grand fine so I do not understand why I am riding eight years and my eight years don't get cut in half, now it said I was also further upset because it says the organisation of illegal raves now if some this is illegal I should have been arrest yes so I should have been arrested I should have been a loud to have my interview I should have been a loud to go through it with my solicitor's and the cps should have took my case yes from there now this has never happened but somehow I seem to have a criminal recorded no I do not have a criminal record but somehow basically what they continue to say in the Asbo was this will not have an effect on my abilities of running my company objectives so I wrote to every other council borough there are thirty three boroughs so I wrote to the other thirty two wrote and they basically write back to me and said these council are lying and these police are lying this has a massive effect of the running abilities of your company because every council has a different licensing department yes and that I have to go there and because it says an illegal offence

Police Officer; Police Officer;

Simon; massive effect of the running abilities of your company because every council has a different licensing department, yes and that I have to go there and because it says an illegal offence yes I have to basically have to go to a special committee with them and that I have to explain the Asbo which is un fair on me and it stops me working with the other thirty two boroughs yes now I have been in my house

Police Officer; can I just stop you there it is frustrating because what you are saying rings a bell one of my colleges you spoke you spoke to one of my colleges on **13th of February**

Simon; yes, that is very possible

Police Officer; yes, on cad 440

Simon; I have them all on recording so that I know that the, I do not know them all of my heart but I have got them all recorded

Police Officer; ok that is just fine I am just telling you that you did because it is recorded here

Simon; and they have told me that they cannot do anything the only person that can do some think is yourselves a sergeant from the police station

Police Officer; yes

Simon; sorry for being rude but I explained to them that if I phoned them now as a Cfs caller call for services and I said to them look I know someone I just see some body still a chocolate bar out of a shop they would send a patrol car to me and to that shop over a chocolate bar being stolen I have clear corruption here and I have got evidence of it and that I have been set up and that I am riding four years and I would like a police officer sent to my house so that

Police Officer; mutter

Simon; go on

Police Officer; hum I am calling because we only deal with initiation service recover, now oversley your complaint we cannot deal with the initial serves recovery because it is they hum protracted in bits providentially protracted in investigation that needs to be done hum on the **13th of February on cad 440 which is our reference it has been marked up as sergeant Thomson is aware of your matter and he is dealing with it and now that is a**

sergeant that works in the professional standards department office at Edmonton police station so he deals with all the ongoing protection standards issues and if there any complaints ongoing complaint he deals with them and so I cannot assist you at the moment because I am the wrong department for that but since he is aware of it I am going to send him an email now to tell him that you have called and that you want an update regarding this issue because hum he is looking in to it

Simon; I would like a meeting with him so that I can sit there and show him the evidence that I have of the corruption and the fabricated evidence

Police Officer; that is fine

Police Officer; I will tell him to contact you directly and hum you can speak to him about it

Simon; and if I do not receive a phone call back from none of your selves as like seems to have happened for the last three years or two years of this case now then what actually what actually happens then what should I phone you up again phone up the 02071212 again and then put the same complaint in again and hope that somebody contacts him again like how because no one want to investigating these officers

Police Officer; I am sure that you have been contacted from the last time from Sergeant Thompson

Simon; I have got recordings of me phoning up 999 and speaking to sergeants from ccc bow

Police Officer; yes, yes you might call up a few times

Simon; cc bow is basically said to me they have been one of the main officers in cc bow and that in all of their life that of them working there I have got it all on recording she has never seen the time stamps go backwards on the cads she said that this is clear corruption and this was months ago

Police Officer; what do you mean that the time stamps go backwards

Simon; basically, I got given an Asbo yes and on the Asbo in the Asbo paper there's say 50 cads in there yes and them 50 cad every day Cad number 500 happens now I wrote to storm and Met ccc and I have been told that it is fraud

Police Officer; you are talking about things that I do not have a clue about yes so, I a m not the right person to see to give you the advice on that

Simon; but you are dealing with a cad system right this second

Police Officer; yes

Simon; right now, as I call you

Police Officer; you are talking about cads being amended as far as I am concerned cads once they have been "mutter" the time frames cannot be changed on the cad because it does not give us an opportunity

Simon; yes

Police Officer;

Simon; but what I am saying is that someone fraudulently, they gone and made the paper work out of the computers because basically I have got cad say cad

Police Officer; if you are saying that then someone has got to investigate that and it will be as I said it will be the bloke at the professional standards department

Simon; what is even worse than that is say like if you the cads say if you look at all of the cads a lot of the information like the call recorder is blocked out the call location everything is blocked out yes adapted now they forgot to take the x to y locations out yes so now when I put them into Google it shows it shows like five six miles away it show the other side of this place the other and they covered it all other and forged it to be that

Police Officer; sir I have got to stop you there sir I have got to stop you there I appreciate you have got all of this information and I cannot assisted you with that but I am telling you that I am going to email the professional standards

Simon; and what is his name again

Police Officer; Sergeant Thomson

Simon; Sergeant Thomson what Thomas what

Police Officer; Thomson

Simon; and what is his other name a badge for him

Police Officer; err sixteen ye

Simon; do you have a direct email yourself that I can contact as well

Police Officer; his email yes, I can give you that one minute

Simon; they said the only reason that they want to carry this Asbo on is because that of the amount of money that they have spent on this case they do not care about me as person it is all about money to them yes and it has had a large huge effect on my way of life and on everything and it

Police Officer; OK

Simon; his err email address is Arran.Thomason@met.pnn.police.uk

Police Officer;

Simon; well thank you for contacting me today and I am sorry that it has been on such a negative thing

Police Officer; I am sure he is because it says he is I am sure that he is aware of hum this but I will send him an email now

Simon; with this phone number and ask him to contact me back like this as well

Police Officer; yes, yes with this cad number that I rang you on

Simon; OK

Police Officer; but oversley he will get back in contact with you

Simon; OK thank you, you have a good day sir

Dear Ms Cordell

Thank you for your email below. The relevant service areas supplied the information that is held on their records. There are no call recordings available. You mention that you think information is missing. In order to enable us to search further, please clarify what data you think is missing and if you are aware of the context of which any other information may be held and any likely dates you think the processing of information may have occurred and I will then make further enquiries with services. As a reminder, the information provided in your recent request is only new data from when the last subject access request was made in **2016**. As previously explained, third party information would be withheld; to clarify further, this would include records produced by external agencies. In your email below, you refer to police records; please note that Mr Cordell may wish to contact the police directly to request details of their records held. You also mention below that the Council holds inaccurate data. Mr Cordell may provide his statement to us to address what information he feels is incorrect and we will ensure that this is placed on our records alongside that data which he believes is inaccurate. This will then ensure that both versions of events are viewed alongside each other. You do also have the right to contact the ICO as advised in my previous response.

2982,

Dear Dionne Grant

Thank you for the information you sent regarding the subject access request. Sorry for the time it has taken for me to get back to you but I have been having work done in my home so have had no access to my main computer which hold all my emails, and have been working from my mobile which is not the best option. And I won't have access to my main computer till most likely Monday as work is still ongoing. I do however feel that all the data has not been supplied that I have asked for, this was the same in March of **2016** I knew then we did not get all the data we asked for and an email was written in regards to this but no one got back to me. Also, in the data you have sent there is hardly any dates or times, that complaints were put in why does Enfield Councils system not include dates and times information was recorded? There is no call data. No meetings data that government body's had meetings

regarding Mr Cordell, the list goes on. I asked for all data that Enfield council holds, so all data should have been included and all audio call data and police data and meetings held and any other information that Enfield Council holds in regards to Mr Cordell. All police data and any letters that have been sent from police or to police. You seem to have asked for Mr Cordell health records who was this asked from and who gave the data?

There seems to be a long list of information that is missing both from the request in March 2016 and the request that was submitted on the 24/11/2016. Can this please be looked into and if you are withholding any data for any reason could you please let me know this and what data it is and why you are withholding it. There is also a lot of incorrect data that is being held and it seems that Enfield Council has chosen to put Mr Cordell as the perpetrator, by the ASBT there is lists of emails that is missing that I have sent in regards to complaints as to what the neighbours was doing to Mr Cordell, I have also requested all my phone records as it seems there is no lists of all the calls I made on behalf of complaints regarding Mr Cordell's neighbours. As it also seems there is missing calls that Mr Cordell made himself regarding what his neighbours was doing to him, lucky for me I do keep all emails, but it seems Enfield Council does not and to try and get themselves out of trouble due to not doing what they were meant to this data is missing. I will give 14 days for this to be corrected and if it has not, I will have no other option but to go to the ICO.

Dear Ms Cordell

Thank you for your email below. The relevant service areas supplied the information that is held on their records. There are no call recordings available. You mention that you think information is missing. In order to enable us to search further, please clarify what data you think is missing and if you are aware of the context of which any other information may be held and any likely dates you think the processing of information may have occurred and I will then make further enquiries with services. As a reminder, the information provided in your recent request is only new data from when the last subject access request was made in **2016**. As previously explained, third party information would be withheld; to clarify further, this would include records produced by external agencies. In your email below, you refer to police records; please note that Mr Cordell may wish to contact the police directly to request details of their records held. You also mention below that the Council holds inaccurate data. Mr Cordell may provide his statement to us to address what information he feels is incorrect and we will ensure that this is placed on our records alongside that data which he believes is inaccurate. This will then ensure that both versions of events are viewed alongside each other. You do also have the right to contact the ICO as advised in my previous response.

Dear Concetta Nobile

Thank you, for the update and information you will need I have my driving licence but since 08 June 2015 the paper part is no longer needed so I do not have this so do not have both parts only the card. I have bills to show my address dated within the last 3 months so that should not be a problem. As for the information I have asked for it is all the information that is held by Enfield Council within all departments. This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about myself. The minutes from the meeting that was held about me by Enfield council on the 15/12/2016 with regard to the formal complaints that was put in. I did request minutes were taken when I was told I could not attend. Any phone calls made by myself or my mother on my behalf to Enfield Council All that were put in for Enfield Council to address this would include all comments made on any such report such as I have removed all my piping for my heating system. All my housing benefit and anything to do with my rent account and council Tax. Any complaints that have been put in about me this would include any neighbours or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction. If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld.

Hello Ms Cordell,

Thank you very much for your email, the content of which is very illustrative. I can confirm I have made contact with Mr Jenkins and can also confirm according to Mr Jenkin's recollection the officer did not mention their being tools in Simon's van. Regarding the officer's notebook, as you're aware the officer did make use of one on the day in question, of course its content will form part of my investigation. Going forward, I note that in their appeal findings the IPCC made direct reference to a transcript in your

Dear Jamie Newman,

Thank you for the below email. I believe you have spoken to Martin Jenkins and he has confirmed with you that when Mr Cordell was spoken to by the police officer, Mr Cordell used his phone to call Martin Jenkins and Martin Jenkins confirmed he told the police officer Mr Cordell was insured to drive, and also the police officer never said anything about any tools to him on that phone call. I also made calls that day as my son also called me what was going on. I have asked many times to see a copy of the police officer note book, as until I saw the report from Jeanette Reilly, and it was confirmed the police officer did in fact have a note book, Mr Cordell always said he took notes but the police officer even said in court he never and it was only the ticket he had used that day. The reason for asking for a copy is due to the fact of the name my son give and it is stated in his note book a name was given, then it seemed to change to Mr Cordell saying he was homeless, but the police officer would have done checks of the name given, which I believe the note book proves my son give his correct name as there was no reason for him not to have done as he never done anything wrong, and this would have been confirmed when the police officer done his police checks. There is also one other issue and that is when Mr Cordell asked for an inspector to be called due to what the police officer had said to the insurance company. Mr Cordell was telling the inspector that the police officer had lied to his insurance company about tools being in the vane, all it would have took was for the inspector to check the van at that time, he would have then seen something was really wrong as there was no tools and would have seen this, and this could have been addressed there and then without the need for my son to have been arrested. If there is anything you need for me please let me know.

I was told that a letter was going to be sent out stating that the way in which I have filed the subject access request is not by dates and that dates would be needed to complete the requests. I said to the lady how can we give you dates there is too many of them, far too many for us to remember as this is going back over 23 years of data we have requested, as we want all data that is held about us by police. This is when the lady said that she will send me a letter stating I had to update my request. Could the lady please be asked who called me today if this letter can be sent via my email. I have spoken to the ICO explained what has been said and even the lady cannot believe I am being asked to

3003.

supply 23 years of dates, and can it also be confirmed if this is a refusal of the 4 subject access request that have been submitted. We want to move this forward, and we have the

right to the information that is being held on us, all of it, dates should not be needed as we would like all information.

Regards

Miss Lorraine Cordell

Outgoing call.
Metropolitan Police introduction.
Simon; hello.
Police Officer; is that a Mr Simon Cordell.
Simon; Yes, Mr Cordell speaking whom I speaking to.
Police Officer; Sergeant Miller.
Simon; Miller.
Police Officer; yes, from Edmonton police station.
Simon; how are you doing.
Police Officer; I am calling in regards to a complaint that you have. made.
Simon; yes basically in 2000 and it is quite its quite over reached by now in **2013** I was put on I was arrested for burglary I had a police officer come to my house and they found a gazebo in my garden handling stolen goods and put it down as burglary I was on bail conditions for the whole of the year **2013** to 14 I had to give my passport to uses lot I was not a loud to leave the country I had to sign on at the police station every day at eight 0 clock plus I was on a house bail conditions I was not a loud to leave my house yes the conditions were endless I was barred from central London and so forth and after a year of being on bail and having to stick to all of these conditions I finally one the case I got

released and I walked out side of my front door as I walked out side of my front door I meat a new partner and so forth like that

Simon; one day I was in my house and a loads of police officers knocked at my front door I asked them what they wanted through my front door being closed and they explained to me that they just wanted to speak to me, so I opened my door slightly a jar and they tried to force a massive folder through my front door I closed the front door and I did not let the folder in my house and I said to them I am not letting them put stuff inside my house, they throw the folder on the floor outside of my house and walked of I phoned my mother and asked my mother to come and get, collect the folder and she could not come till the next day, she come to my house the next day and picked up the folder she photo copied it her, herself and then she went to the police station and handed it into Edmonton police station, she got a recite that I have yes, with a stamp on it from Edmonton police station and it is in my name, the property of Mr Simon Cordell that has never been found, yes and now I have got that receipt and it got put in lost property and now that is true and this property is an Asbo application now it only ever had four witness statements CFS callers in it witness statements saying that they were keep up overnight, now somehow since through the ongoing of the case getting dragged on since **2014** I have gone to go and get this folder and it has been stolen out of Edmonton lost property, now I am quite concerned about it being stolen because the property room was only burnt down a couple of years ago because of police corruption so I am quite shocked that it disorganized that stuff can still be stolen out of it by over officers so I would like to know where my folder is and I have got the recite for that now the reason that I would like the folder is because it proves that the police fraudulently added an extra ten witness statements into the folder since the time that it has been going on now.

Police Officer; is it not that this complaint being dealt with by. sergeant Thomason.

Simon; no police officer has tried to deal with this or any of my complaints I continually keep phoning you lot up and recording I have a bout years' worth of recordings I am even recording this conversation right now.

Police Officer; I am sure you have.

Simon; I am recording this conversation.

Police Officer; honestly it does not matter you can record what you want I am jut calling in regards to your complaint. `

Simon; this is not the only part of my complaint this property has been stolen by officers out of there.

Police Officer; yes, yes I no.

Simon; what my further concern was.

Police Officer; go on.

Simon; I was I went I looked at the Asbo case and I knew that there was ten incidents in it and that I had not committed none of these incidents I was not the organizer to any if these events so I wouldn't be I felt as if in the police were trying to force me to be a super grass yes and using the paper and fabricating the paper work to turn me into a super grass I looked at the laws that I represent from the land that I live off and I went to court and I said look trespass has not been proven inside none of these buildings, yes for under the raves bill trespass must be present, yes 1994 so I won the case applicants case any way but somehow she said because you had a nitro s oxide bottle on you at one of these days which is an ADR road traffic offence and it ant a traffic offence because it is not illegal to carry it she gave me a five year Asbo I had already been riding two years prior to that to the injunction so that is seven years plus I done a year for the other case the gazebo which I won that is eight years the maximum sentence under the raves bill is six months and a 20 grand fine so I do not understand why I am riding eight years and my eight years don't get cut in half, now it said I was also further upset because it says the organisation of illegal raves now if some this is

illegal I should have been arrested yes so I should have been arrested I should have been a loud to have my interview I should have been a loud to go through it with my solicitor's and the cps should have took my case yes from there now this has never happened but somehow I seem to have a criminal recorded no I do not have a criminal record but somehow basically what they continue to say in the Asbo was this will not have an effect on my abilities of running my company objectives so I wrote to every other council borough there are thirty three boroughs so I wrote to the other thirty two wrote and they basically write back to me and said these council are lying and these police are lying this has a massive effect of the running abilities of your company because every council has a different licensing department yes and that I have to go there and because it says a illegal offence.

Police Officer; Police Officer;

Simon; massive effect of the running abilities of your company because every council has a different licensing department, yes and that I have to go there and because it says a illegal offence yes I have to basically have to go to a special committee with them and that I have to explain the Asbo which is un fair on me and it stops me working with the other thirty two boroughs yes now I have been in my house.

Police Officer; can I just stop you there it is frustrating because what you are saying rings a bell one of my colleges you spoke you spoke to one of my colleges on 13th of February.

Simon; yes, that is very possible.

Police Officer; yes, on cad 440.

Simon; I have them all on recording so that I know that the, I do not know them all of my heart but I have got them all recorded.

Police Officer; ok that is just fine I am just telling you that you did because it is recorded here.

Simon; and they have told me that they cannot do anything the only person that can do some think is yourselves a sergeant from the police station.

Police Officer; yes.

Simon; sorry for being rude but I explained to them that if I phoned them now as a Cfs caller call for services and I said to them look I know someone I just see some body still a chocolate bar out of a shop they would send a patrol car to me and to that shop over a chocolate bar being stolen I have clear corruption here and I have got evidence of it and that I have been set up and that I am riding four years and I would like a police officer sent to my house so that.

Police Officer; mutter.

Simon; go on.

Police Officer; hum I am calling because we only deal with initiation service recover, now offerssley your complaint we cannot deal with the initial serves recovery because it is they hum protracted in bits providentially protracted in investigation that needs to be done hum on the 13th of February on cad 440 which is our reference it has been marked up as sergeant Thomson is aware of your matter and he is dealing with it and now that is a sergeant that works in the professional standards department office at Edmonton police station so he deals with all the ongoing protection standards issues and if there any complaints ongoing complaint he deals with them and so I cannot assist you at the moment because I am the wrong department for that but since he is aware of it I am going to send him an email now to tell him that you have called and that you want an update regarding this issue because hum he is looking in to it.

Simon; I would like a meeting with him so that I can sit there and show. him the evidence that I have of the corruption and the fabricated. evidence.

Police Officer; that is fine.

Police Officer; I will tell him to contact you directly and hum you can. speak to him about it.

Simon; and if I do not receive a phone call back from none of your selves as like seems to have happened for the last three years or two years of this case now then what actually what actually happens then what should I phone you up again phone up the 02071212 again and then put the same complaint in again and hope that somebody contacts him again like how because no one want to investigating these officers.

Police Officer; I am sure that you have been contacted from the last time from Sergeant Thompson.

Simon; I have got recordings of me phoning up 999 and speaking to sergeants from ccc bow.

Police Officer; yes, yes you might call up a few times.

Simon; cc bow is basically said to me they have been one of the main officers in cc bow and that in all of their life that of them working there I have got it all on recording she has never seen the time stamps go backwards on the cads she said that this is clear corruption and this was months ago.

Police Officer; what do you mean that the time stamps go backwards

Simon; basically, I got given an Asbo yes and on the Asbo in the Asbo paper there's say 50 cads in there yes and them 50 cad every day "Cad - number 500" happens now I wrote to storm and Met ccc and I have been told that it is fraud.

Police Officer; you are talking about things that I do not have a clue about yes so, I am not the right person to see to give you the advice on that.

Simon; but you are dealing with a cad system right this second.

Police Officer; yes.

Simon; right now, as I call you.

Police Officer; you are talking about cads being amended as far as I am concerned cads once they have been "mutter" the time frames cannot be changed on the cad because it does not give us an opportunity.

Simon; yes.

Police Officer;

Simon; but what I am saying is that someone fraudulently, they gone and made the paper work out of the computers because basically I have got cad say cad.

Police Officer; if you are saying that then someone has got to investigate that and it will be as I said it will be the bloke at the professional standards department.

Simon; what is even worse than that is say like if you the cads say if you look at all of the cads a lot of the information like the call recorder is blocked out the call location everything is blocked out yes adapted now they forgot to take the x to y locations out yes so now when I put them into Google it shows it shows like five six miles away it show the other side of this place the other and they covered it all other and forged it to be that.

Police Officer; sir I have got to stop you there sir I have got to stop you there I appreciate you have got all of this information and I cannot assisted you with that but I am telling you that I am going to email the professional standards.

Simon; and what is his name again.

Police Officer; Sergeant Thomson.

Simon; Sergeant Thomson what Thomas what.

Police Officer; Thomson.

Simon; and what is his other name a badge for him

Police Officer; err sixteen ye

Simon; do you have a direct email yourself that I can contact as well.

Police Officer; his email yes, I can give you that one minute.

Simon; they said the only reason that they want to carry this Asbo on is because that of the amount of money that they have spent on this case they do not care about me as person it is all about money to them yes and it has had a large huge effect on my way of life and on everything and it.

Police Officer; OK.

Simon; his err email address is Arran.

Thomason@met.pnn.police.uk

Police Officer;

Simon; well thank you for contacting me today and I am sorry that it has been on such a negative thing.

Police Officer; I am sure he is because it says he is I am sure that he is. aware of hum this but I will send him an email now.

Simon; with this phone number and ask him to contact me back like this as well.

Police Officer; yes, yes with this cad number that I rang you on;

Simon; OK;

Police Officer; but oversley he will get back in contact with you.

Simon; OK thank you, you have a good day sir.

Time: All-Day and All-Night whenever they knew that I was indoors!

The occupiers of 117 and 111 Continued to victimizing me by: --

After the mundane daily routine now of the already designated assailing me in my bathroom after waking me up transpired I continued to get assaulted!

The already Complained about Loud and truculent banging in the bathroom got worse and this got achieved by George Quinton and the Mathiyalagan family slamming objects on to their floors with evil intent of malefactor actions in the Morning then all day and night then 113 and 117 tenants kept on Continually, reiterating to flushing the toilet when I utilize it!

Then 111 – 117 kept slamming the dihydrogen Monoxide tap on and off causing damage to my health and the buildings fixtures at an unacceptable rate then after and while they kept 117 - 113 and 111 Slamming the main, communal ingress door closed!

117 - Slamming their own living room, door closed!

117 - Slamming their own bedroom, door closed!

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death this includes: -- flushing the toilet above me when I am using my own toilet and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!

After more than a dozen emails and phone calls there is no positive change in my living circumstance the damp continues to take other this rented home and to further my concerns I keep wiping the electrical appliances down with a dry cloth but awake to the water being present upon them again, this is in reference towards my personal belongings and that of the rented internal fixtures!

Dear Tara Stewart Milne,
3 of 3 emails

I would also like to say there is a subject access request that have been put in one for each of my family due to what the police have done, the police are trying to refuse giving it to us. The report that DPS sent to us re this complaint did in fact bring up many more issues and I would like to see the documents they are not willing to give us. I feel that these documents could in fact bring up more issues and complaints. within this complaint and i feel we should have a right to see them. If you need to speak to me my number is 07807 333545 or you can contact me via this email address.

Dear Tara Stewart Milne

Thank you for the reply, I do know the IPCC has no power to compel police to hand over the information regarding the subject access requests that have been submitted to them and I will

take this up with the ICO if they don't, I also may take this up with the courts, our family has had enough over the last 23 years with what the police are doing to us, it's gone way past the point, that the police can say they are just doing their job. But the DPS has put in their report for this complaint they are using other information, why can't we see that information? why does the police feel the need to hide information regarding a complaint? I feel we have the right to see the information, as it all runs within this complaint, and hiding it from us only shows to me they are covering up what the police done, like they have done for years. I am not sure if you can forward us the information that the DPS and police have used, but I feel we should be able to see it, as I feel that without us being able to see it, we cannot fully deal with this complaint, as we should be able to do, as I feel it will only highlight more information that the police done wrong.
